- (2) Where the suspension of a licence is revoked, the Director shall return the licence to the holder.

123A Prosecution of licensee for actions of employee

- (1) A person shall not contravene or fail to comply with a provision of this Act or the regulations or a lawful requirement made pursuant to this Act.
- (2) A person who contravenes or fails to comply with a provision of this Act or the regulations or a lawful requirement made pursuant to this Act for which a penalty is not provided by a provision of this Act or the regulations other than this section, is liable on being found guilty to a penalty not exceeding:

 - (b) for a second or subsequent offence – \$2,000 or imprisonment for 12 months.
- (3) An offence against this Act may be prosecuted summarily.

124AAA Additional penalty

- (a) suspend the licensee's licence; or
 - (b) vary the licence so that the licence applies to and in relation to part only of the premises to which it previously applied,

or, where the offence is a third or subsequent offence, instead of suspending or varying the licence, cancel the licence.

- (2) For the purposes of subsection (1), the following are the prescribed periods:
- (a) where the offence is the first offence by the licensee against any of the sections referred to in that subsection – 24 hours;
 - (b) where the offence is a second offence – 7 days; and
 - (c) where the offence is a third or subsequent offence – 28 days.
- (3) For the purposes of subsection (2)(b) or (c), an offence is a second, third or subsequent offence if the previous offence was an offence, or the previous offences were offences, against any of the sections referred to in subsection (1), whether committed before or after the commencement of this section.

- (2) It is a defence to a prosecution for an offence referred to in subsection (1) if the defendant proves on the balance of probabilities that:
- (a) any contravention or failure to comply constituting the offence occurred in an emergency and was necessary to preserve life or prevent injury or to protect property;
 - (b) any contravention or failure to comply constituting the offence was authorised by being in obedience to the order of a competent authority whom the defendant is bound by law to obey unless the order is manifestly unlawful (the determination of which is a matter of law); or
 - (c) where the offence relates to section 106B, the defendant was shown an identification for the purposes of representing that the person who has not attained the age of 18 years had attained the age of 18 years, or that the person purporting to be a parent, guardian or spouse had attained the age of 18 years, and the defendant had no reasonable grounds for doubting the validity of the identification.

124A Averments in complaints

In any proceedings for an offence against this Act or the regulations an averment by the prosecutor in a complaint or information that:

- (a) a specified person was or was not, at a specified time, the holder of a licence;
- (b) specified premises were or were not, at a specified time, licensed premises; or
- (c) a specified liquid is or is not liquor, or is or is not a type of liquor,

is evidence of the facts averred.

124B Results of breath analysis as evidence

In proceedings for an offence against this Act in which the question of whether a person was or was not intoxicated is in issue, the result of a breath analysis, by the use of a breath analysis instrument prescribed for the purposes of the *Traffic Act*, is admissible and is prima facie evidence of the person having, at the time the sample of breath to be analysed was taken, a concentration of alcohol in his or her blood not less than the concentration assessed by the analysis.

125 Delivery of documents by post

 - (b) not before the expiration of a specified time,

the Commission may, in its discretion, extend or abridge that time.

- (2) The Commission may extend time under subsection (1) notwithstanding that the time prescribed by this Act for the doing of an act or thing has expired.

128 Regulations

- (1) The Administrator may make regulations, not inconsistent with this Act, prescribing all matters that are required or permitted by this Act to be prescribed or are necessary or convenient to be prescribed for giving effect to this Act.

- (a) restriction of the days when and times during which licensed premises may be open for the sale of liquor for consumption away from the premises;
 - (b) authorizing the Commission to permit a licensee to sell at times other than those prescribed in the Regulations liquor for consumption away from the premises and to endorse that licensee's licence accordingly, where it is satisfied that liquor sold at such times is not likely to be consumed in public or to lead to public drunkenness;
 - (c) prohibiting or regulating the quantities or kinds of liquor that may be sold at licensed premises, whether at all licensed premises or at specified licensed premises or at specified types of licensed premises;
 - (d) providing for the Commission, in exercising its powers and performing its functions, to take into account any prescribed general policy directions relating to that exercise or performance;
 - (e) prohibiting or regulating the giving of credit for the purchase of liquor from licensed premises;
 - (f) categories of licences and the conditions to which those licenses may be subject; and
 - (g) fees to be charged in relation to applications or permits referred to in or under this Act.

128A Acquisitions to be on just terms

Where the application of a provision of this Act or a regulation made under it would, but for this section, result in an acquisition of

property otherwise than on just terms, the person from whom the property is acquired shall be entitled to receive just compensation for the acquisition, and a court of competent jurisdiction may determine the amount of the compensation or make such order as, in its opinion, is necessary to ensure that the acquisition is on just terms.
