- (9) An access authority authorises the holder, subject to this Act and the conditions to which it is subject, to carry on in the access authority area exploration for petroleum or operations relating to the recovery of petroleum in or from the permit, licence, lease or petroleum title in respect of which the application under subsection (2) was made and any other operations specified in the access authority.

- (10) Subject to Parts IIA and IIB as applicable, an access authority remains in force for such period as is specified by the Minister but may be renewed by the Minister for a further specified period.

Part IIA Prescribed petroleum acts above highwater mark or for infrastructure facilities

57B Prescribed petroleum acts

- (1) For the purposes of this Act, subject to subsection (2), the following acts are prescribed petroleum acts:
- (a) the grant, renewal or variation of a permit under Division 2 of Part II;
 - (b) the grant, renewal or variation of a retention licence under Division 3 of Part II;
 - (c) the grant, renewal or variation of a production licence under Division 4 of Part II;
 - (d) the grant, renewal or variation of an access authority under Division 5 of Part II;
 - (e) the variation of the area of a licence under section 69.
- (2) A variation, renewal, re-grant, re-making or extension of term to which, by virtue of section 26D(1) of the Native Title Act, Subdivision P of Division 3 of Part 2 of that Act does not apply is not a prescribed petroleum act.
- (3) Where a determination is in force under section 26A of the Native Title Act in respect of a prescribed petroleum act, the Minister may, by notice in the *Gazette*, declare that this Part does not apply in relation to that prescribed petroleum act and the declaration has effect according to its tenor.

57C Application

- (1) Subject to subsections (1A), (1C) and (1D), this Part applies in relation to a prescribed petroleum act that affects native title rights and interests:
- (a) where it is an act to which the consequences of section 24MD(6B) of the Native Title Act apply; or

- (b) where:
 - (i) the act:
 - (A) is an act to which Subdivision P of Division 3 of Part 2 of the Native Title Act would have otherwise applied; and
 - (B) relates, to any extent, to an area of land that is an alternative provision area; and
 - (ii) there is a determination in force under section 43A(1)(b) of the Native Title Act in respect of the relevant provisions of this Act.

(1A) Where, in relation to a prescribed petroleum act:

- (a) this Part would, but for this subsection, apply because the act is to be done in part on an onshore place on the landward side of the mean highwater mark of the sea; and
- (b) Part IIB would, but for this subsection, apply because the act is to be done in part on an onshore place on the seaward side of the mean highwater mark of the sea,

the prescribed petroleum act is to be taken to consist of 2 separate acts as follows:

- (c) a prescribed petroleum act on the landward side of the mean highwater mark of the sea;
- (d) a prescribed petroleum act on the seaward side of the mean highwater mark of the sea.

(1B) A prescribed petroleum act referred to in subsection (1A)(d) may be done at the same time as a prescribed petroleum act referred to in subsection (1A)(c) but, before any activity is undertaken in the area to which the prescribed petroleum act referred to in subsection (1A)(d) relates, the procedures under Part IIB must have been complied with.

(1C) This Part does not apply in relation to a prescribed petroleum act that affects native title rights and interests and relates to an alternative provision area if, in respect of the act, a notice under section 29 of the Native Title Act is given on or after 30 September 1998 but before a determination under section 43A(1)(b) of that Act in respect of the relevant provisions of this Act comes into force.

- (1D) Subject to Subdivision P of Division 3 of Part 2 of the Native Title Act, the Minister may do a prescribed petroleum act to which, by virtue of subsection (1C), this Part does not apply after having complied with the procedures in that Subdivision.
- (2) Subject to subsections (3) and (5), the requirements of this Part are in addition to and not in derogation of the other requirements under this Act.
- (3) In the event of an inconsistency between this Part and another provision of this Act, this Part prevails.
- (4) For the purposes of subsection (3), this Part is consistent with another provision of this Act if it is capable of operating concurrently with that other provision.

57D Act valid if procedures complied with

An act to which this Part applies is only valid to the extent that it affects native title if in relation to the doing of the act the procedures of this Part are complied with, and it is invalid if they are not.

57DA Prescribed petroleum acts covering both alternative provision area and other area

- (1) Where, in relation to a prescribed petroleum act:
- (a) this Part applies because the act is to be done in part in an alternative provision area; and
- (b) Subdivision P of Division 3 of Part 2 of the Native Title Act applies because the act is to be done in part in an area that is not an alternative provision area (in this subsection called **the other area**),

then:

- (c) the prescribed petroleum act is to be taken to consist of 2 separate acts as follows:
- (i) a prescribed petroleum act in the alternative provision area;
- (ii) a prescribed petroleum act in the other area; and
- (d) the prescribed petroleum act referred to in paragraph (c)(ii) may be done at the same time as the prescribed petroleum act referred to in paragraph (c)(i) but, before any activity is undertaken in the area to which the prescribed petroleum act referred to in paragraph (c)(ii) relates, the procedures under

Subdivision P of Division 3 of Part 2 of the Native Title Act must have been complied with.

(2) If:

- (a) a prescribed petroleum act is done in an area that, at the time the act is done, appears to be an alternative provision area (in this subsection called ***the inadvertent act***); and
- (b) after the inadvertent act is done, it becomes apparent:
 - (i) that the act was done in part in an area that is not an alternative provision area (in this subsection called ***the other area***);
 - (ii) that the act should have consisted of 2 separate acts as described in subsection (1)(c)(i) and (ii) to which this Part and Subdivision P of Division 3 of Part 2 of the Native Title Act, respectively, should have been applied; and
 - (iii) that, therefore, the act is invalid in so far as the other area is concerned,

then:

- (c) the invalidity does not affect the inadvertent act in so far as the alternative provision area is concerned; and
- (d) the inadvertent act has effect as if it had been done only in relation to the alternative provision area.

57E Form of application

In addition to any other requirements of this Act relating to the form of an application, an application for a prescribed petroleum act is to contain:

- (a) a list of registered native title claimants (if any) in relation to any of the affected land;
- (b) a list of registered native title bodies corporate (if any) in relation to any of the affected land; and
- (c) the name or names of the representative Aboriginal/Torres Strait Islander body or bodies in relation to any of the affected land.

57F Notification of native title holders etc.

- (1) Within 14 days after the notification event or within the further time allowed in writing by the Minister:

- (2) Within 14 days after the applicant serves notice in writing of the application under subsection (1)(b) or within the further time allowed in writing by the Minister, the applicant must provide the Minister with the evidence of service of the notice and the method of service that the Minister requires.
- (3) A notice under subsection (1) is to contain the prescribed information and a statement to the effect that:
 - (a) registered native title claimants and registered native title bodies corporate in relation to any of the affected land may lodge, in writing with the Minister within 2 months after the date specified in the notice (being 21 days after the notification event) or, in the case of a person to whom subsection (6) applies, within the further time allowed under that subsection:
 - (i) if the prescribed petroleum act is an act to which section 24MD(6B) of the Native Title Act applies – an objection to the prescribed petroleum act so far as it affects their registered native title rights and interests; or
 - (ii) if the prescribed petroleum act is an act to which section 57C(1)(b) refers – an objection to the prescribed petroleum act so far as it affects their registered native title rights and interests;
 - (b) an objection to the prescribed petroleum act so far as it affects registered native title rights and interests is to contain particulars of the effect that the doing of the act would be likely to have on those registered native title rights and interests.

- (3A) An objection may be lodged in accordance with the statement referred to in subsection (3) and, if lodged, is to be lodged in duplicate.
- (3B) Other than where Part IIB applies, if an objection lodged under subsection (3A) or section 19(1) is a native title objection to:
- (a) a prescribed petroleum act to which section 24MD(6B) of the Native Title Act applies; or
 - (b) a prescribed petroleum act to which section 57C(1)(b) of this Act refers,
- this Part applies in relation to the objection.
- (4) A notice under subsection (1) may relate to more than one prescribed petroleum act.
- (5) An objection may be lodged under subsection (3A) in relation to all of the prescribed petroleum acts specified in a notice under subsection (1) together or one or more of those acts separately.
- (6) If, within 3 months after the date specified in the notice served on the representative Aboriginal/Torres Strait Islander body or bodies under subsection (1) (being 21 days after the notification event), a person (other than a person served under subsection (1)) advises the Minister in writing that the person has made an application to the Federal Court for a determination of native title in respect of any of the affected land, the person may, within 4 months after the date so specified, lodge an objection to the prescribed petroleum act.
- (6A) An objection lodged under subsection (6) is to be taken not to have been lodged if, by the end of 4 months from the date so specified in the notice served on the representative Aboriginal/Torres Strait Islander body or bodies under subsection (1), the Native Title Registrar:
- (a) has not accepted the claim for registration; or
 - (b) has not yet decided whether or not to accept the claim for registration.
- (7) In this section:
- notification event** means the lodgement of the application for the prescribed petroleum act.
- prescribed information** means:
- (a) the name of the applicant for the prescribed petroleum act;

- (b) the prescribed petroleum act applied for;
- (c) if relevant – the period in respect of which the relevant petroleum interest is sought;
- (d) either:

57GA Agreement is anticipated and strongly encouraged

It is anticipated that the parties concerned will only have recourse to the provisions of this Act relating to the procedure for dealing with native title objections or determining compensation payable for the effect of a prescribed petroleum act on native title if they are unable to resolve those objections by agreement or to reach an agreement about that compensation, and the parties concerned are strongly encouraged to resolve objections by agreement and to reach agreement about compensation; it being noted that the parties may enter into one or more agreements relating to the resolution of objections, compensation or both and that agreement may be reached, in the case of objections, at any time before the Minister decides to do the prescribed petroleum act and, in the case of compensation, at any time before compensation is paid and, in either case, as a result of discussions held at any time and whether as part of the consultations under section 57H or otherwise than under this Act.

57H Consultation and mediation

- (1) An applicant for a prescribed petroleum act must consult with any registered native title claimants or registered native title bodies corporate who lodge a native title objection about ways of minimising:
 - (a) the impact of the prescribed petroleum act; and
 - (b) if the prescribed petroleum act will entitle the applicant to a production licence (whether that entitlement is subject to conditions or otherwise) – the impact of the grant of the production licence, on registered native title rights and interests in relation to the affected land,

including:

- (c) if the prescribed petroleum act is an act to which section 24MD(6B) of the Native Title Act applies and it is relevant to do so – about any access to that land or the way in which anything authorised by the prescribed petroleum act or the grant of the licence might be done; or
- (d) if the prescribed petroleum act is an act to which section 57C(1)(b) refers – about any access to that land or the way in which anything authorised by the prescribed petroleum act or the grant of the licence might be done,

in this section called ***impact minimisation***.

- (2) For the purposes of subsection (1), consultation is to take place over a period of 3 months commencing at the end of 14 days after the last day on which any registered native title claimant or registered native title body corporate was entitled (whether under section 19 or 57F) to lodge a native title objection to the prescribed petroleum act.
- (4) If the prescribed petroleum act is an act to which section 57C(1)(b) refers, subject to section 57J, either the applicant or the claimant or body corporate may, after inquiring in writing of the other party as to that party's attitude towards mediation, refer the matter of impact minimisation to mediation at any time within the consultation period referred to in subsection (2).
- (5) For the purposes of subsection (4):
 - (a) the parties may agree on the appointment of a mediator; or
 - (b) if the parties cannot agree on the mediator – either party may apply to the Tribunal for the appointment of a mediator under section 36 of the *Lands and Mining Tribunal Act*.

either the applicant for the prescribed petroleum act or the registered native title claimant or registered native title body corporate objecting to the prescribed petroleum act may apply to the Tribunal to have the objection to the prescribed petroleum act heard.

57K Inquiry by Minister

After half of the consultation period referred to in section 57H(2) has expired, the Minister may inquire of the parties to the consultations for the prescribed petroleum act as to the progress of the consultations and if:

- (a) the matter has not been referred to mediation under section 57H(4); and

117AC How trust amounts to be dealt with

- (1) This section applies if an amount (in this section called ***the trust amount***) is being held in the Trust Fund in respect of an act and any of the following happen:
- (a) an approved determination of native title that native title does not exist in the affected land is made;
 - (b) the Minister informs the trustee in writing that he or she is not going to do the act;
 - (c) the following requirements are satisfied:
 - (i) an approved determination of native title that native title in the affected land exists has been made;
 - (ii) the relevant registered native title body corporate advises the trustee in writing that it wishes to accept the trust amount instead of any compensation to which the native title holder may be entitled under this Act for the effect of the act;
 - (iii) the person who paid the trust amount into the Trust Fund or that person's successor or assignee advises the trustee in writing of his or her agreement to the registered native title body corporate accepting the trust amount instead of any compensation to which the native title holder may be entitled under this Act for the effect of the act;
 - (d) a determination is made by the Tribunal, on a claim for compensation in respect of the act, that a person is entitled to compensation or that no compensation is payable to any person;
 - (e) none of paragraphs (a), (b), (c) and (d) apply and, on the application of any person, the Supreme Court decides that it would be just and equitable in all the circumstances to pay the trust amount to that person or another person (it not however being a sufficient ground for the purposes of this paragraph that a person has made or is required to make an application to the Federal Court for a determination of native title in respect of any of the affected land).

- (2) Where subsection (1)(a) or (b) applies, the trustee must:
 - (a) repay the trust amount to the person who paid it into the Trust Fund or to that person's successor or assignee; or

 - (b) the native title holder has no further entitlement to compensation for the effect of the act under this Act.
- (4) Where subsection (1)(d) applies and the determination is that a person is entitled to an amount of monetary compensation:
 - (a) if the trust amount is the same as the amount determined – the trustee must pay the trust amount to the person;
 - (b) if the trust amount is less than the amount determined – the trustee must pay the trust amount to the person and the holder of the relevant petroleum interest must pay the shortfall to the person; or
 - (c) if the trust amount is more than the amount determined, the trustee must:
 - (i) pay the person so much of the trust amount as equals the amount determined; and
 - (ii) refund the excess to the person who paid the trust amount into the Trust Fund or that person's assignee or, if the person or assignee (as the case may be) no longer exists, apply to the Supreme Court for a direction as to its payment.

- (6) Where subsection (1)(d) applies and the determination is that no compensation is payable or to be given to any person, the trustee must repay the trust amount to the person who paid it into the Trust Fund or that person's assignee or, if that person or assignee (as the case may be) no longer exists, apply to the Supreme Court for a direction as to the payment of the trust amount.

- (7) Where subsection (1)(e) applies, the trustee must pay the trust amount in accordance with the decision of the Supreme Court.
- (8) If:
- (a) the person who paid the trust amount into the Trust Fund or that person's assignee enters into a written agreement with a registered native title claimant that the claimant accepts the trust amount or part thereof on behalf of the native title holders who are signatories to the agreement, being all the native title holders in relation to the affected land, instead of any compensation to which those native title holders may be entitled under this Act for the effect of the act; and
 - (b) the Minister is satisfied that, having regard to the information (if any) provided by the representative Aboriginal/Torres Strait Islander body or bodies in relation to any of the affected land and any other relevant matter, the signatories to the agreement are the only native title holders in relation to the affected land and that it is unlikely that there are any other native title holders in relation to that land,

then:

- (c) the trustee:
 - (i) must pay the trust amount or part thereof in accordance with the agreement to the registered native title claimant; and
 - (ii) if applicable – must pay the remainder of the trust amount to the person who paid it into the Trust Fund or that person's assignee or, if that person no longer exists, apply to the Supreme Court for a direction as to the payment of the remainder; and
- (d) the native title holders who are signatories to the agreement have no further entitlement to compensation for the effect of the act under this Act.
