Example

A dangerous dog attacks a child in the area of council A and becomes liable to seizure and destruction under the by-laws of that council. The dog is removed to the area of council B. In this case, council A may (without the agreement of council B) have the dog seized and destroyed in the area of council B.

 - (d) consider the submissions made in response to the invitation and make any revisions to the draft the council considers appropriate in the light of the submissions.
- (3) Although the council's budget forms part of its municipal, regional or shire plan, this section does not apply to the adoption of the budget or of amendments to it.
- (4) The adoption of a budget, or of amendments to it, operates to amend the municipal, regional or shire plan so that it conforms with the most recent text of the council's budget.

24A Core services

 - (d) state the amount the council proposes to raise by way of rates, and set out the rates structure, for the financial year; and
 - (e) contain an assessment of the social and economic effects of its rating policies; and
 - (f) state the allowances for members of the council for the financial year and the amount budgeted to cover payment of those allowances; and
 - (g) contain any other information required by any guidelines that the Minister may make.
- (3) Subject to the regulations, a council must not budget for a deficit.

128 Adoption of budget or amendment

- (1) A council must adopt its budget for a particular financial year on or before 31 July in the relevant financial year.

- (2) A council may, after adopting its budget for a particular financial year, adopt an amendment to its budget (but once allowances for the members of the council, or of a local authority established by the council, for a particular financial year have been set, they cannot be changed by amendment).
- (3) As soon as practicable after adopting its budget, or an amendment to its budget, for a particular financial year, a council must:
 - (a) publish the budget or the amendment as adopted on the council's website; and
 - (b) notify the Agency in writing of the adoption of the budget or amendment; and
 - (c) publish a notice in a newspaper circulating generally in the area informing the public that copies of the budget or amendment may be downloaded from the council's website or obtained from the council's public office.
- (4) The council's budget forms part of the council's municipal, regional or shire plan.

Part 10.6 Accounting records

129 Accounting records

- (1) A council must keep accounting records that give a true and fair view of:
 - (a) the council's receipts and payments; and
 - (b) the council's assets and liabilities.
- (2) The records must be kept in accordance with the accounting standards and other requirements stipulated by the regulations.

130 Availability of records for inspection

- (1) The accounting records must be available for inspection at any reasonable time by:
 - (a) the council's auditor; or
 - (b) an inspector.
- (2) Subject to the council's privacy policy, the accounting records must also be available for inspection at any reasonable time by a member of the council.

- (3) A council must have a privacy policy protecting members and staff of the council from undue intrusion into their private affairs.

Example

The privacy policy might limit the inspection of payroll records by members of a council.

Part 10.7 Annual financial statement

131 Annual financial statement

- (1) A council must prepare a financial statement for each financial year.
- (2) The annual financial statement must give a true and fair view of:
- (a) the council's revenue and expenditure for the financial year; and
 - (b) the council's assets and liabilities as at the end of the financial year.
- (3) The annual financial statement must conform with the accounting standards and other requirements stipulated in the regulations and any guidelines that the Minister may make.

132 Reference of annual financial statement for audit

The annual financial statement must be prepared, and referred to the council's auditor for audit:

- (a) as soon as reasonably practicable after the end of the relevant financial year; and
- (b) in any event, in time to ensure that the audited statement will be available no later than 15 November in the calendar year in which the financial year ends.

Part 10.8 Audit

Division 1 Auditor

133 Auditor

- (1) A council must have an auditor.
- (2) The auditor must be:
- (a) the Auditor-General; or

- (b) a registered company auditor or an authorised audit company;
or
 - (c) a firm whose members include a registered company auditor.
- (3) A person is not eligible to be the auditor if the person:
 - (a) is a member or a candidate for election as a member of the council; or
 - (b) holds any other office or position with the council.
- (4) The council must, in the instrument of the auditor's appointment:
 - (a) fix the term of appointment (which must not be less than 2 nor more than 5 years); and
 - (b) fix the basis of the auditor's remuneration.
- (5) The office of auditor becomes vacant if:
 - (a) the auditor dies; or
 - (b) the auditor resigns by written notice to the CEO; or
 - (c) the auditor becomes a candidate for election as a member of the council or accepts some other remunerated office or position with the council; or
 - (d) the auditor's term of office comes to an end and the auditor is not re-appointed; or
 - (e) the auditor is removed from office by the council with the Minister's consent.

134 Appointment by the Minister

- (1) If a council fails to appoint an auditor, the Minister may make an appointment on behalf of the council.
- (2) An auditor appointed under subsection (1) is to be paid fees fixed by the Minister.

Division 2 Audit

135 Annual audit

- (1) The auditor must, as soon as practicable after the council's annual financial statement is referred to the auditor for audit:
 - (a) audit the statement; and

- (b) report to the council on the results of the audit and, in particular, on any material irregularity in the council's accounting practices or the management of the council's financial affairs identified in the course of the audit; and
 - (c) report to the Minister on any evidence found in the course of the audit of a contravention of the law or serious financial irregularity.
- (2) The audit is to be carried out in accordance with the Australian auditing standards and requirements stipulated in the regulations.

136 Other audits

The auditor must carry out any other audits of the council's financial affairs that may be required under the regulations.

137 Assistance to be provided to the auditor

- (1) The auditor may ask the CEO or another member of the council's staff:
 - (a) to produce financial records; or
 - (b) to answer questions relevant to the council's financial affairs.
- (2) A person who fails to comply with a request under subsection (1) is guilty of an offence.

Maximum penalty: 100 penalty units.
- (3) An offence against subsection (2) is an offence of strict liability.
- (4) It is a defence to a charge of an offence against subsection (2) to prove that the defendant had a reasonable excuse for the non-compliance.

Part 10.9 Rectification orders

138 Power of Minister to make rectification order

- (1) If the Minister is of the opinion that an irregularity has occurred, or is occurring, in the administration of a council's financial affairs, the Minister may, by order (a ***rectification order***) given in writing to the council, require the council to take specified action to correct the irregularity or to guard against the recurrence of irregularities (or both).

- (2) A rectification order must fix a date for compliance (the *compliance date*).
- (3) The Minister may, on application by the council, postpone the compliance date from time to time.

139 Non-compliance with order

- (1) If a council fails to comply with a rectification order by the compliance date, each member of the council is guilty of an offence.

Maximum penalty: 100 penalty units.

- (1A) An offence against subsection (1) is an offence of strict liability.
- (2) It is a defence to a charge of an offence against subsection (1) to prove that the defendant acted with reasonable diligence to secure compliance by the council.

Chapter 11 Rates and charges

Part 11.1 Rateability

140 Categorisation of land

The land in a local government area is divided into 3 basic categories:

- (a) rateable land; and
- (b) conditionally rateable land; and
- (c) land (*exempt land*) that is exempt from rates.

141 Rateable land

All land within a local government area is *rateable* unless it is:

- (a) conditionally rateable land that is not within the ambit of a notice published under section 142 that is in force; or
- (b) exempt land.

142 Conditionally rateable land

- (1) The following land is *conditionally rateable*:
 - (a) land held under a pastoral lease;

- (b) land occupied under a mining tenement;
 - (c) other land that is classified under the regulations as conditionally rateable.
- (2) Conditionally rateable land is only rateable in accordance with a rating proposal approved by the Minister at least 1 month before the commencement of the financial year for which the rates are declared.
- (3) A rating proposal:
 - (a) must contain the information required by the Minister's guidelines; and
 - (b) must be submitted to the Minister for approval at least 4 months before the commencement of the financial year to which the proposal relates.
- (4) The Minister:
 - (a) must respond to a rating proposal within 20 business days after receiving it; and
 - (b) may in the response:
 - (i) approve the rating proposal in the form submitted by the council: or
 - (ii) approve the rating proposal with amendments the Minister considers appropriate; or
 - (iii) reject the rating proposal.
- (5) Before the Minister approves a rating proposal, the Minister must consult with the Minister responsible for the pastoral sector and the Minister responsible for the Mining sector.
- (6) An approved rating proposal must be published in the form in which it is approved by the Minister:
 - (a) on the Agency's website; and
 - (b) on the council's website.
- (7) While an approved rating proposal remains in force:
 - (a) conditionally rateable land within the ambit of the approved proposal is to be regarded as rateable land; and

- (b) conditionally rateable land outside the ambit of the approved proposal is not to be regarded as rateable land.
- (8) If there is no approved rating proposal in force for a local government area, conditionally rateable land within the area will not be regarded as rateable land.

143 Urban farm land

- (1) The owner or occupier of land within a council area may apply to the council for classification of the land as urban farm land.
- (2) Land is not eligible for classification as urban farm land unless:
 - (a) its area is more than 0.8 of a hectare; and
 - (b) it is used by the occupier for carrying on a prescribed business or industry; and
 - (c) the occupier derives a substantial part of the occupier's livelihood from carrying on that business or industry.
- (3) An application for classification of land as urban farm land must be accompanied by information required by the council to show that the eligibility criteria are satisfied.
- (4) The owner or occupier of land classified as urban farm land must, if so required by the council, provide the council with information required by the council to show that the eligibility criteria continue to be satisfied.
- (5) If an owner or occupier fails to provide, within the time allowed by the council, the information required by the council under subsection (4), or the information provided does not, in the council's opinion, establish that the eligibility criteria continue to be satisfied, the council must declassify the land as urban farm land.

144 Exempt land

- (1) The following land is exempt from rates:
 - (a) Crown land occupied by the Territory for a public purpose (other than the provision of public housing);
 - (b) land of the council, other than such land leased for a purpose that does not give rise to an exemption under some other provision of this section;

- (c) a public place consisting of:
 - (i) a park, garden or reserve; or
 - (ii) a playground or sports ground; or
 - (iii) a cemetery; or
 - (iv) a road;
- (d) land belonging to a religious body consisting of:
 - (i) a church or other place of public worship; or
 - (ii) a place of residence for a minister of religion associated with a church or other place of public worship; or
 - (iii) a place of residence for the official head in the Territory of the religious body; or
 - (iv) an institution for religious teaching or training;
- (e) a public hospital;
- (f) land used for a non-commercial purpose by a public benevolent institution or a public charity;
- (g) a kindergarten, Government school as defined in section 4(1) of the *Education Act*, non-Government school registered under the *Education Act*, or a university or other tertiary educational institution;
- (h) land recognised by the council as a youth centre;
- (i) a public library or public museum;
- (j) the common property:
 - (i) in a units plan or building development plan registered under the *Real Property (Unit Titles) Act*, or
 - (ii) of a scheme formed under the *Unit Title Schemes Act*,
- (k) land owned by a Land Trust or an Aboriginal community living area association except:
 - (i) land designated in the regulations as rateable; or
 - (ii) land subject to a lease or a licence conferring a right of occupancy; or

- (iii) land used for a commercial purpose;
- (l) land exempted from rates under another Act.
- (2) If land is used for 2 or more different purposes, and 1 or more but not all the purposes are exempt, the land is not exempt from rates unless the non-exempt purpose is merely incidental to the exempt purpose.

Example

An allotment consists of a public museum containing a cafeteria. The existence of the cafeteria would not negative the exemption. However, if it were a restaurant attracting customers in its own right, it would do so.

- (3) In deciding whether land is used for a commercial or non-commercial purpose, the fact that the user is a public benevolent institution or a public charity is irrelevant: the question is to be decided according to the nature of the use and not the nature of the user.

145 Special cases

- (1) Land of the Commonwealth is only rateable if the Commonwealth agrees and, in that event, it is rateable on conditions agreed by the Commonwealth.

Example

The Commonwealth might agree that an occupier of land under a lease from the Commonwealth is to be liable for rates.

- (2) A Land Trust is not liable to rates but:
 - (a) an occupier of land owned by the Land Trust (other than the Trust itself) is liable to rates; and
 - (b) if land owned by the Trust is held under a lease from the Trust, the leasehold estate constitutes the rateable land for the purposes of this Act.

Note

The above provision is applicable to land of a Land Trust that is not fully exempt from rates under section 144(1)(k).

- (3) An Aboriginal community living area association is not liable to rates but:
 - (a) an occupier of land owned by the association (other than the association itself) is liable to rates; and

- (b) if land owned by the association is held under a lease from the association, the leasehold estate constitutes the rateable land for the purposes of this Act.

Note

The above provision is applicable to land of an Aboriginal community living area that is not fully exempt from rates under section 144(1)(k).

- (4) Land owned by a Land Trust or an Aboriginal community living area association:
 - (a) is not subject to the provisions of this Chapter under which overdue rates become a charge on the land to which they relate; and
 - (b) is not liable to be sold for non-payment of rates.

Note

This subsection does not, however, protect a leasehold estate from such a charge or from being sold for non-payment of rates.

146 Apportionment where land rateable for part only of a financial year

- (1) If land becomes rateable during the course of a financial year, or ceases to be rateable during the course of a financial year:
 - (a) the land is liable to rates for the financial year; but
 - (b) the amount of the liability is reduced to a proportion of the rates that would have been payable if the land had been rateable for the whole of the financial year.
- (2) The proportion is the proportion between the period for which the land is rateable (expressed in days) and the number of days in the financial year.
- (3) A council must make any refund or remission of rates necessary to give effect to this section.

Part 11.2 Basis for assessment of rates

147 Allotments

- (1) An *allotment* is a parcel or part of a parcel of land for which a council proposes to make a separate assessment of rates (and includes a unit or lot created by registration of a plan under the *Real Property (Unit Titles) Act* or the *Unit Titles Act*, and a unit created by the registration of a unit title scheme under the *Unit Title*

Schemes Act).

- (2) A council may only divide a parcel of land that is subject to the same ownership into separate allotments if:
- (a) the allotments are subject to separate occupation; or
 - (b) the allotments fall within different zones; or
 - (c) there is some other good reason for disaggregating the parcel into separate allotments.

Example

If land consists of a block of flats in the same ownership but separately occupied, the council could either treat the block of flats as a single allotment and determine rates for the whole, or disaggregate it into the separate flats and determine rates for each flat.

148 Basis of rates

- (1) Rates may consist of:
- (a) a fixed amount (a ***fixed charge***) for each allotment; or
 - (b) an amount (a ***valuation-based charge***) calculated as a proportion of the assessed value of each allotment; or
 - (c) a combination of:
 - (i) fixed charges (for different purposes); or
 - (ii) a fixed charge (or fixed charges) and a valuation-based charge.
- (2) If rates consist of, or include, a valuation-based charge, the charge may be subject to a specified minimum (a minimum charge).

Example

A valuation based charge might be expressed as a specified proportion of assessed value or \$100 (whichever is the greater amount).

- (3) Differential fixed charges, differential valuation-based charges, and differential minimum charges may be fixed for:
- (a) allotments within different parts of the local government area;
or

Example

The rates for land within different planning zones might be based on differential components.

- (b) different classes of allotments.

Example

If land is divided into small allotments (such as self-storage units or marina berths) because of a subdivision for the purposes of the Unit Titles Act or Unit Title Schemes Act, and the council considers it inequitable to apply the minimum charge otherwise applicable to land within the area to the small allotments, the council could fix a different and lesser minimum for the small allotments.

- (4) If an allotment is divided into separate parts or units that are adapted for separate occupation or use, a minimum charge may consist of a fixed amount to be multiplied by the number of separate parts or units.

Example

If an allotment consists of a block of flats in separate occupation, the minimum charge could consist of a fixed amount to be multiplied by the number of flats comprised in the complex.

149 Basis of assessed value

- (1) A council may adopt unimproved capital value, improved capital value, or annual value as the basis of the assessed value of allotments within its area or part of its area.
- (2) The ***assessed value*** of land is the unimproved capital value, the improved capital value or the annual value of the land (according to whichever basis of valuation has been adopted by the council for the land) as it appears from the valuation roll.
- (3) However:
- (a) the unimproved value of a mining tenement is its assessed value; and
 - (b) the unimproved value is taken to be 20 times the annual rental payable under the tenement.

Part 11.3 Liability for rates

150 Joint and several liability

- (1) The owner and the occupier (if not the owner) of an allotment are jointly and severally liable for rates payable in respect of an allotment.

Note

It should be noted that joint and several liability does not increase the liability to rates. Take (for example) the case of an allotment on which the council imposes rates amounting to \$600. Suppose that A and B are both ratepayers and jointly and severally liable for the rates. The council cannot, by seeking recovery from each separately, recover a total of \$1 200. The aggregate liability remains the same (ie \$600.). It follows that an amount received or recovered by the council from A reduces B's liability to the council as well.

- (2) However, an occupier of an allotment (if not an owner) does not become liable for rates in respect of the allotment unless:
 - (a) the occupier's name is entered in the assessment record, on the occupier's own application, as the principal ratepayer for the allotment; or
 - (b) the council gives the occupier written notice that it proposes to seek recovery of rates from the occupier.
- (3) If notice is given under subsection (2)(b) in the course of a financial year, the occupier is only liable for a proportionate part of the rates for that financial year.

151 Principal ratepayer for an allotment

- (1) The owner of an allotment is the principal ratepayer for the allotment but, if the owner is not liable to rates, the occupier is, if liable to rates for the allotment, the principal ratepayer for the allotment.

Note

In the case of an allotment owned by a Land Trust, the Trust itself is not liable to rates so the lessee (if there is a lessee) is treated under this Act as the owner and hence the principal ratepayer for the allotment. If there is no lessee, the occupier may be liable for rates (See section 150(2)) and, if so, would be the principal ratepayer for the allotment.

- (2) However, the principle stated in subsection (1) is subject to the following qualifications:
- (a) the CEO may, on the application of an occupier who would not be the principal ratepayer in accordance with subsection (1), designate the ratepayer in the assessment record as the principal ratepayer for an allotment;
 - (b) if 2 or more ratepayers would, in accordance with subsection (1), be the principal ratepayer for an allotment, the CEO may designate 1 or more of them in the assessment record as the principal ratepayer for the allotment.
- (3) A ratepayer designated under subsection (2) as the principal ratepayer for an allotment is the principal ratepayer to the exclusion of others.

Note

The designation is subject to reconsideration and review (See section 154).

- (4) If rates are paid by, or recovered from, a ratepayer who is not the principal ratepayer for an allotment, the ratepayer may, subject to any relevant agreement, recover the amount from the principal ratepayer or set the amount off against any liability owed to the principal ratepayer.

Part 11.4 Assessment record

152 Assessment record

- (1) The council must maintain an assessment record.
- (2) The assessment record must contain:
- (a) a brief description of each allotment within the area and a statement of its assessed value; and
 - (b) if a charge is imposed on non-rateable land in the area – a brief description of the land; and
 - (c) the name and address of the owner of the land; and
 - (d) if the owner is not the principal ratepayer for the land – the name and address of the principal ratepayer; and
 - (e) if the land is subject to a differential rate on the basis of its use – the land use; and

- (f) other information the council directs to be included in the record.
- (3) The assessment record may be kept by computer.
- (4) A copy of the assessment record must be available for inspection, free of charge, by any member of the public at the council's public office.
- (5) The CEO must, at the request of a person to whom an entry in the assessment record relates, suppress the person's name or address (or both) from the publicly accessible copy of the record.

153 Notifications to be given by ratepayers

- (1) A person who becomes the principal ratepayer for a particular allotment within a council area must, within 28 days of doing so, give the CEO written notice of that fact and of the person's postal address.

Maximum penalty: 20 penalty units.

- (2) If the principal ratepayer's postal address changes, the principal ratepayer must, within 28 days of the change, give the CEO written notice of the new address.

Maximum penalty: 20 penalty units.

- (3) A person who ceases to be the principal ratepayer for a particular allotment within a council area must, within 28 days of doing so, give the CEO written notice of that fact.

Maximum penalty: 20 penalty units.

- (4) An offence against subsection (1), (2) or (3) is an offence of strict liability.

154 Correction of record

- (1) A person may apply to the council for the correction of an entry in the assessment record.
- (2) The application may be made on any one or more of the following grounds:
 - (a) the entry wrongly classifies an allotment that is not rateable as rateable land;
 - (b) the entry should, but does not, classify an allotment as urban farm land;

- (c) the entry wrongly records the use of an allotment;
 - (d) the entry contains some other relevant misclassification or misdescription of an allotment;
 - (e) the entry wrongly records ownership or occupation of an allotment;
 - (f) the entry wrongly designates the applicant as principal ratepayer for an allotment;
 - (g) the entry contains some other relevant error.
- (3) The application:
- (a) must be in writing; and
 - (b) must state the applicant's interest in the allotment to which the application relates; and
 - (c) must state the nature of the amendment that should, in the applicant's opinion, be made.
- (4) If the application is uncontroversial, the CEO may decide the application on behalf of the council but, if it raises matters of possible controversy, the application is to be dealt with by the council or a council committee.
- (5) The CEO must notify the applicant, in writing, of the decision on the application as soon as practicable.
- (6) If the council or council committee decides to reject the application in whole or part, the decision is reviewable.

Part 11.5 Imposition of rates and charges

Division 1 General and special rates

155 General rates

- (1) A council must, on or before 31 July in each year, declare rates (***general rates***) on allotments throughout the area to raise the amount the council intends to raise for general purposes for the financial year.
- (2) The council may, at the same time, raise an amount towards a special purpose.

(3) The declaration must state:

- (a) the amount to be raised for general purposes and, if an amount is to be raised for a special purpose, the amount to be raised for the special purpose; and
- (b) the basis or bases of the rates; and
- (c) if the rates are to be payable in instalments – the number of instalments and when they will be payable.

156 Special rates

- (1) A council may at any time declare rates for a particular purpose (*special rates*).
- (2) If special rates are imposed for the benefit of a particular part of the area, they may be limited to allotments within the relevant part of the area.
- (3) A declaration under this section must:
 - (a) state the purpose for which the special rates are imposed; and
 - (b) state the amount to be raised; and
 - (c) state the basis of the special rates; and
 - (d) state whether the special rates are imposed on rateable property generally, or on rateable property within a particular part of the area and, if they are limited to a particular part of the area, identify the relevant part.

Division 2 Charges

157 Imposition of charges

- (1) If a council carries out work, or provides services, for the benefit of land, or the occupiers of land, within its area, the council may declare a charge on the land.
- (2) A declaration of a charge must:
 - (a) state the amount or basis of the charge; and
 - (b) identify the land to which the charge will apply; and
 - (c) state the purpose of the charge.

- (3) The amount of a charge need not be limited to the cost of providing the service.
- (4) Subject to the following exceptions, the provisions of this Chapter applicable to rates apply with necessary adaptations and modifications to charges imposed under this section.

Exceptions

- 1 A charge may be imposed on land that is not liable to rates (including land that is exempt from rates).
- 2 A charge may have a reasonable basis that differs from rates.

Example

A charge to recover the cost of kerbing might consist of an amount per metre of the frontage of an allotment.

- 3 The provisions for rate concessions do not apply to charges.

Part 11.6 General and particular notice

158 Public notice

- (1) Within 21 days after declaring rates, the council must publish notice of the rates:
 - (a) on its website; and
 - (b) in a newspaper circulating generally in the council's area.
- (2) The notice must:
 - (a) give details of the rates; and
 - (b) state the date on which payment of the rates will fall due and, if the council has resolved to allow payment by instalment, the date on which each instalment will fall due for payment; and
 - (c) give details of any discount or other concession or benefit the council has resolved to allow for prompt payment of the rates in full.
- (3) Failure to publish the notice within the time limit fixed by subsection (1) does not invalidate the declaration.

159 Rates notice

- (1) At least 28 days before the payment of the rates (or the first instalment of the rates) falls due, the council must issue an account for the payment of rates (a *rates notice*) for each allotment.
- (2) The rates notice must be given if practicable to the principal ratepayer for an allotment or, if it is not practicable to do so, to any other ratepayer for the allotment.
- (3) The rates notice must:
 - (a) state the due date for payment of the rates and, if payment by instalment is allowed, the due date for payment of the first instalment; and
 - (b) must be given at least 28 days before the due date for payment of the rates or the first instalment of the rates.
- (4) Non-compliance with subsection (3)(b) does not invalidate the rates notice.

160 Discount for prompt payment

- (1) A council may resolve to allow a discount, or some other form of concession or benefit, for prompt payment of rates in full.
- (2) If the council resolves to allow a discount for prompt payment of rates in full, the rate notice must state the percentage discount, the conditions on which it is to be allowed, and both the discounted and the undiscounted amount payable.

161 Payment by instalment

- (1) If a council allows payment of rates by instalment, it does so on condition that each instalment is paid by the due date.
- (2) It follows that, if a ratepayer defaults in payment of an instalment by the due date, all remaining instalments become immediately due and payable.
- (3) A council may, however, relieve a ratepayer, or ratepayers generally, from the consequences of default to an extent decided by the council.

Part 11.7 Interest on unpaid rates

162 Accrual of interest on overdue rates

- (1) If rates are not paid by the due date, interest accrues on the amount of the unpaid rates at the relevant interest rate.

Note

If the ratepayer defaults in payment, all remaining instalments become due and payable. Interest therefore accrues on the total amount of the unpaid rates and not merely the amount of the instalment. (See section 161(2)).

- (2) Interest is calculated on a daily basis on the amount in default (exclusive of interest) from the due date until the date of payment.
- (3) The **relevant interest rate** is a rate interest fixed by the council as the relevant interest rate.
- (4) A council may:
 - (a) fix a rate of interest as the relevant interest rate; or
 - (b) vary a rate of interest previously fixed as the relevant interest rate.

163 Remission of interest

A council may remit interest wholly or in part.

Part 11.8 Rate concessions

164 Rate concessions

- (1) A **rate concession** is one or more of the following:
 - (a) a waiver in whole or part of rates or a component of rates;
 - (b) a deferment in whole or part of an obligation to pay rates or a component of rates.
- (2) A council may grant a rate concession unconditionally or on conditions determined by the council.
- (3) If a council grants a conditional rate concession under this Part, and the ratepayer fails to comply with a condition, the council may by notice to the ratepayer:
 - (a) withdraw the concession; and

- (b) require the ratepayer to pay an amount, on or before a date specified in the notice, to neutralise any benefit to the ratepayer of the rate concession.

165 Rate concession to alleviate financial hardship

- (1) A council may grant a rate concession to alleviate financial hardship.
- (2) A rate concession may be granted on application by a person who establishes to the council's satisfaction that the person will suffer financial hardship if the concession is not granted.

166 Correction of anomalies in operation of rating system

- (1) A council may grant a rate concession to a ratepayer or ratepayers of a particular class if satisfied that it is necessary to do so in order to correct anomalies in the operation of the rating system.
- (2) A council may grant a rate concession under this section on the council's own initiative or on application by an affected ratepayer.

167 Public benefit concessions

- (1) A council may grant a rate concession if satisfied that the concession will advance one or more of the following purposes:
 - (a) securing the proper development of its area;
 - (b) preserving buildings or places of historical interest;
 - (c) protecting the environment;
 - (d) encouraging cultural activities;
 - (e) promoting community health or welfare;
 - (f) encouraging agriculture;
 - (g) providing recreation or amusement for the public.
- (2) However, the rate concession:
 - (a) may only be granted if authorised under a policy formally adopted by resolution of the council; and
 - (b) is subject to limitations and conditions specified in that policy.
- (3) A council may grant a rate concession under this section on its own initiative or on application by a ratepayer.

Part 11.9 Recovery of rates

Division 1 Application of this Part

168 Extended meaning of *rates* in this Part

In this Part:

rates includes:

- (a) a charge; and
- (b) if the rates (or charge) are overdue:
 - (i) accrued interest; and
 - (ii) costs reasonably incurred by the council in recovering, or attempting to recover, them.

Division 2 Recovery by action

169 Recovery by action

- (1) Rates may be recovered as a debt due to the council from the principal ratepayer or any other ratepayer by action in a court of competent jurisdiction.
- (2) The proceedings may be commenced at any time within 6 years after the rates were imposed.

Division 3 Overriding statutory charge

170 Overdue rates to be a charge on land

If rates are not paid by the due date, the rates become a charge on the land to which they relate.

Exceptions:

- 1. Rates do not become a charge on land unless the owner of the land is a ratepayer who is liable for the rates that are in arrears.
- 2. Rates cannot become a charge on land within an Aboriginal community living area.

171 Registration of charge

- (1) After rates have been in arrears for at least 6 months, the council may apply to the appropriate registration authority for registration of the charge over the land to which the charge relates.
- (2) The registration authority must, on payment of the appropriate fee by the council:
 - (a) register the charge as an overriding statutory charge; and
 - (b) notify all persons with a registered interest in or over the land of the registration of the charge.
- (3) Failure to give notice of the registration of the charge under subsection (2)(b) does not invalidate the registration of the charge.
- (4) A registration authority must cancel registration of a charge if the council applies for the cancellation.
- (5) The council must apply for cancellation if the liability to which the charge relates is fully satisfied, and may apply for cancellation for any other reason.

172 Effect of registered charge

While a charge is registered as an overriding statutory charge under this Division, it has priority over all other registered and unregistered mortgages, charges and encumbrances except a previously registered overriding statutory charge.

Division 4 Sale of land

173 Power to sell land for non-payment of rates

If rates have been in arrears for at least 3 years, and an overriding statutory charge securing liability for the rates has been registered for at least the last 6 months, the council may sell the land.

174 Pre-conditions of sale

- (1) Before the council sells land for non-payment of rates, it must give a notice to the principal ratepayer for the land at the address appearing in the assessment record:
 - (a) stating the period for which rates have been in arrears; and
 - (b) stating the total amount currently outstanding on the land; and

- (c) warning that if that amount is not paid in full within a stated period (at least 1 month) after the date of the notice, the council will sell the land for non-payment of rates.
- (2) A copy of the notice must be given to:
 - (a) any other person with a registered interest in the land; and
 - (b) if the land is a pastoral or other lease granted by the Territory, or a mining tenement – the Minister administering the legislation under which the lease or mining tenement was granted.
- (3) If the whereabouts of a person to whom a notice (or copy) is, after reasonable inquiries, not ascertained by the council, the notice may be given by:
 - (a) publishing it in a newspaper circulating generally throughout the Territory; and
 - (b) leaving a copy of the notice in a conspicuous place on the land.

175 Sale of land

- (1) If the full amount of the outstanding rates is not paid within the time allowed in the warning notice, the council may sell the land.
- (2) The sale must be by public auction.

Exceptions

- 1 If the land is a pastoral or other lease granted by the Territory, or a mining tenement, the sale must be made as approved by the Minister administering the legislation under which the lease or mining tenement was granted.
 - 2 If the land is a leasehold estate granted by a Land Trust, the sale must be made as approved by the relevant Land Council.
- (3) A public auction must be advertised:
 - (a) on the council's website; and
 - (b) on at least 2 separate occasions in a newspaper circulating generally throughout the Territory.
 - (4) If before the date of the sale, the outstanding rates (including costs incurred by the council with a view to sale of the land) are paid, the council must call off the sale.

- (5) If an auction fails, the council may sell the land by private contract for the best price that it can reasonably obtain.
- (6) If a council sells land under this section, the council may execute a conveyance of the land under its common seal.
- (7) On registration of the conveyance, title to the land vests in the purchaser freed and discharged from all mortgages, charges and encumbrances securing the payment of money.

176 Proceeds of sale

- (1) The council must apply the proceeds of the sale of the land as follows:
 - (a) first in the payment of the costs incurred in selling the land under this Division;
 - (b) secondly, in the payment of all liabilities secured on the land (including the liability to the council) in the order of their priority;
 - (c) thirdly, in payment to the owner of the land.
- (2) If the council fails, after reasonable inquiry, to discover the identity or whereabouts of a person entitled to payment under this section, the council may make the payment to the Public Trustee as unclaimed property.
- (3) A payment made to the Public Trustee under subsection (2) vests in the Public Trustee under, and for the purposes of, section 59A of the *Public Trustee Act*.

Part 11.10 Correction of errors

177 Correction of errors

- (1) The Minister may, by *Gazette* notice, declare that rates have been validly declared, or declared and levied, by a council despite a particular procedural non-compliance or some other irregularity or error of a minor or technical nature.
- (2) The declaration validates the rates from the date of their purported declaration.

Chapter 12 Council property

Part 12.1 Property generally

178 Acquisition of property

- (1) A council may acquire real or personal property (including intellectual property) by agreement.
- (2) The Minister administering the *Lands Acquisition Act* may, by arrangement with a council, compulsorily acquire land for the council under that Act.
- (3) The council must reimburse the relevant Minister for compensation and other costs associated with the acquisition.

179 Assumption of care control and management of land

- (1) A council may, at the request or with the consent of the interested persons, assume the care, control and management of land within its area.
- (2) The following are the *interested persons*
 - (a) the owner;
 - (b) a person (other than the owner) with a registered estate or interest in the land;
 - (c) if a person claims an interest in the land and the interest is protected by a registered caveat – the caveator.
- (3) However:
 - (a) if the land is subject to a trust, the consent of the trustee is required but not the consent of equitable owners; and
 - (b) consent is not required from:
 - (i) a person who cannot be found after reasonable inquiry;
or
 - (ii) a body that has become defunct.
- (4) When a council assumes the care, control and management of land, it must publish notice of that fact on its website.

180 Power to develop and improve land

A council may develop and improve land in its ownership or under its care, control and management.

181 Power to act as trustee

- (1) A council may act as a trustee of land or other property.
- (2) However, a council cannot assume an obligation to promote a particular religion (but this subsection does not prevent a council from accepting a gift on conditions requiring the council to maintain a particular part of a cemetery set apart for the members or adherents of a particular religious group or denomination).
- (3) A council may apply to the Supreme Court for an order varying the terms of a trust of which the council is a trustee.
- (4) Notice of an application describing the nature of the variation sought must be given:
 - (a) on the council's website; and
 - (b) by notice published in a newspaper circulating generally in the Territory; and
 - (c) in any other way directed by the Supreme Court.
- (5) If the Supreme Court is satisfied that it is not practicable for the council to give effect to the trust in its present form, the Court may vary the terms of the trust.
- (6) The council must publish notice of the making and effect of the order on its website.

182 Power to deal with and dispose of property

- (1) Subject to the Minister's guidelines, a council may deal with or dispose of property of which the council is the owner.
- (2) This section does not authorise a council to act in breach of trust or in breach of conditions on which the property was accepted by the council.

Part 12.2 Reserves and cemeteries

183 Reserves

- (1) If a council agrees, the Minister may, by *Gazette* notice, place a reserve in the council's area under the care, control and management of the council.
- (2) The council has, in relation to the reserve, the powers and functions of trustees appointed under section 79 of the *Crown Lands Act*.

184 Public cemeteries

- (1) A public cemetery situated in a council's area is under the care, control and management of the council.
- (2) A council has, in regard to such a cemetery, the powers of a Board of Trustees under the *Cemeteries Act*.

Exception

If a cemetery is managed by a local government subsidiary, the powers of a Board of Trustees under the *Cemeteries Act* are vested in the local government subsidiary.

- (3) A council may make by-laws for the management and control of a public cemetery.

Part 12.3 Roads

185 Roads

- (1) A **road** is:
 - (a) land vested in a council at the commencement of this Act as a road or a road reserve; and
 - (b) land vested in, or placed under the care control and management of, a council as a road or a road reserve, after the commencement of this Act, under this or some other Act; and
 - (c) land reserved, dedicated or resumed, with the council's agreement, as a public street, road or thoroughfare; and
 - (d) land transferred to the council in fee simple, and accepted by the council, as a public road; and

- (e) land declared by the council, by *Gazette* notice, to be a road with the consent of the owner of the land; and
 - (f) land vested in the council, with the council's agreement, by notice under subsection (2).
- (2) If a council agrees, the Minister may, by *Gazette* notice, vest Crown land in, or place Crown land under the care, control and management of, the council as a road or a road reserve.
 - (3) Land ceases to be a road if the road is permanently closed under this or any other Act.

186 Care control and management of roads

- (1) Subject to this section, all roads within an area are under the care, control and management of the council.
- (2) After consulting with a council, the Minister may, by *Gazette* notice withdraw a road from the care, control and management of the council and place it under the care control and management of the Territory.
- (3) Subject to any contrary agreement between the council and the Minister, if a road is vested in the council, a notice under subsection (2) divests the road from the council and vests it in the Territory.
- (4) If a council has the care, control and management of a road that is vested in someone else, then, subject to any contrary agreement between the council and the owner, the powers of the council to control and manage the road are exclusive of those of the owner.
- (5) While a road remains under the care, control and management of a council, the following belongs to the council:
 - (a) all vegetation growing on the road;
 - (b) anything erected on, or affixed to, the road except infrastructure or equipment belonging to the Commonwealth or the Territory or a statutory authority of the Commonwealth or the Territory.

187 Closing of roads

- (1) A council may temporarily or permanently close a road, or part of a road, under its care, control and management.

- (2) However, a road or part of a road is not to be permanently closed under subsection (1) unless:
 - (a) any relevant procedural requirements prescribed by regulation have been satisfied; and
 - (b) the following Ministers consent:
 - (i) the Minister responsible for the administration of the *Control of Roads Act*;
 - (ii) the Minister responsible for the administration of this Act.
- (3) Subject to any contrary agreement between a council and the Minister, if a road under the care, control and management of a council is vested in the Territory, and the road is permanently closed, the land comprising the road vests in the council in fee simple.

Chapter 13 Regulatory powers

Part 13.1 By-laws

188 Power to make by-laws

- (1) Subject to this Part, a council may make by-laws for the good governance of its area.
- (2) Regulations may be made defining the subjects that fall within the ambit of a council's power to make by-laws or excluding subjects from the ambit of a council's power to make by-laws.
- (3) A by-law may be of general or limited application.
- (4) A by-law binds the Territory and all its instrumentalities.
- (5) A by-law may impose a penalty, not exceeding 100 penalty units for an individual or 500 penalty units for a body corporate, for contravention of the by-law.
- (6) A by-law may also provide for a daily penalty, not exceeding 5 penalty units for an individual or 25 penalty units for a body corporate, for each day a contravention of the by-law continues.

189 Principles applying to by-laws

- (1) A by-law must conform with the following principles:
 - (a) a by-law must not exceed the power under which it is purportedly made;
 - (b) a by-law must not, without clear authority:
 - (i) operate retrospectively; or
 - (ii) impose a tax;
 - (c) a by-law must not shift the onus of proof to the accused in criminal proceedings unless:
 - (i) the offence is a parking offence or other minor traffic infringement; or
 - (ii) the shift of onus concerns only formal matters or matters peripheral to the substance of the offence; or
 - (iii) there is clear authority in the authorising legislation to shift the onus of proof to the accused;
 - (d) a by-law must not infringe personal rights in an unreasonable way or to an unreasonable extent.
- (2) A by-law should reflect the following principles:
 - (a) a by-law should be consistent with other legislation applying in the council's area;
 - (b) a by-law should not impose unreasonable burdens on the community;
 - (c) a by-law should not restrict competition unless the benefits of the restriction clearly outweigh the detriments;
 - (d) a by-law should avoid duplication of, or overlap with, other legislation;
 - (e) a by-law should be consistent with basic principles of justice and fairness;
 - (f) a by-law should be expressed plainly and in gender neutral language.

- (3) If a by-law infringes one or more principles stated in subsection (2) it is not necessarily invalid on that ground, but a court, in considering whether the by-law represents a reasonable exercise of the power under which the by-law was made, must take the infringement into account.
- (4) This section does not affect the validity of a by-law made before the commencement of this Act.

190 Making by-laws

- (1) Before a council makes a by-law:
 - (a) the council must at least 21 days before the meeting at which the council proposes to make the by-law:
 - (i) publish the proposed by-law on its website; and
 - (ii) make copies of the proposed by-law available for public inspection, without charge, at the council's office; and
 - (iii) give notice in a newspaper circulating in the area of the council of the availability of the by-law and of its general nature and effect; and
 - (b) the council must consider written representations made by members of the public about the by-law; and
 - (c) the council must obtain a certificate from a legal practitioner certifying that, in the legal practitioner's opinion, the by-law may be made consistently with the principles prescribed in this Part.
- (2) A special resolution of the council is required for making a by-law.

Note

Section 63 of the Interpretation Act is also relevant to the making of by-laws. Section 63(2) provides that by-laws must be signed by a person authorised by the council to sign them and forwarded to the Minister. Section 63(3) provides that, where by-laws are forwarded to the Minister, the Minister must cause them to be notified in the Gazette and must lay them before the Legislative Assembly within 3 sitting days after the Gazette notification. By-laws are then liable to disallowance by the Legislative Assembly under section 63(9). By-laws take effect when notified in the Gazette unless the by-laws themselves make provision for commencement on a later date (section 63(3)(b)).

191 Model by-laws

- (1) The Minister may, by *Gazette* notice, make, alter or revoke model by-laws dealing with a particular subject.

- (2) A model by-law must be published on the Agency's website.
- (3) A council may, by special resolution, adopt a model by-law, or an alteration to a model by-law, made by the Minister under this section.

192 Register of by-laws and certified copies

- (1) A council must keep a register of all by-laws made or adopted by the council.
- (2) The register must include the text of each by-law and of any code, standard or other document referred to or incorporated in the by-law.
- (3) The register:
 - (a) must be accessible on the council's website; and
 - (b) must be available for inspection at the council's public office.
- (4) A person is entitled, on payment of a fee fixed by the council, to a certified copy of a by-law.

Part 13.2 Regulatory orders

Division 1 Categories of regulatory order

193 Visual pollution

- (1) If visual pollution exists on land and it detracts significantly from the amenity of the surrounding neighbourhood, a council may make an order (a ***regulatory order***) requiring the owner or occupier of the land to take specified action to get rid of, or to reduce the impact of, the visual pollution.
- (2) ***Visual pollution*** exists on land if:
 - (a) the land itself is in an unsightly condition; or
 - (b) there is an unsightly structure or object on the land.

194 Mitigation of hazard or nuisance

A council may make an order (a ***regulatory order***) requiring the owner or occupier of land to remove or mitigate a hazard or nuisance, or potential hazard or nuisance.

Examples

- 1 *The council might require the owner to construct drains to prevent water from the land draining across an adjoining road.*
- 2 *The council might require the owner or occupier to cut back overhanging vegetation.*
- 3 *The council might require the owner or occupier to fence the land to prevent animals from running out from the land across a road.*
- 4 *The council might require the owner or occupier to clear away objects or materials that could prove hazardous to neighbours during a cyclone.*

195 Animals and activities involving animals

If an animal or an activity involving an animal is, or is likely to become, a hazard or nuisance, the council may make an order (a ***regulatory order***) requiring the owner or occupier of the land on which the animal is kept or the activity is carried out, to take specified action to remove or mitigate the hazard or nuisance.

Examples

- 1 *The council might require re-location of slaughtering activities to a place where they are less likely to cause offence or a risk to the health of others.*
- 2 *The council might require action to reduce the number of cats kept on a property.*
- 3 *The council might require action to reduce noise or odours.*

Division 2 Regulatory orders generally

196 Review of orders

A regulatory order is reviewable.

197 Time for carrying out work under regulatory order

- (1) A regulatory order must fix a reasonable period for taking the action required by the order.
- (2) The council may, from time to time, extend the time for compliance with the order on application by the person required to comply.

198 Non-compliance with order

- (1) A person who fails to comply with a regulatory order is guilty of an offence.

Maximum penalty: 100 penalty units.

- (1A) An offence against subsection (1) is an offence of strict liability.
- (1B) It is a defence to a charge of an offence against subsection (1) to prove that the defendant had a reasonable excuse for the non-compliance.
- (2) If a person fails to comply with a regulatory order, a person authorised by the council may, after reasonable notice to the occupier of the land, enter the land and carry out work, or take other action, required under the order.
- (3) The council may recover the cost of the work, or other action, as unpaid rates.

Note

It follows that fault elements that might otherwise be implied under section 43AM of the Criminal Code are excluded by the statement.

Part 19.9 Acquisition of property

257 Acquisition of property

- (1) If a person acquires property by operation of the relevant legislation, or an administrative act under the relevant legislation, on terms that would not (apart from this subsection) be just, the person from whom the property is acquired is entitled to compensation, sufficient to remedy the injustice, from the person who acquires the property.
- (2) The Supreme Court may, in an action brought by a person entitled to compensation under subsection (1), determine and make an order for the payment of the compensation.
- (3) If the Supreme Court is satisfied that:
 - (a) a body corporate from which property has been acquired by operation of the relevant legislation or an administrative act under the relevant legislation has been dissolved by or under the relevant legislation; and
 - (b) the body corporate would, but for its dissolution, have been a claimant for compensation under this section;

the Court may, by order, annul the dissolution of the body corporate and make any further provision that may be necessary or appropriate to secure the continued existence of the body corporate or to facilitate its claim for compensation under this section.

Note

The Court might, by its order, convert the body corporate into an association under the Associations Act. Such an order is possible even though its effect is to reverse the effect of legislative and administrative acts (such as the conversion of the body corporate from an association into a community government council by restructuring order under the former Act.) taken for the purpose of achieving transition to the system of local government provided by this Act.

- (4) However, the Court cannot restore the body corporate's powers of local government.
- (5) If:
 - (a) a body corporate that continues in existence by order of the Supreme Court under this section succeeds in its claim for compensation; and

- (b) the Court is satisfied that, if the former system of local government had continued, the body corporate would have been obliged to apply property for which an entitlement to compensation has been established for the benefit of a particular community or locality or for some other particular purposes;

the Court may make orders regulating the disposition or use of the compensation.

Note

The intention is that the ultimate beneficiaries of the compensation for acquisition of the property should be substantially the same as the ultimate beneficiaries of the property itself assuming it had remained in its former ownership and subject to the former administration.

- (6) This section operates retrospectively in relation to:
 - (a) an acquisition made under the relevant legislation before the commencement of this Act; or
 - (b) proceedings related to such an acquisition commenced before the commencement of this Act.
