PROFESSIONAL STANDARDS ACT 2004

An Act to provide for the limitation of liability of members of occupational associations in certain circumstances and to facilitate improvement in the standards of services provided by those members

Part 1 Preliminary

1 Short title

This Act may be cited as the *Professional Standards Act 2004*.

2 Commencement

This Act comes in to operation on the date, or respective dates, fixed by the Administrator by notice in the *Gazette*.

3 Objects of Act

The objects of this Act are as follows:

- (a) to enable the creation of schemes to limit the civil liability of professionals and others;
- (b) to facilitate the improvement of occupational standards of professionals and others;
- (c) to protect the consumers of the services provided by professionals and others;
- (d) to constitute the Professional Standards Council to supervise the preparation and application of schemes and to assist in the improvement of occupational standards and protection of consumers.

4 Interpretation

- (1) In this Act, unless the contrary intention appears:

another jurisdiction means a State or another Territory.

appropriate Council, in relation to another jurisdiction, means the authority that, under the corresponding law of that jurisdiction, has functions that are substantially the same as the Council's functions under this Act.

business assets means the property of a person that is used in the performance of the person's occupation and that is able to be taken in proceedings to enforce a judgment of a court.

corresponding law means a law of another jurisdiction that corresponds to this Act, and includes a law of another jurisdiction that is declared by the Regulations to be a corresponding law of that jurisdiction for the purposes of this Act.

costs includes fees, charges, disbursements and expenses.

Council means the Professional Standards Council constituted by this Act.

court includes a tribunal and an arbitrator.

damages means:

- (a) damages awarded in respect of a claim or counter-claim or claim by way of a set-off; and
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and
- (c) any interest payable on the amount of those damages or costs.

exercise of a function includes, where the function is a duty, the performance of the duty.

function includes a power, authority and duty.

interstate scheme means a scheme:

- (a) that has been prepared under the corresponding law of another jurisdiction; and
- (b) that operates, or indicates an intention to operate, as a scheme of this jurisdiction.

judgment includes:

- (a) a judgment given by consent;

- (b) a determination of a tribunal; and
- (c) an award of an arbitrator.

occupational association means a body corporate:

- (a) that represents the interests of persons who are members of the same occupational group or related occupational group; and
- (b) the membership of which is limited principally to members of that occupational group or related occupational group.

occupational group includes a professional group and a trade group.

occupational liability means civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of an occupational association acting in the performance of his or her occupation.

scheme means a scheme for limiting the occupational liability of members of an occupational association, and includes an interstate scheme.

this jurisdiction means the Territory.

- (2) A reference in this Act to the amount payable under an insurance policy in respect of an occupational liability includes a reference to:
 - (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
 - (b) the amount payable under or in relation to the policy by way of excess.

5 Exclusions from Act

- (1) This Act does not apply to liability for damages arising from any of the following:
 - (a) the death of or personal injury to a person;
 - (b) any negligence or other fault of a legal practitioner in acting for a client in a personal injury claim;
 - (c) a breach of trust;

- (d) fraud or dishonesty.
- (2) This Act does not apply to liability that may be the subject of proceedings under Part 9, Division 2, Subdivision 3 of the *Land Title Act 2000*.
- (3) This Act does not apply to any cause of action arising under, or with respect to, a contract, or contractual relations, entered into before the commencement of this Act (whether or not the action lies in contract) unless the parties, after the commencement of this Act, vary the relevant contract so as to make express provision for the application of this Act.

6 Act binds Crown

This Act binds the Crown in right of the Territory and, to the extent the legislative power of the Legislative Assembly permits, the Crown in all its other capacities.

Part 2 Limitation of liability

Division 1 Making, amending and revoking schemes

7 Preparation and approval of schemes

- (1) An occupational association may prepare a scheme.
- (2) The Council may, on the application of an occupational association, prepare a scheme.
- (3) The Council may, on the application of an occupational association, approve a scheme prepared under this section.
- (4) A scheme prepared under this section may indicate an intention to operate as a scheme of this jurisdiction only, or of both this jurisdiction and another jurisdiction.

8 Public notification of schemes

- (1) Before approving a scheme, the Council must publish a notice in a daily newspaper circulating throughout the Territory:
- (a) explaining the nature and significance of the scheme;
- (b) advising where a copy of the scheme may be obtained or inspected; and
- (c) inviting comments and submissions within a specified time, but not less than 21 days after publication of the notice.

- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction, the Council must also publish a similar notice in the other jurisdiction in accordance with the requirements of the corresponding law of that jurisdiction that relate to the approval of a scheme prepared in that jurisdiction.

9 Making of comments and submissions concerning schemes

- (1) Any person may make a comment or submission to the Council concerning a scheme of which notice has been published under section 8.
- (2) A comment or submission must be made within the period specified for that purpose in the notice or within any further time that the Council may allow.

10 Consideration of comments, submissions and other matters

- (1) Before approving a scheme, the Council must consider the following:
- (a) all comments and submissions made to it in accordance with section 9;
 - (b) the position of persons who may be affected by limiting the occupational liability of members of the occupational association concerned;
 - (c) the nature and level of claims relating to occupational liability made against members of the occupational association concerned;
 - (d) the risk management strategies of the occupational association concerned;
 - (e) the means by which those strategies are intended to be implemented;
 - (f) the cost and availability of insurance against occupational liability for members of the occupational association concerned;
 - (g) the standards (referred to in section 28) determined by the occupational association concerned in relation to insurance policies;
 - (h) the provisions contained in the proposed scheme for making and determining complaints and imposing and enforcing disciplinary measures against members of the occupational association concerned.

- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction:
 - (a) the Council must also consider any matter that the appropriate Council for the other jurisdiction would have to consider under the provisions of the corresponding law of that jurisdiction that relate to the approval of a scheme prepared in that jurisdiction; and
 - (b) the matters to be considered by the Council, whether under subsection (1) or paragraph (a), are to be considered in the context of each of the jurisdictions concerned.

11 Public hearings

- (1) The Council may conduct a public hearing concerning a scheme if the Council thinks it appropriate.
- (2) A public hearing may be conducted in any manner that the Council determines.

12 Submission of schemes to Minister

- (1) The Council may submit a scheme approved by it to the Minister.
- (2) If the scheme indicates an intention to operate as a scheme of both this jurisdiction and another jurisdiction, the Council may also submit the scheme to the Minister administering the corresponding law of the other jurisdiction.

13 Notification, tabling and disallowance of schemes

- (1) The Minister may notify a scheme approved by the Council (or, if it is an interstate scheme, by the appropriate Council for the jurisdiction in which the scheme was prepared) in the *Gazette*.
- (2) Section 63 of the *Interpretation Act 1978* applies to a scheme notified under subsection (1) as though:
 - (a) the proposed scheme were a proposed rule; and
 - (b) the notification were notification under section 63(3)(a) of that Act.
- (3) Section 57 of the *Interpretation Act 1978* does not apply to a scheme notified under subsection (1).

(4) In this section:

interstate scheme includes an instrument amending an interstate scheme.

Note

This definition applies subsections (1) and (2) to instruments that amend an interstate scheme. Those subsections already apply, because of section 17(5), to instruments that amend a scheme that is not an interstate scheme.

14 Commencement of schemes

(1) A scheme notified in the *Gazette* commences:

- (a) on the day (subsequent to the date of notification) specified in the scheme; or
- (b) if no day is specified – 2 months after the date of notification.

(2) This section is subject to any order of the Supreme Court under section 15(2) and any order of the Supreme Court of another jurisdiction under the corresponding law of that jurisdiction.

(3) This section applies despite section 63(3)(b) of the *Interpretation Act 1978*.

(4) In this section, a reference to a scheme includes, in relation to an interstate scheme, a reference to an instrument amending that scheme.

15 Challenges to schemes

(1) A person who is or is reasonably likely to be affected by a scheme notified in the *Gazette* (including a person who is or is reasonably likely to be affected by a scheme that operates as a scheme of another jurisdiction) may apply to the Supreme Court for an order that the scheme is void for want of compliance with this Act.

(2) The Court may, on the making of the application or at any time before the scheme commences, order that the commencement of the scheme is stayed until further order of the Court.

(3) The Court, in relation to an application, may do any of the following:

- (a) make an order that a scheme is void for want of compliance with this Act;
- (b) decline to make an order referred to in paragraph (a);

- (c) give directions as to the things that are required to be done in order that a scheme, the commencement of which is stayed under this section, may commence;
 - (d) make any other order it thinks fit.
- (4) The Court may not make an order that an interstate scheme is void for want of compliance with this Act on the ground that the scheme fails to comply with Division 2, but may do so on the ground that the scheme fails to comply with the provisions of the corresponding law of the jurisdiction in which it was prepared that relate to the contents of schemes prepared in that jurisdiction.
- (5) This section does not prevent a scheme from being challenged or called into question otherwise than under this section.
- (6) In this section, a reference to a scheme includes, if it is an interstate scheme, a reference to an instrument amending that scheme.

16 Review of schemes

- (1) The Minister may direct the Council to review the operation of a scheme.
- (2) The Council must comply with a direction under subsection (1) but may on its own initiative at any time (whether before or after the scheme ceases to have effect) review the operation of a scheme.
- (3) A review may, but need not, be conducted in order to decide:
- (a) in relation to a scheme prepared under this Act – whether the scheme should be amended or revoked or whether a new scheme should be made; or
 - (b) in relation to an interstate scheme – whether the operation of the scheme should be terminated in relation to this jurisdiction.
- (4) Without limiting subsection (2), the Council may review the operation of a scheme that relates to the members of an occupational association if the association proposes under section 28 an alteration in the standards applying in relation to an insurance policy or kind of insurance policy that would, in the opinion of the Council, result in less stringent standards.

17 Amendment and revocation of schemes

- (1) An occupational association may prepare an instrument amending or revoking a scheme that relates to its members.

- (2) The Council may, on the application of an occupational association, prepare or approve an instrument amending or revoking a scheme that relates to the members of the association.
- (3) The Minister may direct the Council to prepare an instrument amending or revoking a scheme.
- (4) The Council must comply with a direction under subsection (3) but may on its own initiative, at any time while the scheme remains in force, prepare an instrument amending or revoking a scheme.
- (5) Sections 7 to 15 extend (with the necessary changes) to the amendment of a scheme by an instrument under this section.
- (6) Sections 7 to 14, other than section 12(2), extend (with the necessary changes) to the revocation of a scheme by an instrument under this section.
- (7) This section does not apply to an interstate scheme.

Note

An instrument that amends a scheme operating in another jurisdiction may be submitted to the Minister administering the corresponding law of that jurisdiction under section 12 with a view to the instrument being published under that law. An instrument made under the corresponding law of another jurisdiction that amends an interstate scheme may be submitted to the Minister administering this Act with a view to the instrument being notified under section 13.

17A Notification of revocation of schemes

- (1) On notification in the *Gazette* of an instrument revoking a scheme (other than an interstate scheme) that operates as a scheme of another jurisdiction, the Minister must give notice of the revocation to the Minister administering the corresponding law of that jurisdiction.
- (2) On receipt of a notice that an interstate scheme has been revoked under the corresponding law of the jurisdiction in which it was prepared, the Minister must publish a notice of the revocation in the *Gazette*.

Note

Under section 33(1B), an interstate scheme will cease to have effect in this jurisdiction when it ceases to have effect in the other jurisdiction.

17B Termination of operation of interstate schemes in this jurisdiction

- (1) The Council may, on the application of an occupational association, prepare an instrument terminating, in relation to this jurisdiction, the operation of an interstate scheme that relates to members of the association.
- (2) The Minister may direct the Council to prepare an instrument terminating the operation of an interstate scheme in relation to this jurisdiction.
- (3) The Council must comply with a direction under subsection (2), but may on its own initiative, at any time while an interstate scheme remains in force, prepare an instrument terminating the operation of the scheme in relation to this jurisdiction.
- (4) Sections 8 to 13, other than section 12(2), extend (with the necessary changes) to the termination of the operation of an interstate scheme under an instrument under this section.
- (5) The operation of an interstate scheme in respect of which an instrument under this section is notified under section 13, as applied by subsection (4), is terminated in relation to this jurisdiction:
 - (a) on the day (subsequent to the date of notification) specified in the instrument; or
 - (b) if no day is specified – on the day 2 months after the date of notification.

Division 2 Contents of schemes

18 Persons to whom scheme applies

- (1) A scheme may provide that it applies to all persons within an occupational association or to a specified class or classes of persons within an occupational association.
- (2) A scheme may provide that the occupational association concerned may, on application by a person, exempt the person from the scheme.
- (3) A scheme ceases to apply to a person exempted from the scheme as referred to in subsection (2) on and from the date on which the exemption is granted or on and from a later date specified in the exemption.

- (4) Subsection (2) does not apply to a person to whom a scheme applies by virtue of section 19, 20 or 21.

19 Officers or partners of persons to whom scheme applies

- (1) If a scheme applies to a body corporate, the scheme also applies to each officer of the body corporate.
- (2) If a scheme applies to a person, the scheme also applies to each partner of the person.
- (3) However, if an officer of a body corporate or a partner of a person is entitled to be a member of the same occupational association as the body corporate or person but is not a member, the scheme does not apply to the officer or partner.
- (4) In this section:

officer, in relation to a body corporate:

- (a) that is a corporation, within the meaning of the Corporations Act 2001, has the same meaning as in section 82A of that Act; or
- (b) that is not a corporation within the meaning of the Corporations Act 2001, means any person (by whatever name called) who is concerned in or takes part in the management of the body corporate.

20 Employees of persons to whom scheme applies

- (1) If a scheme applies to a person, the scheme also applies to each employee of the person.
- (2) However, if an employee of a person is entitled to be a member of the same occupational association as the person but is not a member, the scheme does not apply to the employee.

21 Other persons to whom scheme applies

If persons are prescribed by the Regulations for section 30(4) as being associated with persons to whom a scheme applies, the scheme also applies to the prescribed persons.

22 Limitation of liability by insurance arrangements

A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court that:

- (a) the person has the benefit of an insurance policy insuring the person against the occupational liability to which the cause of action relates; and
- (b) the amount payable under the policy in respect of that occupational liability is not less than the amount of the monetary ceiling specified in the scheme in relation to the person;

the person is not liable in damages in relation to that cause of action above the amount of the monetary ceiling.

23 Limitation of liability by reference to amount of business assets

A scheme may provide that, if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court:

- (a) that the person has business assets the net current market value of which is not less than the amount of the monetary ceiling specified in the scheme in relation to the person; or
- (b) that:
 - (i) the person has business assets and the benefit of an insurance policy insuring the person against that occupational liability; and
 - (ii) the net current market value of the business assets and the amount payable under the policy in respect of that occupational liability, if combined, would total an amount that is not less than the amount of the monetary ceiling specified in the scheme in relation to the person;

the person is not liable in damages in relation to the cause of action above the amount so specified.

24 **Limitation of liability by multiple of charges**

(1) A scheme may provide that if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court:

- (a) that the person has the benefit of an insurance policy:
 - (i) insuring the person against that occupational liability; and
 - (ii) under which the amount payable in respect of that occupational liability is not less than an amount (the **limitation amount**), being a reasonable charge for the services provided by the person or which the person failed to provide and to which the cause of action relates, multiplied by the multiple specified in the scheme in relation to the person; or
- (b) that the person has business assets the net current market value of which is not less than the limitation amount; or
- (c) that:
 - (i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability; and
 - (ii) the net current market value of the assets and the amount payable under the policy in respect of that occupational liability, if combined, would total an amount that is not less than the limitation amount;

the person is not liable in damages in relation to the cause of action above the limitation amount or, if the scheme specifies a minimum cap determined by the Council for the purposes of the scheme that is higher than the limitation amount, above the amount of the minimum cap so specified.

(2) In determining the amount of a reasonable charge for the purposes of such a provision, a court must have regard to any amount actually charged and to:

- (a) the amount that would ordinarily be charged in accordance with a scale of charges accepted by the occupational association of which the person is a member; or
- (b) if there is no such scale – the amount that a competent person of the same qualifications and experience as the person would be likely to charge in the same circumstances.

- (3) This section does not limit an amount of damages to which a person is liable if the amount is less than the amount specified for the purpose in the scheme in relation to the person.

25 Specification of different limits of liability

A scheme may:

- (a) specify the same maximum amount of liability for all cases to which the scheme applies or different maximum amounts of liability for different cases or classes of case or for the same case or class of case for different purposes; and
- (b) confer a discretionary authority on an occupational association, on application by a person to whom the scheme applies, to specify in relation to the person a higher maximum amount of liability than would otherwise apply under the scheme in relation to the person either in all cases or in any specified case or class of case.

26 Combination of provisions under sections 22, 23 and 24

If, in a scheme, provisions of the kind referred to in section 24 and provisions of the kind referred to in section 22 or 23 (or both) apply to a person at the same time in respect of the same occupation, the scheme must provide that the damages that may be awarded against the person are to be determined in accordance with section 24 but must not exceed the amount of the monetary ceiling specified in relation to the person in the provisions of the kind referred to in section 22 or 23.

27 Liability that cannot be limited by scheme

- (1) A scheme can only affect the liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding such amount (but not less than \$500 000) as is determined for the purposes of the scheme by the Council and specified in the scheme.
- (2) In making a determination, the Council must have regard to:
- (a) the number and amounts of claims made against persons within the occupational association concerned; and
- (b) the need to adequately protect consumers.
- (3) A Council determination applies only to a cause of action that arises after the determination takes effect.

27A Liability in damages not reduced to below relevant limit

The liability in damages of a person to whom a scheme applies is not reduced below the relevant limitation imposed by a scheme in force under this Act because the amount available to be paid to the claimant under the insurance policy required for the purposes of this Act in respect of that liability is less than the relevant limitation.

Note for section 27A

Section 4(2) permits a defence costs inclusive policy for the purposes of this Act, which may reduce the amount available to be paid to a client in respect of occupational liability covered by the policy. This section makes it clear that this does not reduce the cap on the liability of the scheme participant to the client, and accordingly the scheme participant will continue to be liable to the client for the amount of any difference between the amount payable to the client under the policy and the amount of the cap.

28 Insurance to be of requisite standard

- (1) For the purposes of a scheme, an insurance policy must be a policy, or a policy of a kind, that complies with standards determined by the occupational association whose members may be insured under such a policy, or a policy of such a kind.
- (2) While a scheme remains in force relating to its members, if an occupational association proposes to alter the standards previously determined by it in relation to an insurance policy or a kind of insurance policy, it must submit the proposal to the Council for approval.
- (3) The Council may approve, or refuse to approve, a proposal submitted to it under subsection (2).
- (4) If the Council refuses to approve the proposal, the standards remain as previously determined by the occupational association.

Division 3 Effect of schemes

29 Limit of occupational liability by schemes

- (1) To the extent provided by this Act and the provisions of the scheme, a scheme limits the occupational liability, in respect of a cause of action founded on an act or omission occurring during the period when the scheme is in force, of any person to whom the scheme applied at the time when the act or omission occurred.

- (2) A scheme does not limit the liability of a person (the **professional**) to another person (the **client**) if, at no stage before the time when the act or omission giving rise to the cause of action concerned occurred, did the professional:
 - (a) give, or cause to be given, to the client a document that carried a statement of a kind referred to in section 34(1); or
 - (b) otherwise inform the client, whether orally or in writing, that the professional's liability was limited in accordance with this Part.
- (3) Subsection (2) does not affect any limitation of the liability of a professional to a person other than the client.
- (4) The applicable limitation of liability is the limitation specified by the scheme as in force at the time when the act or omission giving rise to the cause of action concerned occurred.
- (5) A limitation of liability that, in accordance with this section, applies in respect of an act or omission continues to apply to every cause of action founded on it, irrespective of when the cause of action arises or proceedings are brought in respect of it, and even if the scheme has been amended or has, in accordance with section 33, ceased to be in force.
- (6) A person to whom a scheme applies cannot choose not to be subject to the scheme, except in accordance with provisions included in the scheme under section 18(2).

30 Limitation of amount of damages

- (1) A limitation imposed by a scheme in force under this Act of an amount of damages is a limitation of the amount of damages that may be awarded for a single claim and is not a limitation of the amount of damages that may be awarded for all claims arising out of a single event.
- (2) Claims by a number of persons who have a joint interest in a cause of action are to be treated as a single claim for the purposes of this Act despite the fact that they may also have several interests.
- (3) Two or more claims by the same person arising out of a single event against persons to whom a scheme in force under this Act applies and who are associated are to be treated as a single claim for the purposes of this Act.
- (4) Persons are associated if they are:
 - (a) officers, within the meaning of section 19, of the same body corporate;

- (b) partners, employees of the same employer or in the relationship of employer and employee; or
- (c) persons who are prescribed by the Regulations for the purposes of this subsection.

31 Effect of scheme on other parties to proceedings

A scheme does not limit the liability of a person who is a party to proceedings if the scheme does not apply to the person.

32 Proceedings to which scheme applies

A scheme in force under this Act applies to proceedings relating to an act or omission that occurred after the commencement of the scheme.

33 Duration of scheme

- (1) A scheme must specify the period (not exceeding 5 years) for which it is to remain in force after its commencement.
- (1A) Subject to subsection (2), a scheme (other than an interstate scheme) remains in force until:
 - (a) the period specified under subsection (1) ends; or
 - (b) the scheme is revoked; or
 - (c) the scheme's operation ceases because of the operation of another Act; or
 - (d) the scheme is declared void, either by an order made by the Supreme Court under section 15 or by an order made by the Supreme Court of another jurisdiction under the corresponding law of that jurisdiction; or
 - (e) the scheme is disallowed under section 63 of the *Interpretation Act 1978*.
- (1B) Subject to subsection (2), an interstate scheme remains in force in this jurisdiction until:
 - (a) the period specified under subsection (1) ends; or
 - (b) the scheme's operation in relation to this jurisdiction is terminated under section 17B; or
 - (c) the scheme ceases to have effect in the jurisdiction in which it was prepared; or

- (d) the scheme is disallowed under section 63 of the *Interpretation Act 1978*.
- (2) The Minister may, by notice published in the *Gazette*, extend the period for which a scheme is in force.
- (3) The notice must be published on or before the day when the original period ends.
- (4) Only one extension may be effected under subsection (2) in respect of any particular scheme, and the maximum period of such an extension is 12 months.
- (5) The period for which a scheme is to remain in force, as determined by the Council under subsection (1) before the commencement of the *Professional Standards Amendment (Mutual Recognition) Act 2008*, is taken to be specified in the scheme.

34 Notification of limitation of liability
