Part 2 Controlled operations

Division 1 Preliminary matters

6 Objects of Part

The objects of this Part are:

- (a) to provide for the authorisation, conduct and monitoring of controlled operations; and
- (b) to facilitate mutual recognition of things done in relation to controlled operations conducted within, or partially within, the Territory and authorised under corresponding laws of other jurisdictions; and
- (c) to provide, for the conduct of the authorised operations:
 - (i) indemnity for participants against civil liability arising out of the operations; and
 - (ii) protection for participants from criminal responsibility for conduct engaged in as part of the operations which would otherwise be an offence.

7 Evidentiary matters

- (1) Subject to subsection (2), this Act is not intended to limit a discretion that a court has:
- (a) to admit or exclude evidence in any proceedings; or
 - (b) to stay criminal proceedings in the interests of justice.

- (2) In determining whether evidence should be admitted or excluded in any proceedings, a court must disregard the fact that the evidence was obtained as a result of a person engaging in criminal activity if:
- (a) the person was a participant or corresponding participant acting in the course of an authorised operation or corresponding authorised operation; and
 - (b) the criminal activity was controlled conduct within the meaning of this Act or controlled conduct within the meaning of a corresponding law.

8 **Definitions**

In this Part:

authority means an authority under Division 2 and includes any variation of the authority.

civilian participant, in an authorised operation, means a participant in the operation who is not a law enforcement officer.

controlled conduct means conduct for which a person would, apart from section 20 or 27, be criminally responsible.

controlled operation means an operation that:

- (a) is conducted, or intended to be conducted, for the purpose of obtaining evidence that may lead to the prosecution of a person for a relevant offence; and
- (b) involves, or may involve, controlled conduct.

corresponding authorised operation means any operation in the nature of a controlled operation that is authorised under a corresponding law.

corresponding authority means an authority authorising a controlled operation (within the meaning of a corresponding law) that is in force under the corresponding law.

corresponding participant means a person who is authorised by a corresponding authority to participate in a corresponding authorised operation.

illicit goods means goods the possession of which is a contravention of a law of the Territory.

participant, in an authorised operation, means a person who is authorised under this Act to engage in controlled conduct for the operation.

principal law enforcement officer, for an authorised operation, means the law enforcement officer who is responsible for the conduct of the operation.

relevant offence means:

- (a) an offence against a law of the Territory punishable by a maximum term of imprisonment of 3 years or more; or
- (b) an offence against a law of the Territory that is prescribed by regulation to be a relevant offence.

suspect means a person reasonably suspected of:

- (a) having, or being likely to have, committed a relevant offence;
or
- (b) committing, or being likely to commit, a relevant offence.

9 When operation is taken to be conducted in Territory

For this Act, a controlled operation relating to a relevant offence is taken to be conducted in the Territory (whether or not it is also conducted in another jurisdiction) if a participant in the operation is:

- (a) a Territory law enforcement officer; or
- (b) a civilian participant acting in accordance with the instructions of a Territory law enforcement officer.

Example for section 9

A Territory police officer is investigating a conspiracy to import drugs into the Territory from Victoria, and the operation is to be conducted wholly within Victoria.

Division 2 Authorisation of controlled operations

10 Application for authority to conduct controlled operation

- (1) A law enforcement officer of a law enforcement agency may apply to the chief officer of the agency for an authority to conduct a controlled operation on behalf of the agency.
- (2) An application for an authority may be made:
 - (a) in writing signed by the applicant (a **formal application**); or

- (b) if the applicant has reason to believe that the delay caused by making a formal application may affect the success of the operation – in person or by telephone, fax, email or any other means of communication (an **urgent application**).
- (3) If an application is made for an authority for a controlled operation that was the subject of a previous application, the subsequent application must be a formal application.
- (4) In an application, the applicant must:
 - (a) provide sufficient information to enable the chief officer to decide whether or not to grant the authority applied for; and
 - (b) state whether the proposed operation, or any other controlled operation relating to the same criminal activity, has been the subject of an earlier application for an authority or a variation of an authority and, if so, whether the authority was granted or varied.
- (5) The chief officer may require the applicant to provide any additional information concerning the proposed controlled operation that is necessary for the chief officer's proper consideration of the application.
- (6) As soon as practicable after making an urgent application, the applicant must make a record, in writing, of the application and give a copy of it to the chief officer.

11 Determination of application

- (1) After considering an application for an authority to conduct a controlled operation, and any additional information provided under section 10(5), the chief officer of the agency:
 - (a) may authorise the operation by granting the authority, either unconditionally or subject to conditions; or
 - (b) may refuse the application.
- (2) An authority to conduct a controlled operation must not be granted unless the chief officer is satisfied on reasonable grounds:
 - (a) that a relevant offence has been, is being or is likely to be committed; and

- (b) that the nature and extent of the following is such as to justify the conduct of a controlled operation in the Territory (whether or not it is also conducted in another participating jurisdiction):
 - (i) for ICAC – suspected criminal activity or suspected relevant improper conduct;
 - (ii) otherwise – suspected criminal activity; and
- (c) that any unlawful conduct involved in conducting the operation will be limited to the maximum extent consistent with conducting an effective controlled operation; and
- (d) that the operation will be conducted in a way that will minimise the risk of more illicit goods being under the control of persons (other than law enforcement officers) at the end of the operation than are reasonably necessary to enable the officers to achieve the purpose of the controlled operation; and
- (e) that the proposed controlled conduct will be capable of being accounted for in a way that will enable the reporting requirements of Division 4 to be complied with; and
- (f) that the operation will not be conducted in such a way that a person is likely to be induced to commit an offence against a law of any jurisdiction that the person would not otherwise have intended to commit; and
- (g) that any conduct involved in the operation will not:
 - (i) seriously endanger the health or safety of any person; or
 - (ii) cause the death of, or serious harm to, any person; or
 - (iii) involve the commission of a sexual offence against any person; or
 - (iv) result in unlawful loss of, or serious damage to, property (other than illicit goods); and
- (h) that any role assigned to a civilian participant in the operation is not one that could be adequately performed by a law enforcement officer; and
- (i) for the ICAC and, in the event that the operation is intended to be conducted entirely in the Territory, that the relevant improper conduct has been, is being or is likely to be committed.

11A Territorial limitation on operations relating to relevant improper conduct

A controlled operation that relates to relevant improper conduct that is not also a relevant offence does not authorise controlled conduct outside the Territory.

12 Form of authority

- (1) An authority to conduct a controlled operation may be granted:
 - (a) in writing signed by the chief officer of a law enforcement agency (a **formal authority**); or
 - (b) if the chief officer is satisfied that the delay caused by granting a formal authority may affect the success of the operation – in person or by telephone, fax, email or any other means of communication (an **urgent authority**).
- (2) If an authority is granted for a controlled operation that was the subject of a previous authority, the subsequent authority must be a formal authority.
- (3) An authority must:
 - (a) state the name and position of the person granting the authority; and
 - (b) identify the principal law enforcement officer and, if the principal law enforcement officer is not the applicant for the authority, the name of the applicant; and
 - (c) state whether the application is a formal application or an urgent application; and
 - (d) identify each person who may engage in controlled conduct for the purposes of the operation; and
 - (e) state the jurisdictions in which the controlled conduct is, or is likely, to be engaged in; and
 - (f) identify the nature of the criminal activity (including the suspected relevant offences) in relation to which the controlled conduct is to be engaged in; and
 - (fa) identify the nature of the criminal activity (including the suspected relevant offences), or for an authority granted by the ICAC the relevant improper conduct, in relation to which the controlled conduct is to be engaged in; and

- (g) identify:
 - (i) for participants in the operation who are law enforcement officers – the nature of the controlled conduct that those participants may engage in; and
 - (ii) for each civilian participant – the particular controlled conduct (if any) that the participant may engage in; and
 - (h) identify (to the extent known) any suspect; and
 - (i) specify the period of validity of the authority, being a period not exceeding 6 months for a formal authority or 7 days for an urgent authority; and
 - (j) specify any conditions to which the conduct of the operation is subject; and
 - (k) state the date and time when the authority is granted; and
 - (l) identify (to the extent known):
 - (i) the nature and quantity of any illicit goods that will be involved in the operation; and
 - (ii) the route through which those goods will pass in the course of the operation.
- (4) A person is sufficiently identified for subsection (3)(d) if:
- (a) the person is identified:
 - (i) by an assumed name under which the person is operating; or
 - (ii) by a code name or code number; and
 - (b) the assumed name, code name or code number can be matched to the person's identity.
- (5) The chief officer must ensure that written notes are kept of the particulars mentioned in subsection (3) for each urgent authority.

13 Duration of authority

Unless it is sooner cancelled, an authority is in force for the period of validity specified in accordance with section 12(3)(i).

14 Variation of authority

- (1) The chief officer of a law enforcement agency may vary an authority:
 - (a) at any time on the chief officer's own initiative; or
 - (b) on application under subsection (3).
- (2) However, a variation cannot be made that has the effect of extending the period of validity of an urgent authority.
- (3) The principal law enforcement officer for an authorised operation, or any other law enforcement officer on behalf of the principal law enforcement officer, may apply to the chief officer for a variation of an authority for any one or more of the following purposes:
 - (a) subject to subsection (2) – to extend the period of validity of the authority;
 - (b) to authorise additional or alternative persons to engage in controlled conduct for the purposes of the operation;
 - (c) to authorise participants in the operation to engage in additional or alternative controlled conduct;
 - (d) to identify additional suspects (to the extent known).
- (4) More than one application for a variation may be made for the same authority, but no single variation may extend the period of validity of an authority for more than 3 months at a time.
- (5) An application for a variation of an authority may be made:
 - (a) in writing signed by the applicant (a **formal variation application**); or
 - (b) if the applicant has reason to believe that the delay caused by making a formal variation application may affect the success of the operation – in person or by telephone, fax, email or any other means of communication (an **urgent variation application**).
- (6) The chief officer may require the applicant to provide any additional information concerning the proposed variation that is necessary for the chief officer's proper consideration of the application.

- (7) After considering an application for a variation of authority, and any additional information given under subsection (6), the chief officer:
 - (a) may vary the authority in accordance with the application, either unconditionally or subject to conditions; or
 - (b) may refuse the application.
- (8) Section 11(2) applies to an application for a variation of authority under this section in the same way as it applies to an application for an authority under section 11(1).
- (9) Without limiting subsection (8), a variation of authority must not be granted unless the chief officer is satisfied on reasonable grounds that the variation will not authorise a significant alteration of the nature of the authorised operation concerned.
- (10) An authority may be varied:
 - (a) in writing signed by the chief officer (a **formal variation of authority**); or
 - (b) if the person granting the variation is satisfied that the delay caused by granting a formal variation of authority may affect the success of the operation – in person or by telephone, fax, email or any other means of communication (an **urgent variation of authority**).
- (11) The chief officer:
 - (a) must ensure that written notes are kept of the following matters:
 - (i) the date and time when the authority was varied;
 - (ii) the identity of the law enforcement officer to whom the variation of authority was granted; and
 - (b) must, as soon as practicable, prepare and give to the applicant a document that complies with section 15.

15 Form of variation of authority

A variation of an authority must be in writing, and:

- (a) identify the authorised operation for which the authority is in force; and
- (b) state the name and position of the person varying the authority; and

- (c) if the application for the variation was made under section 14(3) – state the name of the applicant; and
- (d) state whether the application was a formal variation application or an urgent variation application; and
- (e) state the date and time when the authority is to be or was varied; and
- (f) describe the variation having regard to the purposes mentioned in section 14(3) for which the application was made.

16 Cancellation of authority

- (1) The chief officer of a law enforcement agency may, by written notice to the principal law enforcement officer for an authorised operation, cancel the authority at any time and for any reason.
- (2) Without limiting subsection (1), the chief officer may cancel an authority for an authorised operation at any time at the request of the principal law enforcement officer for the operation.
- (3) Cancellation of an authority for a controlled operation takes effect at the time the written cancellation is given to the principal law enforcement officer or, if a later time is specified, that later time.

17 Effect of authority

- (1) While it is in force, an authority for a controlled operation:
 - (a) authorises each law enforcement officer who is a participant in the operation to engage in the controlled conduct specified in the authority for those participants; and
 - (b) authorises each civilian participant to engage in the particular controlled conduct specified in the authority for that participant; and
 - (c) authorises each participant to engage in that conduct in the Territory or any participating jurisdiction (subject to any corresponding law of that participating jurisdiction).
- (2) The authority to engage in controlled conduct given to a participant cannot be delegated to any other person.

18 Defect in authority

An application for an authority or a variation of an authority, and any authority granted or varied on the basis of such an application, is not invalidated by any defect, other than a defect that affects the application, authority or variation in a material particular.

19 Retrospective authority

- (1) This section applies if a participant in an authorised operation engages in unlawful conduct (other than unlawful conduct that is controlled conduct) in the course of the operation.
- (2) The principal law enforcement officer for the operation may, within 24 hours after the participant engages in that conduct, apply to the chief officer of the law enforcement agency for retrospective authority for the conduct.
- (3) The chief officer may require the principal law enforcement officer to provide any additional information concerning the relevant conduct that is necessary for the chief officer to properly consider the application.
- (4) After considering an application under subsection (2), and any additional information provided under subsection (3), the chief officer:
 - (a) may grant retrospective authority in accordance with the application; or
 - (b) may refuse the application.
- (5) The chief officer must not grant retrospective authority for conduct unless the chief officer is satisfied:
 - (a) that, when the relevant conduct occurred, the participant who engaged in the conduct believed on reasonable grounds that one or more of the following circumstances existed:
 - (i) there was a substantial risk to the success of the authorised operation;
 - (ii) there was a substantial risk to the health or safety of a participant in the operation, or any other person, as a direct result of the conduct of the authorised operation;
 - (iii) criminal activity other than the criminal activity in respect of which the authorised operation was being conducted had occurred, or was likely to occur, and there was a substantial risk that evidence relating to that criminal

activity would be lost;

- (iv) relevant improper conduct other than the relevant improper conduct in respect of which the authorised operation was being conducted had occurred, or was likely to occur, and there was a substantial risk that evidence relating to that relevant improper conduct would be lost; and
 - (b) the participant believed on reasonable grounds that the participant could not avoid that risk otherwise than by engaging in the relevant conduct; and
 - (c) that, at all times prior to the circumstance arising, the participant had been acting in good faith and in accordance with any relevant code of conduct; and
 - (d) that the participant had not foreseen, and could not reasonably be expected to have foreseen, that the circumstance would arise; and
 - (e) that, had it been possible to foresee that the circumstance would arise, authority for the relevant conduct would have been sought; and
 - (f) it was not reasonably possible in the circumstances for the participant to seek a variation of the authority for the operation to authorise the relevant conduct.
- (6) Subsection (4)(a) does not allow retrospective authority to be granted with respect to conduct giving rise to any of the following:
- (a) the offence of murder;
 - (b) any other offence for which the common law defence of duress would not be available.

Division 3 Conduct of controlled operation

Subdivision 1 Controlled conduct engaged in for authorised operation

20 Protection from criminal responsibility for controlled conduct during authorised operation

Despite any other Act or law of the Territory, a participant who engages in conduct (whether in the Territory or elsewhere) in an authorised operation in the course of, and for the purposes of, the operation, is not, if engaging in that conduct is an offence, criminally

responsible for the offence, if:

- (a) the conduct is authorised by, and is engaged in in accordance with, the authority for the operation; and
- (b) the conduct does not involve the participant intentionally inducing a person to commit an offence under a law of any jurisdiction that the person would not otherwise have intended to commit; and
- (c) the conduct does not involve the participant engaging in any conduct that is likely to:
 - (i) cause the death of, or serious harm to, any person; or
 - (ii) involve the commission of a sexual offence against any person; and
- (d) if the participant is a civilian participant – the participant acts in accordance with the instructions of a law enforcement officer.

21 Indemnity for participant against civil liability

- (1) This section applies to a law enforcement agency if a controlled operation has been authorised by the chief officer of the agency under section 11.
- (2) The law enforcement agency must indemnify a participant in the authorised operation against any civil liability (including reasonable costs) the participant incurs because of conduct the participant engages in if:
 - (a) the participant engages in the conduct in the course of, and for the purposes of, the operation in accordance with the authority for the operation; and
 - (b) the conduct does not involve the participant intentionally inducing a person to commit an offence under a law of any jurisdiction that the person would not otherwise have intended to commit; and
 - (c) the conduct does not involve the participant engaging in any conduct that is likely to:
 - (i) cause the death of, or serious harm to, any person; or
 - (ii) involve the commission of a sexual offence against any person; and

- (d) if the participant is a civilian participant – the participant acts in accordance with the instructions of a law enforcement officer; and
- (e) any requirements prescribed by regulation for this section have been met.

22 Effect of sections 20 and 21 on other laws relating to criminal investigation

Sections 20 and 21 do not apply to a person's conduct that is, or could have been authorised, under a law of the Territory relating to any of the following:

- (a) arrest or detention of individuals;
- (b) searches of individuals;
- (c) entry onto, or searches or inspection of, premises;
- (d) searches, inspections or seizures of other property;
- (e) forensic procedures;
- (f) electronic surveillance devices or telecommunications interception;
- (g) identification procedures;
- (h) the acquisition or use of assumed identities;
- (i) any other matter concerning:
 - (i) powers of criminal investigation; or
 - (ii) powers to conduct an investigation under the ICAC Act.

23 Effect of being unaware of variation or cancellation of authority

- (1) If an authority for a controlled operation is varied in a way that limits its scope, this Division continues to apply to a participant in the operation as if the authority had not been so varied to the extent to which the participant:
 - (a) is unaware of the variation; and
 - (b) is not reckless about the existence of the variation.

- (2) If an authority for a controlled operation is cancelled, this Division continues to apply to a participant in the operation as if the authority had not been cancelled to the extent to which the participant:
 - (a) is unaware of the cancellation; and
 - (b) is not reckless about the existence of the cancellation.
- (3) For this section, a person is reckless about the existence of the variation or cancellation of an authority if:
 - (a) the person is aware of a substantial risk that the variation or cancellation has happened; and
 - (b) having regard to the circumstances known to the person, it is unjustifiable to take the risk.

24 Protection from criminal responsibility for ancillary conduct

- (1) This section applies to conduct, such as aiding and abetting the commission of an offence or conspiring to commit an offence (the ***ancillary conduct***), for which a person may be criminally responsible because it involves conduct engaged in by another person that is controlled conduct for which the other person would (apart from section 20) be criminally responsible (the ***related controlled conduct***).
- (2) Despite any other law of the Territory, a person who engages in ancillary conduct that is an offence (whether or not the person is a participant in a controlled operation) is not criminally responsible for the offence if, at the time the person engaged in the ancillary conduct, the person believed the related controlled conduct was being engaged in, or would be engaged in, by a participant in an authorised operation.

Subdivision 2 Compensation and notification of third parties

25 Compensation for property loss or serious damage

- (1) If a person suffers loss of, or serious damage to, property as a direct result of an authorised operation, the Territory is liable to pay to the person compensation as agreed between the Territory and the person or, in default of agreement, as determined by action against the Territory in a court of competent jurisdiction.
- (2) Subsection (1) does not apply if:
 - (a) the person suffered the loss or damage in the course of, or as a direct result of, engaging in any criminal activity (other than criminal activity that is controlled conduct); or

- (b) the person was a law enforcement officer at the time of suffering the loss or damage.

26 Notification requirements

- (1) If any loss of, or serious damage to, property occurs in the course of, or as a direct result of, an authorised operation (other than property of the law enforcement agency on behalf of which the operation is conducted or a participant in the operation), the principal law enforcement officer for the operation must report the loss or damage to the chief officer of the agency as soon as practicable.
- (2) The chief officer must take all reasonable steps to notify the owner of the property of the loss or damage.
- (3) The chief officer is not required to notify the owner of property under this section until the chief officer is satisfied that notification would not:
 - (a) compromise or hinder the authorised operation; or
 - (b) compromise the identity of a participant in the authorised operation; or
 - (c) endanger the life or safety of any person; or
 - (d) prejudice any legal proceeding; or
 - (e) otherwise be contrary to the public interest.
- (4) If any personal injury occurs in the course of, or as a direct result of, an authorised operation, the principal law enforcement officer for the operation must report the injury to the chief officer as soon as practicable.

Subdivision 3 Mutual recognition

27 Mutual recognition of corresponding authorities

Division 3 Evidence by people in witness protection program

87 Definitions

In this Division:

protected identity, of a protected person, means:

- (a) for a proceeding in which the protected person is or may be required to give evidence under the person's new identity – the person's previous identity; or
- (b) for a proceeding in which the protected person is or may be required to give evidence under the person's previous identity – the person's new identity.

protected person means a person who, having been given a new identity under the TWPP, keeps that identity whether or not the person remains a participant in the program.

TWPP means the Territory witness protection program established and maintained under section 5 of the *Witness Protection (Northern Territory) Act 2002*.

88 Non-disclosure certificates

- (1) If a protected person is or may be required to give evidence in a proceeding in a court, whether under the person's new identity or previous identity, the person must notify the chief officer of the law enforcement agency responsible for the TWPP that the person is, or may be, required to give evidence in the proceeding.
- (2) The chief officer must give a certificate (a ***non-disclosure certificate***) for the protected person in relation to the proceeding, and file a copy with the court.
- (3) A protected person commits an offence if:
 - (a) the person knows that the person may be required to give evidence in a proceeding in a court; and
 - (b) the person fails to notify the chief officer under subsection (1).

Maximum penalty: 50 penalty units.

- (4) In this section:

court means a court (as defined in section 73):

- (a) of the Territory; or
- (b) of another jurisdiction.

89 What non-disclosure certificate must state

- (1) A non-disclosure certificate for a protected person must state:
 - (a) that the person is, or has been, included in the TWPP; and
 - (b) that the person has been given a new identity under the *Witness Protection (Northern Territory) Act 2002*; and
 - (c) that the person has not been convicted or found guilty of any offence other than an offence mentioned in the certificate.
- (2) The non-disclosure certificate must not include information that discloses, or may lead to the disclosure of, the person's protected identity or where the person lives.

90 Effect of non-disclosure certificate

- (1) This section applies if a non-disclosure certificate for a protected person in relation to a proceeding is filed in a court in the Territory.

- (2) In the proceeding:
 - (a) a question must not be asked of a witness, including the protected person, that may lead to the disclosure of the protected person's protected identity or where the protected person lives; and
 - (b) a witness, including the protected person, cannot be required to (and must not) answer a question, give evidence or provide information that discloses, or may lead to the disclosure of, the protected person's protected identity or where the protected person lives; and
 - (c) a person involved in the proceeding must not make a statement that discloses, or may lead to the disclosure of, the protected person's protected identity or where the protected person lives.
- (3) The court may disclose to each party to the proceeding:
 - (a) that the court has been given a non-disclosure certificate for a person who may be required to give evidence in the proceeding; and
 - (b) what the certificate states.
- (4) The court may only disclose what the non-disclosure certificate states in the absence of the jury and the public.
- (5) If the court makes a disclosure about the non-disclosure certificate under subsection (3), the court must also inform the parties of the effect of the certificate.
- (6) This section applies despite any other Act, but subject to section 91.

91 Disclosure of protected person's identity despite certificate

- (1) This section applies if a non-disclosure certificate for a protected person in relation to a proceeding is filed in a court in the Territory.
- (2) A party to the proceeding, or a lawyer assisting the court in the proceeding, may apply to the court:
 - (a) for leave:
 - (i) to ask a question of a witness, including the protected person, that may lead to the disclosure of the protected person's protected identity or where the protected person lives; or

- (ii) for a person involved in the proceeding to make a statement that discloses, or may lead to the disclosure of, the protected person's protected identity or where the protected person lives; or
 - (b) for an order requiring a witness, including the protected person, to answer a question, give evidence or provide information that discloses, or may lead to the disclosure of, the protected person's protected identity or where the protected person lives.
- (3) The court may:
- (a) if an application is made under subsection (2)(a) – give leave for the party or lawyer to do anything mentioned in that subsection; or
 - (b) if an application is made under subsection (2)(b) – make an order requiring a witness to do anything mentioned in that subsection.
- (4) However, the court must not give leave or make an order unless satisfied about each of the following:
- (a) there is evidence that, if accepted, would substantially call into question the protected person's credibility;
 - (b) it would be impractical to test properly the credibility of the protected person without allowing the risk of disclosure of, or disclosing, the protected person's protected identity or where the protected person lives;
 - (c) it is in the interests of justice for the protected person's credibility to be able to be tested.
- (5) If there is a jury in the proceeding, the application must be heard in the absence of the jury.
- (6) Unless the court considers that the interests of justice require otherwise, the court must be closed when:
- (a) the application is made; and
 - (b) if leave is given or an order is made – the question is asked (and answered), the evidence is given, the information is provided or the statement is made.

- (7) The court must make an order suppressing the publication of anything said when:
 - (a) the application is made; and
 - (b) if leave is given or an order is made – the question is asked (and answered), the evidence is given, the information is provided or the statement is made.
- (8) Subsection (7) does not prevent the taking of a transcript of court proceedings, but the court may make an order for how the transcript is to be dealt with, including an order suppressing its publication.
- (9) The court may make any other order it considers appropriate to protect the protected person's protected identity or to prevent the disclosure of where the protected person lives.
- (10) A person commits an offence if:
 - (a) the person engages in conduct; and
 - (b) the conduct results in a contravention of an order made under subsection (7), (8) or (9).

Maximum penalty: Imprisonment for 2 years.
- (11) Subsection (10) does not limit the court's power to punish for contempt.
