 - (a) printed by a person or body authorised under section 40(4) or created for this Act by an officer and initialled by an officer; and
 - (b) marked in accordance with section 50.
- (1A) A ballot paper is also informal if an authorised officer is satisfied that the voter can be identified because of a mark or other writing on it.
- (2) For section 50(2), a voter is taken to have indicated the voter's order of preferences for all the candidates on a ballot paper in the circumstances mentioned in subsection (3), (3A) or (3B).
- (3) If there are only 2 candidates and the voter placed a mark in one candidate square and either placed a "2" in the remaining candidate square or left it blank:
 - (a) the candidate whose candidate square is marked is the voter's first preference; and
 - (b) the other candidate is the voter's last preference.

- (3A) If there are 3 or more candidates and the voter placed a mark in one candidate square and placed consecutively increasing whole numbers (starting with a "2") in the remaining candidate squares until a number is placed in each of those candidate squares:
- (a) the candidate whose candidate square is marked is the voter's first preference; and
 - (b) the number placed in each other candidate square indicates the voter's order of preference for the remaining candidates.
- (3B) If there are 3 or more candidates and the voter placed a mark in one candidate square, left one candidate square blank and placed consecutively increasing whole numbers (starting with a "2") in the remaining candidate squares until a number is placed in each of those candidate squares:
- (a) the candidate whose candidate square is marked is the voter's first preference; and
 - (b) the candidate whose candidate square is left blank is the voter's last preference; and
 - (c) the number placed in each other candidate square indicates the voter's order of preferences between the first and last preference.
- (4) A ballot paper is not informal merely because:
- (a) the name of the division appearing on the ballot paper is wrong or has been omitted from the ballot paper if the names of all candidates for the division are on the ballot paper; or
 - (b) the surname only of a candidate is written on the ballot paper if no other candidate has the same surname; or
 - (c) a mistake is made in the spelling of a candidate's name if an authorised officer is satisfied there is no doubt about the identity of the candidate; or

 - (ii) if not delivered to an authorised officer before the close of voting on election day, received by the Commission before 12 noon on the second Friday following election day.

(2) In the absence of evidence to the contrary, the time and date appearing in the postal vote certificate on an envelope containing an elector's postal ballot paper is taken to be the time and date on which the elector's vote was marked on the ballot paper.

97 Dealing with certain votes for absent voters

- (1) This section applies if the officer in charge of a scrutiny centre finds an unenclosed absent ballot paper in a ballot box at a voting centre.

- (3) The officer must:
- (a) place the ballot paper in an envelope bearing the name of the division and the name of the voting centre; and

Division 7 Determining and declaring result of election

123 Interim distribution of preference votes

- (1) This section applies if, after 6 pm on election day, the Commission considers it is appropriate to gain an indication of the candidate most likely to be elected for a division.
- (2) The Commission may arrange for officers to conduct, in the way decided by the Commission, an interim distribution of preference votes in the division.
- (3) The interim distribution is of no effect for declaring the result of the election.

124 Part counting of votes

- (1) It is not necessary for an authorised officer to receive all envelopes containing ballot papers before proceeding to deal with the ballot papers under this Part.
- (2) However, sufficient unopened envelopes containing postal votes must be kept in the Postal Ballot Box to ensure the ballot papers when taken from the envelopes for counting are sufficient in number to ensure the secrecy of the ballot is maintained.

125 Objections by candidate's scrutineer

- (1) A candidate's scrutineer may object to the admission or rejection of a ballot paper as a formal ballot paper.
- (2) The objection must be made to the officer conducting the scrutiny.
- (3) The officer must decide the objection by admitting or rejecting the ballot paper the subject of the objection as a formal ballot paper and must mark the ballot paper "admitted" or "rejected" according to the decision.
- (4) This section does not prevent the officer from rejecting a ballot paper as being informal even though no objection is made to it.

126 Determination of first preference votes

An authorised officer for a division must, from the statements or amended statements mentioned in sections 99, 109, 114 and 122 and the result of the scrutiny of votes counted by officers, determine the number of first preference votes cast for each candidate for the division.

127 Declaration of election

The candidate who receives more than 50% of the first preference votes determined under section 126 must be declared by the Commission to be returned as elected for the division.

128 Further scrutiny to be conducted

- (1) If a declaration cannot be made under section 127, an authorised officer for the division must:
 - (a) open all parcels containing formal ballot papers for the division; and
 - (b) subject to subsection (2), continue the scrutiny in accordance with this Part.
- (2) The officer must:
 - (a) conduct a second count and for that purpose exclude from consideration the candidate for whom the fewest number of first preference votes has been cast and count the votes cast in favour of that candidate to the candidate next in order of the voter's preference, if any; and
 - (b) if no candidate then has more than 50% of the formal votes then remaining in the count – follow the process of excluding from consideration the candidate who has the fewest number of votes and counting the votes cast in favour of that candidate to the unexcluded candidate next in the order of the voter's preference, if any until one candidate has received more than 50% of the formal votes then remaining in the count.
- (3) However, if there are 2 or more candidates with the fewest number of votes and one of them is to be excluded from the count, the officer must decide by lot the candidate to be excluded.
- (4) In addition, if there are 2 candidates remaining in the count having the same number of formal votes cast in their favour, the Commission must:
 - (a) under section 130, direct an authorised officer for the division to recount all ballot papers; and
 - (b) if, after the recount, the candidates have an equal number of formal votes cast in their favour – decide by lot the successful candidate.

- (5) After complying with subsections (1), (2), (3) and (4), the officer must:
 - (a) make and sign a statement stating the results of the scrutiny to that point; and
 - (b) give the statement to the Commission; and
 - (c) keep a copy of the statement.
- (6) The candidate decided under subsection (2) or (4) must be declared by the Commission to be returned as elected.
- (7) The officer must, on completing the scrutiny:
 - (a) place all formal votes in separate parcels; and
 - (b) seal the parcels and endorse on each parcel a statement of its contents; and
 - (c) allow any candidate's scrutineers present, if they desire, to sign each parcel.

129 Early declaration of elected candidate

- (1) The Commission may declare a candidate to be elected for a division if satisfied any uncounted ballot papers cannot, because of the number of them, affect the outcome of the scrutiny.
- (2) For subsection (1), uncounted ballot papers are:
 - (a) ballot papers that have not been received by an authorised officer for the division; or
 - (b) ballot papers for the division that have not been subject to scrutiny under this Part.

130 Recount

- (1) The Commission may, at any time before a candidate is declared to be elected, direct an authorised officer for a division to recount any ballot papers placed in a parcel under this Part.
- (2) The Commission may give the direction:
 - (a) on receipt of a written request by a candidate stating the reasons for it; or
 - (b) on the Commission's own initiative.

- (3) This Part applies to the recount and any decision made earlier in the scrutiny relating to the admission or rejection of a ballot paper as a formal ballot paper may be reversed.
- (4) The officer must, if required by a candidate's scrutineer, refer any question relating to the formal or informal nature of a ballot paper to the Commission.
- (5) The Commission must decide the question.

131 Declaration of result of election

- (1) As soon as practicable after the results of an election have been determined, the Commission must publicly declare the results of the election and the name of the candidate returned as elected.
- (2) However, if the successful candidate for election for a division dies after election day but before the declaration, the Commission must not declare the candidate returned as elected for the division.
- (3) Subsection (2) applies despite sections 127 and 128(6).

132 Preference distribution for information purposes

After a candidate is declared as elected for a division, the Commission may require an authorised officer to examine the second and later preferences of candidates, and the distribution of the preferences, for information and research purposes.

Division 8 Miscellaneous provisions

133 Return of writ

The Commission must, after declaring a candidate returned as elected:

- (a) endorse on the writ for the election the name of the candidate; and
- (b) return the writ to the Administrator; and
- (c) keep a copy of the writ.

134 Extension of time

- (1) If the Administrator is satisfied there is a difficulty relating to an election, the Administrator may, by *Gazette* notice, within 15 days before or after election day:
 - (a) extend the time for holding the election; or

- (b) extend the time for the return of the writ.
- (2) The Commission must give public notice of the extension of time in the division to which the extension relates.
- (3) This section applies despite anything to the contrary in section 23 or 26A but otherwise is subject to section 17(2) of the Self Government Act.

135 Failure of election

An election fails if:

- (a) no candidate is declared under section 37; or
- (b) a candidate dies on or before election day; or
- (c) no candidate is returned as elected.

136 Issue of writ for failed election

- (1) If an election fails, the Administrator must, as soon as practicable, issue a new writ for an election.
- (2) The roll prepared for the failed election must be used for the election under the new writ.

Part 8 Redistributions

 - (b) be completed as soon as practicable.
- (3) In addition, the Administrator may at any time after the period mentioned in subsection (2)(a), by *Gazette* notice, direct a redistribution be conducted in accordance with this Part if the number of electors in a division exceeds, or falls short of, the quota mentioned in section 13(4) of the Self-Government Act by more than one-fifth of the quota.

Division 2 Object of redistribution and related matters

139 Object of redistribution

The object of a redistribution is to ensure that, at the time of the next general election, the number of electors in each proposed division is as near to equal as practicable.

139A Principles of redistribution

To satisfy the object of redistribution, the Redistribution Committee must have regard to the following principles:

- (a) the physical area of a division containing rural and remote areas should be as small as practicable;
- (b) the demographic characteristics of a division should be as uniform as practicable;
- (c) the geographic features of a division should be as uniform as practicable;
- (d) each identifiable community should be included in only one division if practicable;
- (e) subject to paragraphs (a) to (d), changes to existing divisions should minimise the number of electors being transferred from one division to another.

139B Naming of division during redistribution

- (1) The name of a division must not be changed by a redistribution unless the existing name is no longer appropriate.
- (2) If a new name is proposed for a division, the use of locality names should be avoided.

140 Matters to be considered in redistribution

- (1) For achieving the object of a redistribution, the Redistribution Committee must ensure each proposed division contains a number of electors not exceeding, or falling short of, the quota mentioned in section 13(4) of the Self-Government Act by more than one-fifth of the quota.
- (2) In addition, the Redistribution Committee must give proper consideration to the following matters:
 - (a) community of interests in each proposed division, including economic, social and regional interests;
 - (b) types of communication and travel in each proposed division, with special reference to disabilities arising out of remoteness or distance;
 - (c) the trend of population changes in the Territory;
 - (d) the density of population in each proposed division;
 - (e) the area of each proposed division;
 - (f) the physical features of each proposed division;
 - (g) the existing boundaries of the following:
 - (i) divisions;
 - (ii) local government areas and wards under the *Local Government Act 2019* and suburbs and towns;
 - (iii) Divisions and Subdivisions under the Commonwealth Act;
 - (iv) areas of Aboriginal Land Councils established by or under the *Aboriginal Land Rights (Northern Territory) Act 1976* (Cth);
 - (h) all suggestions and comments given under sections 141 and 142.

Division 3 Redistribution process

140A Definitions

In this Division:

redistribution process means any action taken under sections 141 to 146.

140B Calculation of quota

- (1) The Redistribution Committee is responsible for calculating the quota under section 13(4) of the *Self-Government Act 1978*.
- (2) The calculation must be done as soon as practicable:
 - (a) after the establishment of the Redistribution Committee; and
 - (b) after the expiry of the 30-day period mentioned in section 145(b).
- (3) The Redistribution Committee may calculate the quota at any other time during the redistribution process if the Committee is of the opinion that calculating the quota would:
 - (a) improve the accuracy of the redistribution; and
 - (b) achieve the object in section 139.

141 Inviting suggestions

- (1) The Redistribution Committee must, by notice published in accordance with section 137, invite suggestions relating to the redistribution.
- (2) The notice must state suggestions are to be given to the Committee in writing within 30 days after the notice is published in the *Gazette*.

142 Inviting comments on suggestions

As soon as practicable after the 30 days mentioned in section 141(2), the Redistribution Committee must:

- (a) make available for public inspection, without fee, copies of all suggestions given to it within the 30 days; and
- (b) publish a notice in accordance with section 137:
 - (i) advising of the availability for inspection of the copies of the suggestions; and

- (ii) inviting comment in writing on the suggestions to be given to it within 14 days after the notice is published in the *Gazette*.

- (2) The first proposed redistribution must include proposed names for the proposed divisions.

144 Maps showing first proposed redistribution

As soon as practicable after the Redistribution Committee has prepared the first proposed redistribution, it must make available for public inspection, without fee, a map or number of maps together showing the names and boundaries of all proposed divisions.

145 Inviting objections against first proposed redistribution

The Redistribution Committee must publish a notice in accordance with section 137:

- (a) advising of the availability for inspection of the map or maps mentioned in section 144; and
- (b) stating that any objection on the first proposed redistribution must be made in writing to the Redistribution Committee within 30 days after the notice is published in the *Gazette*.

145A Preparing second proposed redistribution

- (1) The Redistribution Committee must give proper consideration to all objections made under section 145(b).

- (3) The second proposed redistribution must include proposed names for the proposed divisions.

145B Inviting objections to second proposed redistribution

- (1) If a second proposed redistribution would result in the sum of the following being greater than 15% of the total number of electors in a division at the time the quota is calculated under section 140B(2)(b), the Redistribution Committee must invite

objections to the second proposed redistribution:

- (a) the number of electors added to the division by the second proposed redistribution as compared to the first proposed redistribution; and
 - (b) the number of electors removed from the division by the second proposed redistribution as compared to the first proposed redistribution.
- (2) Despite subsection (1), the Redistribution Committee is not required to invite objections to the second proposed redistribution if the Redistribution Committee is of the opinion that:
- (a) holding a second objection period would cause major inconvenience or have other serious consequences, such as causing a delay to a scheduled general election; or
 - (b) the second proposed redistribution is the only feasible option because there has been a natural disaster or another event causing extraordinary demographic movement.

Note for subsection (2)(a)

A delay to the finalisation of the redistribution process is not of itself a major inconvenience or serious consequence.

- (3) If, in the opinion of the Redistribution Committee, a second proposed redistribution involves a significant change in a matter to which the Redistribution Committee must give consideration under section 140(2)(a), (c), (e), (f) or (g), the Redistribution Committee may invite objections to the second proposed redistribution.
- (4) If the Redistribution Committee invites objections to a second proposed redistribution under subsection (1) or (3), the Redistribution Committee must:
- (a) make available, for public inspection, without fee, a map or number of maps together showing the names and boundaries of all proposed divisions; and
 - (b) publish a notice in accordance with section 137:
 - (i) advising of the availability for inspection of the map or maps mentioned in paragraph (a); and
 - (ii) stating that any objection on the second proposed redistribution must be made in writing to the Redistribution Committee within 14 days after the notice is published in the *Gazette*.

146 Considering objections

In deciding the redistribution, the Redistribution Committee must give proper consideration to any objections made under section 145B(4)(b)(ii).

(1) The Redistribution Committee must, by *Gazette* notice (a ***redistribution declaration notice***), redistribute the Territory into divisions.

(1A) A redistribution declaration notice must be published:

- (a) if the Redistribution Committee invites objections under section 145B – as soon as practicable after the expiry of the 14 days mentioned in section 145B(4)(b)(ii); or
- (b) if the Redistribution Committee does not invite objections under section 145B – as soon as practicable after the expiry of the 30 days mentioned in section 145(b).

(2) The notice must declare:

- (a) the Territory is redistributed into divisions; and
- (b) the names and boundaries of the divisions.

(3) This section has effect subject to sections 139 and 140.

148 Report about redistribution

(1) As soon as practicable after publication of the redistribution declaration notice, the Redistribution Committee must prepare a report about the redistribution (a ***redistribution report***).

(2) The report must:

- (a) include details of all suggestions, comments and objections given or made under this Part; and
- (b) contain a map or number of maps together showing the names and boundaries of all divisions;
- (c) state the reasons for redistributing the Territory into the divisions set out in the redistribution declaration notice; and
- (d) state the reasons that the Redistribution Committee did or did not invite objections on the second proposed redistribution under section 145B.

- (3) The Redistribution Committee must provide the redistribution report to the Commissioner as soon as practicable after the publication of the redistribution declaration notice.
- (4) The Commissioner must, as soon as practicable after the receipt of the redistribution report:

- (5) The Speaker must table a copy of the report in the Legislative Assembly within 3 sitting days after the Speaker receives the report.
- (6) For this section, ***available for public inspection*** includes by electronic publication.

150 When redistribution takes effect

- (1) The redistribution in accordance with the redistribution declaration notice takes effect for the next general election after publication of the notice.
- (2) However, subsection (1) does not prevent the preparation of the roll for a division in the notice before the next general election.

150A Extraordinary general election during redistribution process

If a writ for an extraordinary general election is issued under section 24 or 25 while the redistribution process is underway, the redistribution process ceases and the Redistribution Committee is dissolved as soon as the writ is issued.

Division 4 Miscellaneous provisions

151 Decisions are final

- (1) Despite any other Act, a decision of the Redistribution Committee made, or purporting to be made, under this Part:
 - (a) is final and conclusive; and

 - (b) is obscene; or
 - (c) is the name or an acronym of the name of a registered party or parliamentary party; or
 - (d) so nearly resembles the name or an acronym of the name of registered party or parliamentary party it is likely to be confused with or mistaken for that name or acronym; or

- (2) The notice must:
- (a) state the reasons for the opinion; and

 - (b) to consider the application in the form in which it was made.
- (5) The Commission must comply with the request.

- (2) The request must be in the approved form.

161 When Commission must cancel registration
