143 Reduction of royalty in certain cases

- (1) Where the Minister is satisfied that the rate of recovery of petroleum from a well has become so reduced that, having regard to the rate or rates of royalty applicable under section 142, further recovery of petroleum from that well would be uneconomic, the Minister may, by notice in writing, determine that the royalty in respect of all or any of the petroleum recovered from that well on or after a date specified in the determination shall be at such rate (being a rate lower than the rate that would be applicable under section 142) as the Minister specifies.

145 Ascertainment of well-head

For the purposes of this Act, the well-head, in relation to any petroleum, is such valve station as is agreed between the permittee, lessee or licensee and the Minister or, in default of agreement within such period as the Minister allows, is such valve station as is determined by the Minister as being that well-head.

146 Ascertainment of value

For the purposes of this Act, the value of any petroleum at the well-head is such amount as is agreed between the permittee, lessee or licensee and the Minister or, in default of agreement within such period as the Minister allows, is such amount as is determined by the Minister as being that value.

For the purposes of this Act, the quantity of petroleum recovered by a permittee, lessee or licensee from a well during a period shall be taken to be:

- (a) the quantity measured during that period by a measuring device approved by the Minister and installed at the well-head or at such other place as the Minister approves; or

- (2) Where this section applies:
 - (a) if the determined royalty is greater than the provisional royalty, the difference is payable within 28 days; and
 - (b) if the determined royalty is less than the provisional royalty, the difference is deducted from any amount subsequently payable by the permittee, lessee or licensee concerned.
- (3) In this section:

determined royalty means:

- (a) where subsection (1)(a) applies, the amount of royalty payable in relation to the petroleum on the basis of the value ascertained under section 146; and
