PRICE EXPLOITATION PREVENTION ACT

An Act to make provision for the regulation of prices for the sale of certain goods and supply of certain services so as to prevent price exploitation arising consequential on the occurrence of natural or man-made disasters and to modify the effects of monopolies and the failure of competition in the marketplace to benefit consumers, and for other purposes

1 Short title and commencement

- (1) This Act may be cited as the *Price Exploitation Prevention Act*.
- (2) This Act shall come into operation on a date to be fixed by the Minister by notice in the *Gazette*.

2 Purposes

The purposes of this Act are:

- (a) to prevent price exploitation arising consequential on the occurrence (whether or not in the Territory) of natural or man-made disasters that may prevent consumers benefiting from the operation of a competitive market; and
- (b) to prevent price exploitation that may occur because of the apparent failure of other laws to protect consumers from monopolies or to effectively ensure that consumers benefit from the operation of a competitive market within all or a part of the Territory.

4 Interpretation

- (1) In this Act, unless the contrary intention appears:

authorized officer means any person appointed by the Controller or a Deputy Controller to be an authorized officer for the purposes of this Act.

declared goods means any goods declared by the Administrator to be declared goods for the purposes of this Act.

declared service means any service declared by the Administrator to be a declared service for the purposes of this Act.

Deputy Controller means any person for the time being occupying the office of Deputy Controller of Prices.

price includes every valuable consideration whatsoever, whether direct or indirect.

rate includes every valuable consideration whatsoever, whether direct or indirect.

service means:

- (a) any service supplied or carried on by any person or body of persons, whether incorporated or unincorporated, engaged in an industrial, commercial, business, profit making or remunerative undertaking or enterprise (including a professional practice);
- (b) any rights or privileges for which remuneration is payable in the form of royalty, stampage, tribute or other levy based on volume or value of goods produced;
- (c) any rights under an agreement for the hiring of goods;
- (d) any rights under an agreement for the provision of lodging;
- (e) any rights under an agreement (not being a lease) or a licence for the hiring of a hall; or
- (f) any benefits under a contract of work and labour, or of work and labour and supply of materials.

the Controller means the person for the time being occupying the office, or performing the duties of the office, of Controller of Prices.

- (2) A person who receives (otherwise than as agent) any valuable consideration from any other person in respect of the enjoyment by that other person of a service shall, for all purposes of this Act, be deemed to supply that service to that other person for the amount or value, or at the rate, as the case may be, of that valuable consideration.
- (3) Where any agreement (including any lease) has been entered into, whether before or after the commencement of this Act, under which a person has become entitled to rights or privileges specified in paragraph (b), (c), (d) or (e) of the definition of **service** in subsection (1), the person from whom the rights or privileges have been acquired shall, for the purposes of this Act, be deemed to be

supplying those rights or privileges, at all times during which the rights or privileges continue, at the rate of the remuneration charged therefor from time to time.

- (4) Where the maximum rate of any such remuneration is, by virtue of any order or notice made or given after the making of any such agreement, and whether before or after the commencement of this Act, fixed under or by virtue of this Act at a rate lower than the rate otherwise payable under any such agreement, the agreement shall, while that maximum rate is in force, be deemed to be varied by the substitution of the rate so fixed for the rate otherwise payable under the agreement in respect of the exercise or enjoyment of any such rights or privileges after the date of the commencement of this Act, or after the date on which the maximum rate becomes applicable, whichever is the later.

6 Controller

- (1) The Commissioner of Consumer Affairs within the meaning of the *Consumer Affairs and Fair Trading Act* is the Controller of Prices, except during a period in which a person holds office under subsection (2).

- (1A) The Controller may only make an order under subsection (1) or (5) if he or she is satisfied that the order is necessary to prevent price exploitation that may occur because of:
- (a) a natural or man-made disaster (whether or not in the Territory) that has occurred and that may prevent consumers benefiting from the operation of a competitive market; or
 - (b) the apparent failure of other laws to protect consumers from monopolies or to effectively ensure that consumers benefit from the operation of a competitive market within all or a part of the Territory.

- (3) The power conferred by paragraph (a) of subsection (1) to fix and declare by order the maximum price at which any declared goods may be sold shall for all purposes be deemed to be validly exercised by an order which fixes any such price by reference to a list of prices approved by the Controller and issued by a body or association of persons which is recognized by the Controller:
- (a) in the case of sales by a producer or manufacturer of goods – to be representative of the producers or manufacturers, as the case may be, of the goods in relation to the sale of which the price is so fixed; and

 - (i) by any person shall be such rate as is fixed by the Controller by notice in writing to that person; or

-
- (ii) by any body or association of persons, or any member of any such body or association, shall be such rate as is fixed by the Controller by notice in writing to that body or association.
- (6) In particular, but without limiting the generality of subsection (5), the Controller, in the exercise of his powers under that subsection, may fix and declare:
- (a) different maximum rates according to differences in the quality, description or volume of the service supplied or carried on or in respect of different forms, modes, conditions, terms or localities of trade, commerce or supply;
 - (b) different maximum rates for different parts of the Territory;
 - (c) maximum rates on a sliding scale;
 - (d) maximum rates on a condition or conditions;

 - (f) maximum rates according to or upon any principle or condition specified by the Controller; and
 - (g) maximum rates relative to such standards as he thinks proper, or relative to the rates charged by individual suppliers on any date specified by the Controller, with such variations (if any) as in the special circumstances of the case the Controller thinks fit, or so that such rates will vary in accordance with a standard, or time, or other circumstance, or shall vary with profits or wages, or with such costs as are determined by the Controller.
- (7) The power conferred by paragraph (a) of subsection (5) to fix and declare by order the maximum rate at which any declared service may be supplied or carried on shall for all purposes be deemed to be validly exercised by an order which fixes any such rate by reference to a list of rates approved by the Controller and issued by a body or association of persons which is recognized by the Controller to be representative of the persons who supply or carry on the service to which the order relates.
- (8) Where the Controller makes an order in the form authorized by subsection (7) the Controller shall, on application by any person who supplies or carries on the service to which the order relates, furnish him with a copy of the list of rates referred to in the order.
- (9) The Controller shall not exercise the powers conferred by paragraph (b) of subsection (1) or paragraph (b) of subsection (5) to

fix by notice in writing to a body or association of persons the maximum price or rate at which the members of that body or association shall sell any goods or supply or carry on any service, unless that body or association:

(a) is recognized by the Controller as representative of the producers or manufacturers of or traders in those goods or of the persons who supply or carry on that service; and

(b) has requested the Controller in writing to exercise those powers.

(10) Where the Controller fixes by notice in writing to a body or association of persons the maximum price or rate at which the members of that body or association may sell any goods or supply or carry on any service:

(a) the secretary or other proper officer of the body or association shall:

(i) as soon as practicable after receiving the notice:

(iii) produce the record for inspection on demand by the Controller;

(b) the contents of the notice are to be presumed, unless the contrary is proved, to have been notified to a member at the time at which the notice to the members under paragraph (a)(i)(B) would, having regard to the means by which the secretary or other proper officer gave the notice, ordinarily have been received; and

(c) the notice shall take effect, in respect of any member, upon communication to him of its contents or upon the expiration of 7 days from its receipt by the secretary or other proper officer of the body or association, whichever is the earlier.

(11) The powers conferred by paragraph (a) of subsection (1) or by paragraph (a) of subsection (5) to fix and declare by order the maximum price at which any declared goods may be sold or the

maximum rate at which any declared service may be supplied or carried on shall for all purposes be deemed to be validly exercised by an order which fixes and declares any such price or rate by reference to an order made under an Act of a State or another Territory of the Commonwealth relating to the regulation of prices in the State or Territory.

(12) An order under this section may contain such incidental and supplementary provisions as are necessary or expedient for the purposes of the order (including provisions requiring the keeping of records of matters relevant to the operation of the order).

(13) The mere production of an order made in pursuance of this section fixing and declaring:

(a) by reference to a list of prices, the maximum price at which any declared goods may be sold; or

(b) by reference to a list of rates, the maximum rate at which any declared service may be supplied or carried on,

or of a paper purporting to be a copy of any such order, shall in all courts be evidence that the list was at the date of the order approved by the Controller and issued by a body or association of persons recognized by the Controller to be:

(i) representative of the producers or manufacturers of the goods;

(ii) representative of the traders in the goods; or

(iii) representative of the persons who supply or carry on the service,

as the case may be.

(14) An order made under this section shall take effect upon the date specified in the order or, if no date is so specified, upon the date of the publication of the *Gazette* containing the order or a notification of the making of the order.

(15) The Controller must specify in an order made under this section the date, not more than 12 months after the date on which the order is made, after which the order is to cease to be of effect.

(16) An order made under this section:

(a) is of no effect unless a date is specified in the order under subsection (15); and

-
- (b) ceases to be of effect after the date specified under subsection (15), unless the order is earlier revoked.

21 Sale of goods and supply of service in one transaction

- (1) The powers of the Controller of or in relation to fixing and declaring the maximum price at which any declared goods may be sold and the powers of the Controller of or in relation to fixing and declaring the maximum rate at which any declared service may be supplied or carried on shall be deemed to extend to and in relation to the fixing and declaring of the maximum remuneration for the sale of any declared goods and the supply of any declared service for an undivided remuneration, and the provisions of this Act (whether relating to the powers of the Controller or to any other matter) shall apply, with the necessary changes, accordingly.
- (2) For the purposes of sections 29, 31, 33, 34, 40, 50, 51 and 57, a transaction in respect of which a maximum remuneration has been fixed under subsection (1) shall be deemed to be the supply of a declared service at a rate equal to the undivided remuneration charged, and the maximum remuneration so fixed shall be deemed to be the maximum rate fixed under this Act for the supply of that service.
- (3) For the purposes of this Act, and of any order or notice under this Act, unless the contrary intention appears:
- (a) the sale of any goods shall be deemed to include the supply, in connection with the sale (whether or not for a separate remuneration) of any service customarily supplied by vendors in connection with such a sale without any separate remuneration; and
- (b) the supply or carrying on of any service shall be deemed to include the sale or supply, in connection with the service (whether or not for a separate price or remuneration) of any goods customarily sold or supplied by persons supplying or carrying on such a service without any separate price or remuneration.
- (4) For the purposes of this Act, and of any order or notice under this Act the sale of any declared goods and the supply of any declared service for an undivided remuneration, if:
- (a) no maximum remuneration applicable to the transaction as a whole is fixed under this Act; and
- (b) the transaction as a whole is not one which is, by reason of subsection (3), deemed to be either a sale of goods or the supply of a service,

shall be deemed to be:

- (c) a sale of the declared goods at a price equal to so much of the undivided remuneration as bears to the whole of the undivided remuneration the same proportion as the maximum price fixed under this Act for the sale of the goods bears to the sum of that fixed price and the maximum rate fixed under this Act for the supply of the service; and
- (d) a supply of the service at a rate equal to the remaining part of the undivided remuneration.

22 Transactions may be declared to be sales

- (1) The Controller may, by order, declare that where a person (in this section referred to as ***the agent***) purchases goods (whether declared goods or not) as agent, or purported agent, for another person (in this section referred to as ***the principal***) and processes or treats the goods and delivers goods resulting from the processing or treatment to the principal, the carrying out of the agency (or purported agency) and the performance of the other services by the agent shall, for the purposes of this Act, be deemed to be a sale of the goods so delivered by the agent to the principal at a price equal to the sum of the amounts paid or payable by the principal to the agent in respect of the agency and services (including the price paid by the agent for the goods purchased by him) and the order shall, for the purposes of this Act, have effect according to its tenor.
- (2) The Controller may, either generally by order or specifically by notice in writing, exempt any person or class of persons from the operation of any order made in pursuance of this section.

23 Power to prohibit certain transactions

- (1) Where the Controller is of opinion that it is necessary so to do in order to prevent a person (in this section referred to as ***the vendor***) who carries on the business of selling declared goods or supplying declared services from continuing to operate a scheme which, in the opinion of the Controller:
 - (a) involves a departure from his normal course of trading;
 - (b) would not be operated but for the provisions of this Act or of an order thereunder; and
 - (c) has the effect that the real cost (taking into account losses involved in transactions connected with the scheme) to any purchaser or purchasers of goods from the vendor, of any declared goods so purchased, or to any person or persons to

whom services are supplied by the vendor, of any declared services so supplied, is more than the maximum price or rate fixed under this Act for the sale of those goods or the supply of those services,

he may, by notice in writing directed to the vendor, specify a class of transactions (being, in the opinion of the Controller, a class of transactions which is being used for the purposes of the scheme) to be a class of transactions to which this section shall apply.

- (2) Except with the consent of the Controller, a person to whom a notice under this section (duly given) is directed shall not, while the notice remains unrevoked, enter into a transaction included in a class of transactions specified in the notice.

Maximum penalty: If the offender is a natural person –
100 penalty units.

If the offender is a body corporate –
500 penalty units.

- (3) A notice under this section shall specify the class of declared goods or declared services in relation to which, in the opinion of the Controller, the scheme is being operated, but shall have full force and effect notwithstanding that it does not specify or describe the scheme which, in the opinion of the Controller, makes the notice necessary.
- (3A) The Controller must specify in a notice under this section the date, not more than 12 months after the date on which the notice is given, after which the notice is to cease to be of effect.
- (3B) A notice under this section:
- (a) is of no effect unless a date is specified in the notice under subsection (3A); and
 - (b) ceases to be of effect after the date specified under subsection (3A), unless the notice is earlier revoked.
