## **Part II                      Adulteration, labelling and false description of foods or drugs**

### **6                      Conditions of adulteration**

A food or drug shall be deemed to be adulterated:

- (a) if it contains or is mixed with any substance in any quantity or in any proportion which diminishes in any manner its nutritive or other beneficial properties compared with the same in a pure and normal state and in an undeteriorated and sound condition or which in any manner operates or may operate to the prejudice or disadvantage of the purchaser or consumer;
- (b) if it contains or is mixed or diluted with any substance of lower commercial value than the same food or drug in a pure and normal state and in an undeteriorated and sound condition;

- (c) if any substance, constituent or ingredient has been wholly or in part extracted, abstracted or omitted from it, and as a result its nutritive or other beneficial properties are less than those of the same food or drug in its pure and normal state, or the purchaser or consumer is or may be in any manner prejudiced or disadvantaged;
- (d) if, either wholly or in part, it does not comply with the prescribed standard;
- (e) if it contains anything, the use of which is prohibited by this Act;
- (f) if it contains any substance in excess of the prescribed quantity or proportion of such substance;
- (g) if it is mixed, coloured, powdered, coated, stained or treated in any manner whereby damage, deterioration, inferiority or true character or quality is or may be concealed;
- (h) if it consists wholly or in part of, or is mixed with, any filthy, decomposed or putrid animal or vegetable substance or of any portion of an animal or vegetable unfit for use as or in a food or drug, whether manufactured or not, or it has not been sufficiently cleaned or purified;
- (i) if it is the product of a diseased animal, or of one which has died otherwise than by slaughter;
- (j) if it is damaged, deteriorated or perished;
- (k) if, being a food, it contains methyl alcohol or, not having paid Excise duty, it contains more than 2% of proof spirit; or
- (l) if another substance has been substituted, wholly or in part, for such food or drug:

Provided that in any proceeding under this Act for selling a food or drug to which paragraph (a) or paragraph (b) applies, the food or drug shall not be deemed to be adulterated if it is sold as a mixture in the prescribed manner:

Provided further that spirits shall not be deemed to be adulterated where they are diluted with water if such dilution, being estimated by Sykes' hydrometer, has not reduced the spirits more than 35 degrees under proof for brandy, whisky, rum, schnapps, unsweetened gin, or other unsweetened spirits, or 45 degrees under proof for sweetened gin or other sweetened spirits.

## 7 Labelling of packages

- (1) Except in the case of packages exempted by the Minister by notice in the *Gazette*, there shall be legibly and durably printed, stencilled, impressed or marked on or attached to every package containing any food or drug a label which shall set out the following particulars, and shall, if so required elsewhere in this Act be of the prescribed form and kind:
- (a) in the case of a package of any food or drug:
    - (i) the trade name or description;
    - (ii) the net weight or number or true measure or volume of the contents of the package;
    - (iii) the name and business address of the manufacturer or packer or vendor of the contents of the package;
    - (iv) the place of manufacture within Australia or the country of origin outside Australia; and
    - (v) any other prescribed particulars, directions, statements, information or words;
  - (b) in the case of a package of any food:
    - (i) whether the contents of the package are compounded, imitated, mixed or blended;
    - (ii) whether in such food any substance used in the preservation thereof is present, and, if so, the nature and the quantity or proportion of the substance; and
    - (iii) whether any colouring or flavouring is present in such food and, if so, the nature of such colouring or flavouring; and
  - (c) in the case of any package containing any specified drug or any compound or mixture of which any specified drug forms a part – the name of the specified drug and the quantity or proportion thereof in the package or the compound or mixture.
- (2) In this section, **specified** means specified by the Minister by notice in the *Gazette*, and **packer** means any person or body of persons causing the contents of any package to be packed therein.

**8 False description**

A food or drug shall be deemed to be falsely described:

- (a) if it is in a package, and:
  - (i) the contents of the package as originally put up have been removed in whole or in part, and other contents have been placed in the package; or
  - (ii) it fails to bear on the package, or on a label on or attached thereto, a statement of the quantity or proportion of any morphine, opium, cocaine, heroin, alpha-eucaine or beta-eucaine, chloroform, cannabis indica, chloral hydrate, acetanilide, phenacetin or any soporific or hypnotic substance or any derivative or preparation or any such substances contained therein; or
  - (iii) the package or any label on or attached thereto or any advertisement, circular or sign relating thereto bears a statement, word, brand, mark, design or device regarding the nature, quality, strength, purity, composition, origin, age or proportion of the food or drug, which is false or misleading in any particular;
- (b) in the case of imported goods, if it has not applied thereto the trade or other descriptions as required for its importation under any law of the Commonwealth for the time being in force, or if it has applied thereto a false trade or other description within the meaning of any such law;
- (c) if it is an imitation of or is offered for sale under the distinctive name of another food or drug;
- (d) if it is labelled or marked so as to deceive, or as to be likely to deceive or mislead the purchaser, or purports to be an imported article when it is not such;
- (e) if it is sold under a name which conveys or is likely to convey a false indication of origin, character or place of manufacture, or to lead the purchaser to suppose that it is any other food or drug or product thereof; or
- (f) if it is not packed and labelled in the prescribed manner.

**9 Standard for drugs**

Any drug sold under any name included in the British Pharmacopoeia which does not comply with the description given of, and tests specified for, such drug in the British Pharmacopoeia shall, unless such drug is included in a list of exceptions published in the *Gazette* under the authority of the Minister, be deemed to be a drug which is not of the substance of the drug demanded by the purchaser.

**Part III Sale of foods and drugs****10 Selling by self or agent**

Any person shall be deemed to sell any food, drug or article, who sells the same either on his own account, or as the agent or servant of any other person.

**11 Sale of adulterated food an offence**

Any person who sells any food or drug which is adulterated or falsely described or which is packed or enclosed for sale or labelled in any manner contrary to this Act shall be guilty of an offence.

**12 Sale under certain conditions an offence**

Any person who:

- (a) mixes, or causes or permits to be mixed for purposes of sale, with any food any ingredient or material which the Minister, by notice in the *Gazette*, declares to be an injurious ingredient or colour, or causes or permits to be coloured any food with any ingredient or material so declared to be injurious, or sells any food so mixed or coloured;
- (b) mixes or causes or permits to be mixed for purposes of sale, any ingredient or material with any drug or colour, or causes or permits to be coloured any drug so as to affect injuriously the quality or potency of such drug, or sells any drug so mixed or coloured;
- (c) mixes or causes or permits to be mixed for purposes of sale any ingredient or material with any food or drug in order thereby fraudulently to increase its weight, bulk or measure, or to conceal its inferior quality;

- (d) sells any food or drug mixed with any ingredient or material whereby the weight, bulk or measure of such food or drug has been fraudulently increased, or its inferior quality concealed;
- (e) sells any food or drug which is not of the nature, substance or quality of the food or drug demanded by the purchaser; or sells any quantity of food or drug less in weight or measure than the weight or measure or number demanded and paid for by the purchaser; or
- (f) sells any compounded food or drug which is not composed of ingredients in accordance with the demand of the purchaser,

shall be guilty of an offence.

### **13 Certain contentions not a defence**

In any prosecution under this Act, it shall be no defence to prove that:

- (a) the food or the drug, the subject of the prosecution, though defective in nature or in substance or in quality, was not defective in all 3 respects; or
- (b) the purchaser, having bought only for analysis, was not prejudiced by such sale.

### **14 Contents of mixture must be pure**

- (1) When any person sells a food or drug which is a mixture, the ingredients shall be pure and in an undeteriorated and sound condition.
- (2) The vendor shall deliver the mixture to the purchaser in a package, on or attached to which is a label stating that the food or drug is a mixture and the names of the ingredients legibly and uniformly written and the names and proportions of the ingredients as prescribed.
- (3) Notwithstanding anything contained in subsection (2), except in respect of a food or drug designated as a fever mixture or claiming to be effective for the treatment of malaria or fever, it shall not be necessary to supply a label in the case of:
  - (a) a food or drug generally known to users as a compounded article or a drug not recognized by the British Pharmacopoeia, if the food or drug is mixed with any ingredient or material not injurious to health and not intended fraudulently to increase its bulk, weight or measure, or to conceal its inferior quality;

- (b) a drug supplied by prescription or order signed by a registered medical practitioner for his patient, or a drug compounded and supplied by a registered pharmaceutical chemist; or
  - (c) a mixture exempted from this section by the Minister by notice published in the *Gazette*.
- (4) Any person who sells any food or drug which is a mixture in respect of which this section has been contravened or has not been complied with, shall be guilty of an offence.

### **15 Prohibition of sale of injurious drugs**

- (1) The Minister may, by notice in the *Gazette*, prohibit the advertising or sale of:
- (a) any drug; or
  - (b) any article or apparatus to be useful or efficacious in relieving human suffering, or in curing, overcoming or alleviating any physical defect,

which, in his opinion, is injurious to life or health, or which, by reason of its inactivity or inefficiency, is useless for the advertised purposes:

Provided that no such notification shall be made until a reasonable opportunity has been given to the manufacturer, importer, vendor or owner of such drug or article, or his agent, to place his objections to the proposed notification before the Minister.

- (2) Any person who advertises or sells any drug or article in contravention of any such notification and any person who prints any advertisement so notified, and any proprietor or manager of a newspaper or other public print who publishes any advertisement so notified, shall be guilty of an offence:

Provided that nothing in this subsection shall apply to the advertisement of drugs in bona fide trade journals or price lists by or on behalf of manufacturers to the retail trades only, or to the sale of drugs supplied by prescription or order signed by a registered medical practitioner or by him given to his patient or to any other person on behalf of such patient.

**16 Forbidding impurities in utensils**

A person shall not, unless as prescribed, sell or offer for sale or use in the manufacture, preserving, storage or transit of any food for any purposes of sale any cooking utensil or any appliance:

- (a) consisting wholly or in part of lead or of any metal alloy containing more than 10% by weight of lead;
- (b) soldered (where in contact with any food) with a metal alloy containing more than 10% by weight of lead;
- (c) tinned inside with a metal alloy containing more than 1% by weight of lead;
- (d) containing enamel, glaze, indiarubber or gutta-percha which, on boiling for 30 minutes with dilute acetic acid containing 4% by weight of acetic acid yields lead to the latter; or
- (e) containing more than one-fourth of a grain of arsenic per pound of metal alloy, enamel, glaze, india-rubber or gutta-percha.

**17 Forbidding use of certain toxic substances**

A person shall not sell:

- (a) any toy; or
- (b) any wallpaper, decorative paper or paper serviettes, or paper used in the enclosure of any food for sale,

in or upon which there is any paint, colour, facing, dressing, size or varnish containing arsenic or antimony in any form or compound.

**18 Sale of disinfectants and proprietary remedies**

- (1) The Minister may, by notice in the *Gazette*, prohibit the sale of:
  - (a) any substance or compound as a disinfectant, germicide, antiseptic or preservative; and
  - (b) any patent or proprietary medicine which the Chief Health Officer certifies to be deleterious to health.
- (2) Any person who sells any substance, compound or medicine in contravention of this section shall be guilty of an offence.

- (3) For the purposes of this section, ***patent or proprietary medicine*** means any medicine or medicinal preparation for external or internal use which the maker or vendor has any exclusive right to make under the authority of letters patent, or which is recommended to the public by advertisement, price list, handbill or label for the prevention, cure or relief of any human ailment or physical defect.
- (4) The Chief Health Officer may require such information or directions concerning disinfectants, germicides, antiseptics or preservatives, as he deems fit to be set out on labels attached or affixed to packages containing the same.
- (5) Any person who sells or exposes for sale any substance or compound under the name or description of, or with intent that it may be used as, a disinfectant, deodorizer, germicide, preservative, antiseptic, sanitary powder or sanitary fluid, without disclosing the name or names of such substance or compound, and the percentage of the active ingredients contained in the same, by a label distinctly and legibly written and printed on or with the substance or compound, shall be guilty of an offence.

## **19 Examination of foods, drugs or appliances**

- (1) The Chief Health Officer may cause to be examined any food, drug, article or appliance which is advertised, exhibited or offered for sale, for the purpose of ascertaining its composition and properties, and shall compare the results of the examination with any advertisement which relates to the food, drug, article or appliance, and with the price at which it is sold, and shall prepare and forward to the Minister a report thereon, and such report may include any comment which the Chief Health Officer thinks desirable in the public interest.
- (2) The Chief Health Officer may, thereupon, with the approval of the Minister, cause the report to be published in any newspaper or public print which circulates within the Territory, and to be distributed among the public in any other way, and no action or legal proceeding shall be brought or instituted for or on account of or in respect of any such publication.
- (3) Any proprietor or manager of a newspaper or public print may republish any such report and no action or legal proceeding shall be brought or maintained against such proprietor or manager for or on account of or in respect of the re-publication.

- (4) In this section **appliance** includes any instrument or contrivance which is advertised, exhibited or offered for sale as of use for curative purposes.

## **20 Standards for drugs**

- (1) In any proceeding under this Act with respect to any food or drug, the standard prescribed by this Act shall be the standard, or if no such standard is pre-scribed in respect of any drug, the standard specified in the British Pharmacopoeia shall be taken as the standard.
- (2) Any inspector, authorized officer or purchaser of any food or drug for which a standard exists shall, in the absence of proof to the contrary, be deemed to have demanded the standard quality of such food or drug.

## **Part IV Powers of inspection and sampling**

### **21 Powers of inspection and sampling**

- (1AA) For the purposes of this Act, an Inspector or authorized officer may, at any time enter and inspect any place.

- (1) Without limiting the generality of subsection (1AA), an Inspector or authorized officer may:

- (a) enter and inspect any place, other than a private dwelling-house where food is not prepared for sale, at, in or upon which he has reasonable ground for believing there may be an article:

- (i) which is, or is likely to be used:

(A) as food; or

(B) in the making, manufacture, sale, storage, delivery, conveyance or preparation of food; or

- (ii) the sale of which is prohibited under this Act,

and may inspect any such article;

- (b) inspect any article used, or which he has reasonable ground for suspecting is intended to be used, as a food or drug, or which he has reasonable ground for suspecting is an article, the sale of which is prohibited under this Act, and which is being conveyed through or on any street, or by railway or

other means of transit, apparently for the purposes of trade, sale or delivery;

- (c) examine and open any such article or any package enclosing the same in any place;
- (d) remove for examination or analysis any such article or portions or samples of any such article;
- (e) inspect and for that purpose, where deemed necessary, open up, take apart, and test any appliance or utensil used in the manufacture, preparation, storing, preservation, packing, delivering or serving of any food or drug;
- (f) seize any such article, appliance or utensil which is, or appears to him to be, injurious or unwholesome or unfit for use, or to be an article, the sale of which is prohibited under this Act, and any package enclosing or containing the same;
- (fa) direct or cause a person who is, or whom he believes on reasonable grounds to be, in charge of an aircraft, vehicle or vessel used for the transportation of food, to make the aircraft, vehicle or vessel and its contents available for inspection by an Inspector;
- (fb) direct the person in charge of an aircraft, vehicle or vessel, which he believes on reasonable grounds was, or is being, used for transporting food otherwise than in accordance with this Act or the Regulations, to take the aircraft, vehicle or vessel to, and remain at, a place specified by the Inspector;
- (fc) confiscate, condemn, destroy or dispose of any food which is defective, diseased, contaminated or unfit for human consumption or which he believes on reasonable grounds is defective, diseased, contaminated or unfit for human consumption and issue a prescribed certificate in relation to that food; and
- (g) without limiting the foregoing powers, enter any licensed or registered premises where spirits are sold, and with or without purchasing or taking any quantity, test the alcoholic strength of such spirits.

(1A) A person shall not:

- (a) refuse to permit an inspector or authorized officer to exercise;
- (b) prevent an inspector or authorized officer from exercising; or

- (c) hinder an inspector or authorized officer in the exercise of, a power conferred by subsection (1).
- (1B) Where an Inspector incurs any expense in pursuance of subsection (1)(fc), the amount of the expense may be recovered from the owner of the food as a debt due and payable by him to the Territory.
- (3) An inspector or authorized officer taking and removing for analysis any article of food or drug shall at the time notify his intention of having the article analysed to any person then present who is the owner or his agent or servant, or to any person who is in charge of the article.
- (4) Upon declaration by an inspector or authorized officer that any sample is being taken for purposes of examination or analysis under this Act, the sample when taken by the inspector or authorized officer shall be regarded for all purposes of this Act as having been sold or offered for sale.
- (6) The inspector or authorized officer having taken any sample shall divide it into 3 parts, and shall label or mark and seal or fasten up each part in such manner as its nature permits, and shall then deliver one of the parts to the owner, agent, servant or person in charge of the article, shall retain one of the parts for future comparison, and shall submit the third part to an analyst appointed by the Minister:

Provided that when any article is contained in a bottle, tin or other package in such quantity that its division into 3 parts would furnish portions insufficient for accurate analysis, additional bottles, tins or packages which purport to contain a similar food or drug under the same brand or label, may be taken or obtained, and the contents of 2 or more bottles, tins or packages may be mixed together and the mixture divided as pre-scribed.

- (7) Any certificate issued by any analyst appointed by the Minister shall be deemed to be sufficient evidence in any Court as to the facts therein stated.
- (8) In the case of any food or drug or article having been removed or seized by any inspector or authorized officer in accordance with this section, other than food confiscated under subsection (1)(fc), the inspector or authorized officer shall forthwith deliver or forward a portion marked and sealed or fastened up in such a manner as its nature permits to the consignor or manufacturer thereof if his name and address are on or attached to the food or drug or article or any package enclosing or containing the same, and if the address is in

the Territory; otherwise, the portion shall be delivered or forwarded to the owner of the article seized or the person in whose possession it has been found:

Provided that where the article removed or seized is liable to decomposition the inspector or authorized officer may, in lieu of delivering or forwarding the article as prescribed, forthwith place the same in cold storage, and shall thereupon notify that fact to the consignor, manufacturer, owner or person in whose possession it has been found.

## **21A LIABILITY FOR ACTS**

Where an Inspector does an act or makes an omission in good faith:

- (a) in the exercise or purported exercise of a power; or
- (b) in the performance or purported performance of a function,

under this Act, no action, claim or demand, either civil or criminal, in respect of that act or omission lies, or shall be commenced or allowed, against the Crown, Chief Health Officer or an Inspector.

## **Part V Protection of food and drugs from contamination**

### **22 Handling of food by infected persons**

Any person who is:

- (a) suffering from any infectious disease, skin eruption or venereal disease; or
- (b) wearing unclean or medicated bandages,

shall not engage in or be employed in the manufacture, manipulation, preparation, handling, storage or sale of food or drugs.

### **23 Examination of persons handling food**

- (1) The Chief Health Officer or an authorized medical practitioner may examine any person so employed who is suspected of suffering from any infectious or contagious disease, and any person who refuses to submit to such examination on being required by an inspector or authorized officer so to do, or to any process of clinical or bacteriological examination ordered in writing by the Chief Health

Officer, shall be guilty of an offence.

- (2) When, as the result of any such examination, it has been ascertained that any such person, is liable to convey the germs of disease to a consumer of any food or drug, the Chief Health Officer may by order in writing direct that any such person shall forthwith discontinue or refrain from any work connected with the preparation, handling, serving, delivering or other dealing with any article of food or drug for sale and discontinue or refrain from any handling or other dealing with any utensil or receptacle in which, or on which, any such food or drug is kept or served, and that he shall not resume any such work until he receives from the Chief Health Officer written permission so to do.
- (3) Any person who fails to comply with any order of the Chief Health Officer given in pursuance of subsection (2) or who resumes any such work before he is authorized in writing by the Chief Health Officer so to do shall be guilty of an offence.

#### **24 Cleanliness of persons**

Every person who is engaged in the manufacture, preparation, storage, packing, carriage or delivery of food or drugs for sale shall, when so engaged, maintain his clothing and his body clean.

#### **25 Offensive habits forbidden**

Any person who spits or chews or smokes tobacco while engaged in the manufacture, packing or storing of any food or drug for sale, or in any place used for the manufacture or preparation of such food or drug, shall be guilty of an offence:

Provided that this section shall not apply to the packing or storing of any food or drug which is enclosed in an hermetically sealed container.

#### **26 All appliances to be kept clean**

Every person who is in possession of any food or drug for sale, or who is engaged in the manufacture, preparation, storage, package, carriage or delivery of any food or drug for sale, shall keep all receptacles, implements, vehicles, articles, utensils, tools of trade, benches, fittings, machinery and other appliances used for or in connexion with food or drugs for sale, clean, free from dust, foul odours, flies or other insects.

**27 Places for keeping food must be clean**

A person shall not sell food or manufacture, prepare, serve, pack, store or offer or expose for sale any article of food or a drug:

- (a) in any place which is at any time used as a sleeping apartment, or which is in direct communication with a sleeping apartment, or with any stable, urinal, privy or water-closet;
- (b) in any place in which anything is kept, or any animal is allowed to be, or any work is carried on, whereby such article of food or drug is liable to be contaminated or its wholesomeness or cleanliness injuriously affected; or
- (c) in any place the use of which for this purpose has been prohibited by the Chief Health Officer in writing.

**28 Vehicles and receptacles must be clean**

A person shall not use any receptacle or any vehicle which is not clean in the carriage or delivery of any food or drug for sale, or use any such receptacle or vehicle for the carriage or containing of any matter whereby the wholesomeness, cleanliness and freedom from contamination of any food or drug for sale carried or contained or usually carried or contained in the vehicle or receptacle, would or might be endangered.

**29 Protection from dust, insects, &c.**

- (1) Every person who sells any food which is ordinarily consumed in the state in which it is sold shall protect such food, until it is delivered to a purchaser, from dust, flies or other insects, or any unwholesome matter by storage in covered receptacles, by covering with gauze, or by other effectual means.
- (2) A vendor shall not carry any food through any street unless it is protected in accordance with subsection (1).

**30 Packing material must be clean**

**81            Carriers to be provided**

Every person engaged in the business of selling ice shall provide every employee with a tray or carrier of approved material or with metal tongs for the purpose of carrying ice between the delivery cart and premises of the purchaser, and the tray, tongs or carrier shall be maintained by the employee at all times in a clean, serviceable and wholesome condition.

**82            Ice in contact with other food substance not to be sold**

A person shall not sell or offer for sale ice which has been in contact with any other food substance.

**83            Ice to be deemed adulterated**

Any ice subjected or exposed to contamination in contravention of the provisions of this Act, or conveyed or delivered contrary to the prescribed conditions, shall be deemed to be adulterated.

**84            Protection from dust**

- (1) Every vehicle used in the transportation or delivery of ice for sale shall be so constructed and equipped as to protect the contents from contamination by dust or otherwise, and shall be so maintained as to be at all times free from lumber and in a clean, wholesome condition.
- (2) A person shall not carry ice for sale upon the exterior portion of any vehicle unless the exterior portion is enclosed in a manner to the satisfaction of an inspector.

**Division 3            Aerated waters, beverages, &c.**

**85            Aerated water factories    Conditions to be observed**

The owner of any premises used for the manufacture or preparation for sale of aerated waters, syrups and cordials, summer or temperance drinks or similar beverages shall comply with the following conditions:

- (a) all tanks (or other receptacles) used for the storage of water which is intended to be used in the manufacture of cordials or beverages, shall be provided with impervious tightly fitting covers, which shall always be kept tightly closed; the tanks or other receptacles shall be emptied and cleansed throughout at least twice in every 12 months, and oftener if directed in writing by an inspector;

- (b) filtering apparatus shall be of a type approved by the Chief Health Officer, and shall be maintained at all times in good order and condition and in a state of efficient action, and the filtering medium shall be cleansed and boiled at least once weekly;
- (c) between each time of filling, bottles shall be soaked in a trough of water, thoroughly cleansed out with a brush, well rinsed by being placed in a vertical position over a jet of water, inspected and drained after rinsing and before filling;
- (d) if bottles are not filled within 24 hours after being cleansed, they shall be kept mouth downwards until used;
- (e) the water in which bottles are soaked before they are brush-cleaned shall be changed at least once daily;
- (f) any pipe made wholly or in part of lead shall not be used for conveying any part of the materials, either gaseous or liquid, which enter into the composition of cordials or beverages for sale;
- (g) syrups shall be stored only in well-made impervious receptacles with impervious tight fitting covers;
- (h) all receptacles in which syrups are stored shall be cleansed thoroughly with hot water and soda, or with superheated steam, at least once a fortnight;
- (i) employees shall be cleanly in their habits, person and clothing, and shall not smoke or spit within the factory premises; and
- (j) sanitary accommodation to the satisfaction of the Chief Health Officer and adequate ablutionary accommodation (for both sexes if necessary) shall be provided for the use of employees; and the sanitary conveniences shall be maintained at all times in a condition to the satisfaction of the inspector.

**86 Soda fountains Conditions to be observed**

The owner of every soda fountain from which beverages are offered for sale, or in which materials entering into the composition of food for sale are kept, stored or prepared for sale, shall ensure that the following conditions are observed:

- (a) the soda fountain shall be constructed of durable non-absorbent material, and shall be so placed and fitted that every part of the interior and exterior thereof is readily accessible for cleaning purposes;
- (b) the apparatus body shall be durable, sound and free from leaks, and the body and the cabinets shall be kept at all times in a scrupulously clean and sanitary condition;
- (c) every waste pipe from a soda fountain shall be of such size as to permit of a free flow and shall be so placed as to allow of ready cleansing. It shall be kept at all times sweet and clean and free from any accumulation of grease or other offensive matter. A waste or overflow pipe from a soda fountain shall not be connected directly with a drain or sewer, but every such waste pipe shall be discharged over a trapped gully, or over an open channel leading to a trapped gully, and, in addition, shall itself be trapped immediately beneath the apparatus;
- (d) any syrup-pump, tap, faucet, tank, fountain, carbonator or vessel or any pipe or conduit used in connexion with a soda fountain shall not be composed either wholly or in part of lead, or of other metal or metallic substance which, in the opinion of the Chief Health Officer, is unwholesome, dangerous or detrimental to health. All metal parts shall be kept at all times in a satisfactory condition, and when any such part becomes worn or acted upon by acids, it shall be immediately withdrawn from use until replated or renewed;
- (e) every syrup container, bowl, jar, bottle and other receptacle used in connexion with the soda fountain shall be kept clean, and shall be thoroughly washed before being refilled;
- (f) glasses and plate shall be kept clean;
- (g) drainage boards, sinks and shelves, on which glasses are placed, shall be kept clean;
- (h) adequate means of washing glassware and silver-ware shall be provided and used, and at fountains from which ice-cream or ices are served, the washing shall be performed with hot water, and a final rinsing with clean cold water shall ensue;

- (i) dishers or servers for serving ice-cream or ices shall be made of an approved metal or metallic substance free from lead, shall be sanitary in construction, with parts so fixed as to be readily removable for cleansing. Dishers or servers for serving ice-cream or ices when not in actual use shall be kept in a bowl of clean water;
- (j) every jar, syrup container, bowl, packer, and all drinking straws, and other articles used in connexion with the dispensing of food from a soda fountain shall be covered at all times in such a manner as to protect effectively them and their contents from contamination by flies or dust;
- (k) at every soda fountain from which any imitation cordial or syrup is dispensed, or from which any cordial or syrup containing any artificial colour or any preservative is issued for sale, a placard bearing the following particulars shall be prominently displayed in a position approved by an inspector:

"The syrups [or, alternatively, such syrups as are individually named] used at this soda fountain are imitation, preservatized with [here insert the name of the preservative and the proportion in which it is present]".

"The syrups used at this soda fountain are artificially coloured", or, as the case requires.

Such particulars shall be printed on the placard in bold-faced sans-serif capital type of not less than 30 points face-measurement in such colours as to afford a distinct colour contrast to the ground of the placard;
- (l) every glass-towel, dish-cloth or other article used for the like purpose, in use at soda fountains shall be clean and wholesome;
- (m) every soda fountain dispenser or operator shall when on duty at such fountain wear a clean white coat or other white outer garment, and shall at all times maintain his person and clothing in a cleanly state;
- (n) beverages containing any drug specified by the Minister by notice in the *Gazette*, shall not be dispensed from any soda fountain unless by a registered pharmaceutical chemist; and packages containing any such drug shall not be kept upon the fountain or upon the shelf, counter or other place used in connexion therewith unless a registered pharmacist is in charge of the apparatus; and

- (o) the keeper of a soda fountain shall provide and keep a sufficient number of impervious receptacles, provided with close-fitting covers, for the reception of waste material and scraps, and such waste material and scraps shall not be placed elsewhere than in the receptacles, which shall be kept at all times in a sanitary condition and covered when not in actual use.

- (2) Stables shall not be situated in close proximity to any premises used as a bakehouse.

##### **88            Duties imposed on owners of bakehouses**

The owner of any bakehouse shall:

- (a) cause every pan, trough, machine, apparatus, appliance, receptacle, utensil and thing used in the bakehouse to be kept in a thoroughly clean and wholesome condition;

- (b) cause every person working in the bakehouse to wear a white apron and clean and sufficient clothing, and shall dress himself accordingly if he takes any part in any operation conducted therein or connected therewith;
- (c) cause flour stocks to be stored only in dry well-ventilated places and shall cause the same and all other bakehouse stores to be kept in such a place and manner as to ensure their protection from dust, rats, mice and other vermin, and any other cause liable to cause spoilage or deterioration, of any such goods;
- (d) cause each barrel, box, tub, cask, trough, machine, appliance, apparatus and utensil containing any food or food material to be kept clean and to be closely covered when not in actual use;
- (e) cause every trough to be scraped and cleaned after each occasion of use, and shall not allow dough scraps or particles to remain therein or thereon;
- (f) cause every floor to be kept clean and free from caked flour and grease, and for such purpose shall have every floor regularly scraped and scrubbed;
- (g) provide for the use of employees an adequately equipped wash-room and a plentiful supply of potable water, soap and clean towels, and a place in which employees can change and keep their clothing;
- (h) provide adequate sanitary accommodation for the use of employees, and, where females are employed, separate sanitary accommodation for the use of such females, in a location and manner satisfactory to an inspector;
- (i) cause every wash-room, change-room and sanitary convenience to be kept in a clean and sanitary condition and free from refuse or lumber;
- (j) not permit any horse or poultry to be at large in any yard of or on any bakehouse premises, and on any such premises on which a horse is stabled he shall provide a properly-constructed and covered manure bin into which he shall cause to be placed daily all animal droppings;
- (k) cause such manure bin to be kept covered when not in actual use, and to be emptied of its contents at least once weekly; and

- (l) ensure that every vehicle used in the carriage or delivery of bread for sale shall be kept at all times clean and free from refuse material of any kind.

## **89 Employees in bakehouses prohibited from doing certain acts**

Any person employed in any bakehouse shall not:

- (a) place any bread, cakes, pastry or any other food upon the ground or floor, or upon any place other than a bench, shelf or rack well above the ground or floor and kept for the purpose;
- (b) sit or lie on any table, bench or trough, or upon any other place on which food is prepared, handled or kept;
- (c) spit, smoke or chew tobacco in any bakehouse when any work connected with the preparation of food for sale is being performed;
- (d) use any bakehouse for any purpose other than that connected strictly with the preparation and baking of food;
- (e) keep or have in or suffer or permit to be in any bakehouse any dog, bird or poultry;
- (f) use any kerosene, petrol or other tin receptacle of a like description for the purpose of holding yeast;
- (g) use or suffer to be used for covering dough or for working dough upon, any bag or sack, or material other than that approved by the Chief Health Officer and which material is kept solely for the purpose and is maintained at all times in a clean condition; or
- (h) fail to observe due cleanliness of person or habits, or neglect to wash his hands before commencing work or before resuming work after visiting the sanitary convenience or urinal, or neglect to use or misuse any convenience provided by his employer for the protection of food from contamination.

## **Division 5 Meals and cooked meats**

### **90 Unsound food**

- (1) The owner of any hotel, cafe, restaurant, cooked meat shop or refreshment room shall not have in his possession any unsound food or use or suffer to be used in the preparation of food for sale any tinned milk, fruit, jam, fish or other packed article which is "blown" or which upon opening shows any signs of decomposition,

fermentation or alteration in appearance of contents.

- (2) The owner of any such premises shall not use any stale eggs or rancid butter as, or in preparation of, food.

## **91 Duties of owner**

The owner of any hotel, cafe, restaurant, cooked meat shop or refreshment room shall:

- (a) cause every milk jug, cream jug and every sugar basin used or had on any table or other place to have its contents protected against flies and dust by means of an approved effective covering, and every such receptacle shall be so constructed as to be capable of ready cleansing, and shall be free from crevices and recesses which are incapable of ready access for cleansing purposes;
- (b) cause every ice-chest, meat-safe and food cupboard upon his premises to be kept at all times in a clean and wholesome condition, and shall not have therein at any time any unsound, stale or mouldy articles of food or any offensive substance of any kind whatsoever; nor shall he store any milk in any ice-chest, meat-safe or other receptacle which contains any substance likely to impart an odour to, or contaminate, such milk;
- (c) provide an adequate supply of potable water for use in the preparation of food and he shall not use any water other than potable water for such purposes or for supply to the public for drinking;
- (d) not use or suffer to be used as a sleeping-room any room which is in direct communication with any dining-room, kitchen or other place used for the preparation, serving or storage of food for sale; nor shall he have or permit or suffer any bed or bedding to be in any such room;
- (e) provide proper drainage facilities, and shall cause all means of drainage upon, or in connexion with, his premises to be maintained at all times in good repair and efficient action, and shall cause all sink wastes to be trapped and to discharge over trapped gullies or over a channel leading to a gully in the open air; nor shall he have or permit any direct opening to a drain or drain inlet to be within a kitchen or any other place in which food for sale is prepared or stored;

- (f) provide sanitary accommodation to the satisfaction of the Chief Health Officer, and shall cause every sanitary convenience upon or in connexion with his premises to be kept at all times in a scrupulously clean condition and every earth-closet provided with a plentiful supply of approved covering material;
- (g) provide sufficient means of ablution with clean towels and soap for the use of employees, and he shall be responsible for employees handling food washing their hands before commencing work and after visiting a sanitary convenience;
- (h) cause all pots, pans, kettles and other utensils used in or about the kitchen to be kept in a clean and sanitary condition; and
- (i) not serve or permit to be served any food product in any container bearing the label of a brand of a similar or like product other than that of the product so served.

## **92 Cleanliness of employees**

Employees at hotels, boarding and lodging houses, restaurants, eating-houses, cooked meat shops and refreshment rooms shall be cleanly in their habits, person and clothing, and shall not smoke nor spit within any dining-room, kitchen or other place appurtenant thereto.

## **93 Filters**

- (1) A filter, other than a filter of a type approved by the Chief Health Officer, shall not be used for treating water used in the preparation of any article of food or for supply to the public for use with beverages or for ordinary drinking purposes at any premises referred to in section 92.
- (2) Where a filter is in use, the keeper of any such premises shall maintain the filter at all times in a clean and sanitary condition and in a state of good repair and efficient action.

## **94 Infectious diseases**

Any person having any venereal disease or any infectious disease shall not be employed, or permitted to work, in any kitchen or pantry, or take any part in any work connected directly or indirectly with the food supply in any hotel, cafe, restaurant, cooked meat shop or refreshment room until he presents a certificate signed by a registered medical practitioner showing that there is no longer any danger of his transmitting the disease and that his clothing has

been properly disinfected.

**95 Broken utensils**

A person shall not use in any hotel, cafe, restaurant, cooked meat shop or refreshment room any glassware, earthenware, chinaware or other receptacle that is cracked, broken, chipped or otherwise unsound, or that is so impaired as to preclude the possibility of thorough cleansing, or serve any food to any person in any such place on or in any glassware, earthenware, china or other receptacle which is cracked, chipped or otherwise unsound, or that is so impaired as to preclude the possibility of thorough cleansing.

**96 Glass-washers**

- (1) Whenever in the opinion of the Chief Health Officer the provision of mechanical glass-washing apparatus is necessary in any hotel bar he may, by notice in writing, require the owner to provide and install such apparatus as he directs and within the time specified in the notice:

Provided that a glass-washing apparatus shall not be approved unless it is capable of washing glasses inside and out in the one operation.

- (2) Any owner who installs any glass-washing apparatus in pursuance of this section shall cause it to be used for the intended purposes and at all times maintained in a clean condition and in efficient action and repair.
- (3) Any owner who fails to comply with the provisions of this section shall be guilty of an offence.

**97 Approved glass-washers**

- (1) An owner shall not, in any premises or place in which or where drinks of any kind are sold, use or have any glass-washing apparatus other than that of a kind approved by the Chief Health Officer.
- (2) An owner shall not, in any such premises or place, use or have any glass-washing apparatus which includes a brush or which is not capable of completely washing a glass inside and out (including the rim) in the one operation when the water supply is turned on by the operator.

**98 Food not to be re-served**

Food that has been served to any person on any premises where meals to the public are served and then returned to the kitchen or serving-room shall not again be used for or served to any other person.

**99 Cellars not to be used**

A cellar, basement or underground room shall not, except with the consent in writing of the Chief Health Officer, be used for the manufacture, preparation or serving of food for sale.

**100 Protection of food to be maintained**

- (1) All appliances, conveniences and means provided for the protection of food from contamination upon any premises, wherein or whereon any article of food for sale is served, prepared, manufactured, stored or handled, shall be constantly and properly used and applied by the owner, and any person by whose act, default, neglect or omission such food is exposed to contamination shall be guilty of an offence.
- (2) Any person wilfully damaging, destroying, removing or rendering inoperative any appliance, convenience or means provided by the owner for the protection of food from contamination shall be guilty of an offence.

**101 Fingers not to be used**

A cook or other person serving meat or any other food for sale at any hotel, refreshment room, restaurant, boarding-house or other place where foods are sold or prepared for sale, shall not portion out food of any kind on to plates or dishes with his fingers but shall use a clean fork, spoon or other instrument.

**102 Protection from flies and dust**

All jars, glasses, syrup containers, decanters, bottles, bowls, drinking-straws and every other article used in connexion with the dispensing of food shall be kept covered at all times in such a manner as to protect same and contents effectively from contamination by flies and dust.

**103 Crockery to be clean**

The owner of any premises or place in which or on which meals of any description are served to the public, shall cause every article of crockery, tableware and silverware to be thoroughly cleansed with

hot water and soda or soap immediately after each occasion of use, and an owner shall not permit any such article to be placed upon any table or before any customer unless it is thoroughly clean and is free from any crack, chip or other objectionable defect.

**104 Table linen to be clean**

- (1) The owner of any premises or place in which or on which meals of any kind are served to the public shall cause all table-linen to be kept clean, and shall not allow to be placed upon any table or before any customer any table napkin or serviette which is unclean or which has been used by any other person unless it has been washed and laundered since the last occasion of use.
- (2) Any such owner shall cause every cruet to be kept clean and its condiment containers to be stoppered and properly closed, and shall cause the contents of every condiment container to be sound and fresh, and so that such contents comply with the standard prescribed by any law in force in the Territory for any such article, or with any name applied thereto.

**105 Sinks to be provided**

In every place where water under pressure is available, or can reasonably be made available, the owner of premises on which beverages of any kind are sold shall provide in the shop, or any other place in which beverages are sold or dispensed, a sink fitted under a tap connected with the water supply, in which the washing of glasses used to contain or serve such beverages shall be performed immediately after each occasion of use with clean running water. Every such wash-sink shall be constructed and located to the satisfaction of the inspector, and shall be maintained at all times in a clean and wholesome condition. The sink waste pipe shall be trapped immediately beneath the fitting, and shall discharge over a trapped gully or open drain leading to a trapped gully or other place approved by an inspector not being in or under any building.

**106 Glasses to be clean**

- (1) Any person who serves any beverage for sale in a glass which has not been thoroughly washed in clean running water since the last occasion of use of the glass shall be guilty of an offence.
- (2) In every place in which beverages of any kind are sold, and where water under pressure is not available, or cannot reasonably be made available, such means of cleansing glasses immediately after each occasion of use shall be provided by the owner as will ensure cleanliness and freedom from contamination, and a glass shall not

be furnished by the owner for use by any customer unless it has been previously washed and rinsed in clean water; and when any special means of cleansing glasses is required by an inspector, the owner shall comply with every notice served upon him in writing by the inspector requiring him to adopt such special means, and within the time stated in the notice.

## **Part VII            Miscellaneous**

### **107            Construction of taps used in the drawing of food for sale**

A person shall not use any tap in the drawing of any food for sale unless the tap is constructed:

- (a) in such a manner as to be detachable from the vessel, utensil or conveyer to which it is attached;
- (b) in such a manner as to permit the ready cleansing of all internal parts;
- (c) so that the whole of the interior surface is perfectly smooth and free from undulations and irregularities and is coated with tin throughout its full length; and
- (d) so that the tap-plug consists of solid metal, and that every aperture through it is cut straight and is free from recesses.

### **108            Conduct of chemists' shops**

Every person carrying on the business of a chemist shall cause the following provisions to be observed:

- (a) the entire premises wherein his business is conducted shall be kept at all times in a clean and sanitary condition;
- (b) the counters, shelves, drawers and bins in the premises shall be free from dust and dirt;
- (c) measures, mortars and other apparatus and glassware used therein in preparing drugs shall be kept clean;
- (d) prescription bottles used in the business shall be washed and cleaned before filling;
- (e) powder papers used in the business shall be made of clean paper;

- 
- (f) back shop and basements of the premises shall be kept clean, well-ventilated and lighted, and free of lumber and refuse;
  - (g) store-rooms used in the business shall be dry, free from litter, and suitable for the storage of medical preparations;
  - (h) where a filter is in use at a chemist's shop for filtering water, the filter shall be of a type approved by the Chief Health Officer, and a filter other than a type approved by the Chief Health Officer shall not be used upon the premises; and
  - (i) where a soda fountain is operated in a chemist's shop, the provisions of section 86 shall apply to its operation.

### **109 Dealing in absinthe prohibited**

- (1) Any person who sells, or in any manner disposes of, delivers or supplies to any other person, or deals or traffics in, or has in his possession, order or disposition, any of the liquor known as "absinthe", shall be liable to a penalty for a first offence of not more than \$500, and for a second or any subsequent offence of not more than \$1,000.
- (2) In this section, without restricting the meaning of the word **possession**, absinthe shall be deemed to be in the possession of any person so long as it remains or is upon any land or premises occupied by him, or is enjoyed or controlled by him in any place whatever, unless it is shown that he had no knowledge thereof.

### **110 Penalties**

Any person who is guilty of any offence against this Act or who contravenes or fails to comply with any provision of this Act shall be guilty of an offence, and shall be liable, upon conviction to a penalty not exceeding \$500; and where the offence is a continuing offence, a penalty not exceeding \$100 for every day during which the offence continues; but so that the total of such penalties shall not exceed \$2,500.

### **110A Regulatory offences**

An offence of contravening or failing to comply with section 12(a) or (b), 15(2), 17, 18(2), 23, 25, 29, 31, 32, 33, 34, 35, 36, 38, 40, 42, 43, 44, 46, 47, 48, 54, 55, 56, 57, 58(2) or (4), 60, 62, 65, 66, 67(1), 68, 70, 74, 76(c), (e) or (f), 77(c), (f) or (g), 78, 80(d), (e), (f) or (g), 82, 84(2), 85 (other than (d) or (e)), 86(a), (b), (c), (e), (h), (i), (k) or (o), 87, 88(a), (c), (d), (e), (f), (g) or (h), 89 (other than (h)), 91, 95, 96, 97, 98, 99, 101, 102, 103, 104(1), 105, 106, 107 or 108 is a regulatory offence.

**111 Regulations**

The Administrator may make regulations, not inconsistent with this Act, prescribing all matters which are, by this Act, required or permitted to be prescribed, or which are necessary or convenient to be prescribed, for carrying out or giving effect to this Act and in particular prescribing matters for and in relation to:

- (a) the disposal of waste liquor in any premises or booth in respect of which a person is licensed or authorized to sell liquor under the *Liquor Act*; and
- (b) penalties for offences against the regulations but so that no penalty shall exceed \$500 and where an offence is a continuing offence a penalty for any day during which the offence continues shall not exceed \$100 and the total penalty on conviction for an offence which is a continuing offence shall not exceed \$2,500.
