- (2) A notice of proposal or notice of proposed acquisition under subsection (1) may relate to the acquisition of more than one area of land or more than one interest in the same area of land.

- (a) receives an application in accordance with the statement referred to in section 33(3)(c) and is satisfied that the applicant may have an interest in the land proposed to be acquired; or
 - (b) is advised in accordance with the statement referred to in section 33(3)(d) that a person has a claim for registration pending as described in section 33(3)(d),

within 14 days after receiving the application or being so advised, the Minister must cause a notice of proposal to be served on the applicant or person.

- (3) The serving of a notice of proposal under subsection (1)(b) or (f) or (2A) does not constitute:
- (a) an offer or binding agreement to acquire the land the subject of the notice; or
 - (b) a recognition by the Territory that the person on whom it is served has an interest in the land proposed to be acquired.

33 Form of notices

- (1) A notice of proposal is to be in the approved form and contain:
- (a) a description of the land proposed to be acquired;
 - (b) details of the manner in which it is proposed that the land, if acquired, will be dealt with;
 - (c) an invitation to the person on whom the notice is served to negotiate with the Minister the conditions of the acquisition of the person's interest by agreement under this Act and advice to the person that in the absence of agreement the land will be compulsorily acquired but that the land will only be acquired (whether by agreement or compulsorily) after all objections lodged in accordance with section 34 have been dealt with under this Part; and
 - (d) a statement:
 - (i) specifying, in accordance with section 34(1), the period within which the person served with the notice of proposal may lodge with the Minister an objection to the acquisition so far as it affects the person's interest in the land and the date on which that period commences (being 10 days after the date of publication of the notice of proposed acquisition); and
 - (ii) to the effect that, if the person is a registered native title claimant or registered native title body corporate or has a claim for registration pending as described in subsection (3)(d) in relation to any of the land, the person may lodge an objection to the acquisition so far as it affects the person's native title right and interests.

- (2) The Minister must cause to be served on each person served with a notice of proposal under section 32(1)(b) or (f) or (2A) a statement in the approved form summarising the rights of such persons under this Act.
- (3) A notice of proposed acquisition is to be in the approved form and contain:
- (a) a description of the land proposed to be acquired;
 - (b) details of the manner in which it is proposed that the land, if acquired, will be dealt with;
 - (c) a statement indicating that a person who has or claims to have an interest in the land that will be divested, modified or affected by the acquisition may, within 21 days of the date of publication of the notice, apply to the Minister for a notice of proposal and must indicate in the application the nature of the interest held or claimed;
 - (d) a statement indicating that if:
 - (i) within 3 months after the date specified in the notice of proposal referred to in paragraph (e), a person (other than a person served under section 32(1)(b)(i) or (ii)) advises the Minister in writing that the person has made an application to the Federal Court for a determination of native title in respect of any of the land proposed to be acquired; and
 - (ii) the Native Title Registrar has not yet decided whether or not to accept the claim for registration in the Federal Court application,the person may, within 4 months from the date specified in the notice of proposal referred to in paragraph (e), lodge an objection to the acquisition so far as it affects the native title rights and interests specified in the claim; and
 - (e) a statement indicating that a person referred to in paragraph (c) or (d) is not entitled under this Act to lodge an objection to the acquisition unless the person has been served with a notice of proposal under section 32(2A).

34 Lodgement of objections

(1) Where a person is served with a notice of proposal under section 32, the person may:

(a) if the person has a claim for registration pending as described in subsection 33(3)(d) – within 4 months after the date specified in the notice of proposal (being 10 days after the date of publication of the notice of proposed acquisition); or

(b) in any other case – within 2 months after the date specified in the notice of proposal (being 10 days after the date of publication of the notice of proposed acquisition) or within the further period allowed in writing by the Minister,

lodge with the Minister an objection to the acquisition so far as it affects that interest.

(1A) A person who claims to have native title rights and interests in land the subject of a proposal may only lodge an objection under subsection (1) if the person is a registered native title claimant in respect of those rights and interests.

(1B) An objection lodged under subsection (1)(a) is to be taken not to have been lodged if, by the end of 3 months from the date of publication of the notice of proposed acquisition, the Native Title Registrar:

(a) has not accepted the claim for registration; or

(b) has not yet decided whether or not to accept the claim for registration

(2) For the purposes of subsection (1), the objection of a registered native title claimant or registered native title body corporate in relation to any of the land proposed to be acquired may include an objection to the acquisition so far as it affects their registered native title rights and interests.

(3) An objection:

(a) is to be in the approved form;

(b) is to contain particulars of the effect that the acquisition would have on the interest that the person objecting has or claims to have in the land; and

- (c) is to be accompanied by the prescribed fee, unless payment of the fee has been waived by the Minister.
- (4) Subject to section 89A, compensation is payable to a person whose interest in land is acquired under this Part whether or not the person lodged an objection to the acquisition under section (1).
- (5) If there are no registered native title claimants or registered native title bodies corporate in relation to any of the land proposed to be acquired and either:
 - (a) the purpose of the acquisition is to confer rights or interests in relation to the land proposed to be acquired on the Territory and the Minister makes a statement in writing to that effect before the acquisition takes place;
 - (b) the purpose of the acquisition is to provide an infrastructure facility within the meaning of section 253 of the Native Title Act; or
 - (c) the acquisition relates solely to land or waters within a town or city within the meaning of section 251C of the Native Title Act, the representative Aboriginal/Torres Strait Islander body in relation to any of the land proposed to be acquired may, within 2 months after being served with a copy of the notice of proposal under section 32(1)(c) or within the further time allowed in writing by the Minister, lodge in writing with the Minister comments on the acquisition.
- (6) In addition to any other requirements of this Act relating to the consideration of objections and comments about a proposal, the Minister must consider any comments lodged under subsection (5) before determining whether or not to proceed with the proposal.

35 Modification or abandonment of proposal

- (1) The Minister may, at any time before the date of acquisition, modify or abandon a proposal.
- (2) The Minister must cause notice of any modification or abandonment of a proposal to be lodged with:
 - (a) each affected person; and

Part IV	Pre-acquisition procedures: acquisitions above highwater mark and acquisitions of native title below highwater mark for non-government purposes

- (c) if a copy of the notice of proposal was lodged with the Registrar-General or the Native Title Registrar under section 32(1)(d) – the Registrar-General or the Native Title Registrar, as the case may be.
- (3) The abandonment of a proposal under this section does not prevent the Minister from entering into negotiations to acquire the land the subject of the proposal by agreement under this Act or otherwise or prevent the acquisition of that land by such agreement.
- (4) A reference in this section to the modification of a proposal is to be read as a reference to a modification that results in either or both of the following:
 - (a) a reduction in the area of land proposed to be acquired;
 - (b) an alteration to the manner in which it is proposed to deal with the land if acquired, but not so as to have a greater impact (which, in the case of a proposal to deal with the land in a manner that affects native title rights and interests, means a greater impact or affect on native title) than the manner in which it was originally proposed to deal with the land.

Division 2 Consideration of objections

35A Agreement is anticipated and strongly encouraged

It is anticipated that the parties concerned will only have recourse to the provisions of this Act relating to the procedure for dealing with an objection to a proposal or determining compensation payable for the acquisition of an interest in acquired land if they are unable to resolve those objections by agreement or to reach an agreement about that compensation, and the parties concerned are strongly encouraged to resolve objections by agreement and to reach agreement about compensation; it being noted that the parties may enter into one or more agreements relating to the resolution of objections, compensation or both and that agreement may be reached, in the case of objections, at any time before the Minister decides to compulsorily acquire the land and, in the case of compensation, at any time before compensation is paid and, in either case, as a result of discussions held at any time and whether as part of the consultations under section 37 or otherwise than under this Act.

Part IV	Pre-acquisition procedures: acquisitions above highwater mark and acquisitions of native title below highwater mark for non-government purposes
Division 2	Consideration of objections

Subject to section 34(1B), within 14 days after the last day on which any person was entitled under section 34 to lodge an objection to a proposal, the Minister must invite each person who lodged an objection in accordance with section 34 to consult with the Minister in accordance with section 37.

37 Consultation and mediation

(1) Subject to section 34(1B), the Minister must consult with a person who lodged an objection in accordance with section 34 about the acquisition.

(2) Where under subsection (1) the Minister consults with any registered native title claimant or registered native title body corporate who objects to the acquisition, the consultation is to include consultation with the claimant or body about ways of minimising the impact of the acquisition on registered native title rights and interests in relation to the land, including (if section 24MD(6B)(e) of the Native Title Act applies in relation to the acquisition and it is relevant to do so) about any access to that land or the way in which anything authorised by the acquisition might be done.

(3) For the purposes of subsection (1), consultation is to take place over a period of:

- (a) if the proposal relates to less than 5 hectares of land – 3 months; or
- (b) if the proposal relates to 5 or more hectares of land – 4 months,

commencing at the end of 14 days after the last day on which any person is entitled under section 34 to lodge an objection to the proposal.

(4) Subject to subsection (4A) and section 38, at any time within the relevant consultation period referred to in subsection (3), the Minister and the person objecting to the acquisition may agree to refer the matter to mediation and the matter is to be taken to have been referred accordingly.

(4A) Subject to section 38, in the case of an acquisition to which section 5A(1)(b) applies, either the Minister or the person objecting to the acquisition may, after inquiring in writing of the other party as to that party's attitude towards mediation, refer the matter to

Part IV	Pre-acquisition procedures: acquisitions above highwater mark and acquisitions of native title below highwater mark for non-government purposes
Division 2	Consideration of objections

mediation and the matter is to be taken to have been referred accordingly.

- (5) For the purposes of subsections (4) and (4A):
- (a) the parties may agree on the appointment of a mediator; or
 - (b) if the parties agree to mediation under subsection (4) but cannot agree on the mediator or one of the parties refers the matter to mediation under subsection (4A) but the parties cannot agree on the mediator – either party may apply to the Tribunal for the appointment of a mediator under section 36 of the *Lands and Mining Tribunal Act*.
- (6) Nothing in this section is to be taken to prevent the parties from commencing consultations before the period referred to in subsection (3) commences.
- (7) The parties are encouraged to consult with a view to resolving objections and nothing in this section is to be taken to prevent the parties from doing so.

38 Application to Tribunal

At any time:

- (a) after:
 - (i) the end of the relevant consultation period referred to in section 37(3); or
 - (ii) if a matter was referred to mediation under section 37(4) or (4A) and the parties have agreed to the mediation being conducted or continuing to be conducted during a further period of 30 days after the relevant consultation period referred to in section 37(3) – the end of that further period; or
- (b) if the Minister and the person objecting have agreed in writing that neither party may take action under this section until after a longer period has expired – after that longer period,

either the Minister or the person objecting to the acquisition may apply to the Tribunal to have the objection to the acquisition heard.

38AA Criteria for making recommendation

42B Form of notices

45 Recommendations of Tribunal

- (1) Where the Tribunal makes a recommendation in relation to a proposal to acquire an interest in land other than native title rights and interests, the Minister must not compulsorily acquire the interest unless the Minister has taken the Tribunal's recommendation into account.
- (1A) Where, in relation to a proposal to acquire native title rights and interests, the Tribunal recommends that those rights and interests must not be compulsorily acquired, the Minister must comply with the recommendation unless the conditions specified in subsection (2) are satisfied.

Division 2 Action after acquisition

49 Service of notice of acquisition

- (1) Within one month after the date of acquisition of land compulsorily acquired under section 43(1)(b), the Minister:
- (a) must cause a search to be made of:
 - (i) the Register maintained by the Registrar-General under the *Land Title Act*; and
 - (ii) if native title rights and interests have been acquired – the Register of Native Title Claims and the National Native Title Register maintained under the Native Title Act;
 - (b) may make other inquiries to ascertain who, in the Minister's opinion, had an interest in the acquired land at the date of the acquisition; and
 - (c) must cause a copy of the notice of acquisition:
 - (i) to be served on the persons specified in subsection (1A);
 - (ii) to be published in a newspaper circulating in the area in which the acquired land is situated;
 - (iii) if the acquired land is under the provisions of the *Land Title Act* – to be lodged with the Registrar-General; and
 - (iv) if the acquired land has not been brought under that Act – to be lodged with the proper officer controlling any official register or record of that land.
- (1A) For the purposes of subsection (1)(c)(i), the following persons are to be served with a copy of the notice of acquisition:
- (a) each person whose interest in the land was or may have been, in the opinion of the Minister, divested, modified or affected by the acquisition of the land, including:
 - (i) the registered native title claimants (if any) in relation to any of the land; and

- (3) The Minister must cause to be served on each person served under subsection (1)(c)(i) a statement in the approved form summarising the rights of persons whose land has been acquired under this Act.
- (4) Service of a notice under subsection (1) does not of itself constitute a recognition by the Territory that the person on whom it is served has an interest in the land to which it relates.

50 Offers

- (1) If the Minister is of the opinion that:
 - (aa) a person specified in section 49(1A)(a) who has been served with a notice under section 49(1)(c)(i); or

has a claim for compensation under this Act that is reasonably capable of being assessed, unless the person is a registered native title claimant, the Minister must cause to be served on the person:

- (a) an offer of compensation that the Minister considers appropriate for the acquisition of that person's interest in the acquired land; or
- (b) an offer of the transfer of land and, if the transfer is instead of part only of that compensation, compensation.

(1AA) If the Minister is of the opinion that:

- (a) a person specified in section 49(1A)(a) who has been served with a notice under section 49(1)(c)(i); or
- (b) a person who has lodged a claim for compensation under section 52(1) and in relation to whom section 52(2) applies,

has a claim for compensation under this Act that is not reasonably capable of being assessed, unless the person is a registered native title claimant, the Minister must cause to be served on the person a notice to the effect that the Minister proposes to refer the matter of compensation to the Tribunal under section 51(b).

(1A) The Minister must cause to be served on a registered native title claimant specified in section 49(1A)(a)(i) who has been served with a notice under section 49(1)(c)(i) a notice to the effect that, at any time within 3 years after the date of acquisition, or within the further time the Tribunal allows under section 52(1A), the claimant may lodge a claim for compensation for the acquisition of the claimant's native title rights and interests in relation to the acquired land.

(1AB) Nothing in this section prevents the Minister from making an offer other than in accordance with this section to a person with a view to reaching agreement about compensation claimed.

(1B) Nothing in subsection (1) or (1A) is to be taken to affect the power of the Minister under section 89A to enter into an agreement with a registered native title claimant about compensation payable to the claimant.

(1C) In the absence of agreement, the compensation that may be payable to a person asserting the acquisition of an interest (other than a native title right or interest) in the acquired land that is not shown on the Register maintained by the Registrar-General under the *Land Title Act* is not determinable by the Tribunal until it is established in a court of competent jurisdiction that the person holds or, but for the acquisition, would have held the interest asserted in the acquired land.

- (1D) In the absence of agreement, compensation that may be payable to a native title holder or a person who asserts to have had a native title right or interest (including a person who held or asserts to have held that right or interest on behalf of a group among whose members any compensation paid would be distributed but not including a registered native title body corporate on whom a copy of a notice of acquisition under section 49(1A)(a)(ii) has been served) is not determinable by the Tribunal until an approved determination of native title to the effect of any of the following has been made:
- (a) that the person holds native title;
 - (b) that native title does not exist but did exist immediately before the acquisition and was held by the person;
 - (c) that native title does not exist and it is apparent from the terms of or the reasons for the determination that native title did exist immediately before the acquisition and was held by the person;
 - (d) that native title does not exist and it is not apparent from the terms of or the reasons for the determination whether native title existed immediately before the acquisition.

Note: Were the Federal Court to make a finding that native title does not exist, it is anticipated that the Court would make a determination of the kind referred to in section 50(1D)(b) or (c) rather than the kind referred to in section 50(1D)(d).

- (2) An offer of the transfer of land made under subsection (1)(b):
- (a) is, subject to this section, an offer of:
 - (i) possession of; and
 - (ii) title to,

land and improvements, if any, specified in the offer which is, in the opinion of the Minister, substantially equivalent to the land and improvements, if any, acquired under Division 1;
 - (b) may contain an offer to construct a building or other improvements which, in the opinion of the Minister would, when completed, be substantially equivalent to the building or improvements, as the case may be, on the acquired land; and
 - (c) shall specify:
 - (i) the nature of the title to that land which will be conveyed or transferred to that person; and

- (ii) the terms and conditions under which that title will be conveyed or transferred and possession will be given to the person to whom the offer is made.
- (3) An offer of the transfer of land referred to in subsection (2) shall be accompanied by:
 - (a) a statement or plan showing the location of the buildings or improvements on the land; and
 - (b) if the offer is an offer referred to in subsection (2)(b) – a copy of the plans and specifications of the buildings or improvements proposed to be constructed.
- (4) An offer may be modified or withdrawn by the Minister at any time before it is accepted in writing.

50A Compensation other than money in respect of native title

Without limiting the generality of section 50, where an interest in land in respect of which compensation is otherwise payable under this Act comprises native title rights or interests, the person or persons who are entitled to compensation may request that the compensation should be in a form other than money, and the Minister:

- (a) must consider the request; and
- (b) must negotiate in good faith in relation to the request.

51 Reference to Tribunal

If the Minister has served a notice under section 50(1AA) on any person in relation to his interest in acquired land:

- (a) he may pay the amount of compensation which he considers appropriate for the acquisition of the interest acquired into the Tribunal; and
- (b) whether or not the Minister has paid an amount into the Tribunal under paragraph (a), the Minister must, at the expiration of one month from the date on which the notice under section 50(1AA) is served, refer the matter to the Tribunal to be dealt with under Division 3 of Part VIII.

52 Claims

- (1) Where a person had, or asserts to have had, an interest in acquired land immediately before the date of acquisition, including:
- (a) a registered native title body corporate;
 - (b) a person asserting an interest (other than a native title right or interest) that is not shown on the Register maintained by the Registrar-General under the *Land Title Act*; and
 - (c) a registered native title claimant or any other person asserting a native title right or interest,

the person may, at any time within 3 years after the date of acquisition or within the further time the Tribunal allows under subsection (1A), lodge with the Minister a claim for compensation in the approved form.

- (1A) The Tribunal has the jurisdiction to extend the time for making a claim referred to in subsection (1) as if the claim were an action to which section 44 of the *Limitation Act* applies and the Tribunal were a court for the purposes of that section.
- (2) Where a person lodges a claim for compensation under subsection (1), the Minister must:
- (aa) if the person holds or, but for the acquisition, would have held an interest in the acquired land, including a registered native title body corporate who holds or would have held native title – within one month after the claim is lodged;
 - (a) if the person is asserting the acquisition of an interest (other than a native title right or interest) in the acquired land that is not shown on the Register maintained by the Registrar-General under the *Land Title Act* – within one month after being notified by the person that it has been established in a court of competent jurisdiction that the person holds or, but for the acquisition, would have held the interest asserted in the acquired land; or
 - (b) if the person was a registered native title claimant or otherwise had or asserts to have had a native title right or interest (including a person who held or asserts to have held that right or interest on behalf of a group among whose members any compensation paid would be distributed but not including a registered native title body corporate on whom a copy of a notice of acquisition under section 49(1A)(a)(ii) has been served) – within one month after being notified by the person that an approved determination of native title to the effect of

any of the following has been made:

- (i) that the person holds native title;
- (ii) that native title does not exist but did exist immediately before the acquisition and was held by the person;
- (iii) that native title does not exist and it is apparent from the terms of or the reasons for the determination that native title did exist immediately before the acquisition and was held by the person;
- (iv) that native title does not exist and it is not apparent from the terms of or the reasons for the determination whether native title existed immediately before the acquisition,

Note Were the Federal Court to make a finding that native title does not exist, it is anticipated that the Court would make a determination of the kind referred to in section 52(2)(b)(ii) or (iii) rather than the kind referred to in section 52(2)(b)(iv).

cause to be served on the person an offer under section 50(1)(a) or (b) or a notice under section 50(1AA) (as the case requires) in respect of the interest that the person had or asserts to have had in the acquired land.

- (2A) Nothing in subsection (2) prevents the Minister from making an offer to a person mentioned in that subsection with a view to reaching an agreement about compensation claimed.
- (3) If no claim is lodged within the 3 years referred to in subsection (1) or any further time allowed by the Tribunal under subsection (1A), claims for compensation and interest are, by virtue of this subsection, statute barred.

- (a) the Minister certifies that, having regard to:
 - (i) the urgency of the case; or
 - (ii) any other exceptional circumstances,it is not practicable to delay entry into possession of the acquired land for the 3 months referred to in subsection (1);
 - (b) the Minister and the former owner of the land or former native title holder in relation to the land enter into an agreement in relation to the entry by the Territory or other person into possession of the land; or

Part VII Compensation

- (1) Subject to section 63, the interest of any person in land acquired under Division 1 of Part V is, at the date of acquisition, converted into a claim for compensation against the Territory.
- (1A) A person who has a claim for compensation under subsection (1) may lodge that claim under section 52(1).
- (2) In the absence of agreement, compensation that may be payable to a native title holder is not determinable by the Tribunal until there is an approved determination of native title that the holder holds or, but for the acquisition, would have held native title in the acquired land.

Any affected person who:

- (a) sustained any loss; or
- (b) incurred any cost,

as a natural and reasonable consequence of the service of a notice of proposal on him may:

- (c) if the proposal is abandoned under section 35; or
- (d) if the land is not acquired within the time prescribed by this Act,

(2) In the absence of agreement, damages that may be payable to a native title holder or a person who asserts to have had a native title right or interest (including a person who held or asserts to have held that right or interest on behalf of a group among whose members any damages recovered would be distributed) is not determinable by the Tribunal until an approved determination of native title to the effect of any of the following has been made:

- (a) that the person holds native title;
- (b) that native title does not exist but did exist immediately before the acquisition and was held by the person;
- (c) that native title does not exist and it is apparent from the terms of or the reasons for the determination whether native title did exist immediately before the acquisition and was held by the person;
- (d) that native title does not exist and it is not apparent from the terms of or the reasons for the determination whether native title existed immediately before the acquisition.

Note: Were the Federal Court to make a finding that native title does not exist, it is anticipated that the Court would make a determination of the kind referred to in section 61(2)(b) or (c) rather than the kind referred to in section 61(2)(d).

62 Prepayments

(1) Upon the service on a person of an offer of compensation under section 50(1)(a), unless an amount of compensation for the person's interest has been paid into the Tribunal under section 51(a), there shall be payable to that person out of moneys appropriated for the purpose an amount of money equal to 90% of

the amount of compensation offered.

- (2) If the amount of money paid under subsection (1) exceeds the amount of compensation determined under this Act for the acquisition of the interest of the person to whom the money was paid, that person shall be liable to pay to the Territory as a debt due, an amount of money equal to the difference between the amount paid to him under subsection (1) and the amount of compensation determined under this Act in respect of his interest.

- (1) If the Minister decides to compulsorily acquire land in respect of which native title rights and interests exist or may exist subject to a condition that a specified amount be paid into trust in respect of compensation that will or may be payable for the effect of the acquisition on those native title rights and interests, the Territory must pay that amount into the Lands Trust Fund.

- (2) Moneys paid into the Lands Trust Fund under subsection (1) and interest earned on those moneys are to be used to pay amounts in respect of the compensation payable by the Territory to the native title holder.

83C How trust amounts to be dealt with

- (1) This section applies if an amount (in this section called ***the trust amount***) is being held in the Lands Trust Fund in respect of a compulsory acquisition and any of the following happen:
- (a) an approved determination of native title that native title does not exist in the land the subject of the acquisition is made;
 - (b) the Minister informs the trustee in writing that he or she is not going to compulsorily acquire the land;
 - (c) the following requirements are satisfied:
 - (i) an approved determination of native title that native title in the land the subject of the acquisition exists has been made;
 - (ii) the relevant registered native title body corporate advises the trustee in writing that it wishes to accept the trust amount instead of any compensation to which the native title holder may be entitled under this Act for the effect of the acquisition;
 - (iii) the Minister advises the trustee in writing of his or her agreement to the registered native title body corporate accepting the trust amount instead of any compensation to which the native title holder may be entitled under this Act for the effect of the acquisition;
 - (d) a determination is made by the Tribunal, on a claim for compensation in respect of the acquisition, that a person is entitled to compensation or that no compensation is payable to any person;
 - (e) none of paragraphs (a), (b), (c) and (d) applies and, on the application of any person, the Supreme Court decides that it would be just and equitable in all the circumstances to pay the trust amount to that person or another person (it not however being a sufficient ground for the purposes of this paragraph that a person has made or is required to make an application to the Federal Court for a determination of native title in respect of any of the land the subject of the acquisition).

- (2) Where subsection (1)(a) or (b) applies, the trustee must repay the trust amount to the Territory.

 - (a) if the trust amount is the same as the amount determined – the trustee must pay the trust amount to the person;
 - (b) if the trust amount is less than the amount determined – the trustee must pay the trust amount to the person and the Territory must pay the shortfall to the person; or
 - (c) if the trust amount is more than the amount determined, the trustee must:
 - (i) pay the person so much of the trust amount as equals the amount determined; and
 - (ii) refund the excess to the Territory.
- (5) Where subsection (1)(d) applies and the transfer of property or the provision of goods or services constitutes some or all of the compensation, the trustee must apply to the Supreme Court for a direction as to the payment of the trust amount.

- (7) Where subsection (1)(e) applies, the trustee must pay the trust amount in accordance with the decision of the Supreme Court.
- (8) If the Minister enters into a written agreement with a registered native title claimant that the claimant accepts the trust amount or part thereof on behalf of the native title holders who are signatories to the agreement, being all the native title holders in relation to the land the subject of the acquisition, instead of any compensation to which those native title holders may be entitled under this Act for the effect of the acquisition, the trustee:

- (a) must pay the trust amount or part thereof in accordance with the agreement to the registered native title claimant; and
 - (b) if applicable – must pay the remainder of the trust amount to the Territory; and
 - (c) the native title holders who are signatories to the agreement have no further entitlement to compensation for the effect of the acquisition under this Act.
- (9) The Minister must not enter into an agreement under subsection (8) unless satisfied that, having regard to the information (if any) provided by the Aboriginal/Torres Strait Islander body or bodies in relation to any of the land the subject of the acquisition and any other relevant matter, the signatories to the agreement are the only native title holders in relation to that land and that it is unlikely that there are any other native title holders in relation to that land.

- (3) A delegation under subsection (1) does not prevent the Minister performing a function or exercising a power.

95 Regulations

- (1) The Administrator may make regulations, not inconsistent with this Act, prescribing all matters which by this Act are required or permitted to be prescribed or which are necessary or convenient to be prescribed for carrying out or giving effect to this Act (except matters in respect of which Rules of Court may be made).
- (2) Without limiting the generality of subsection (1), the Regulations may include provisions:
 - (c) providing for:
 - (i) the payment of compensation (including payment by a person other than the Territory) in respect of an acquisition of land the purpose of which is to confer a right or interest in relation to the land on a person other than the Territory; and

- (ii) the recovery from the person on whom the right or interest is to be conferred of other costs and expenses reasonably incurred by the Territory in the course of making the acquisition.

Schedule 1 Repealed Statutes

section 3

Land Clauses Consolidation Act 1847

Land Clauses Consolidation Act 1855-6

Land Clauses Consolidation Act 1881

Schedule 2 Rules for the assessment of compensation

section 66

1 Value to the owner

Subject to this Schedule, the compensation payable to a claimant for compensation in respect of the acquisition of land under this Act is the amount that fairly compensates the claimant for the loss he has suffered, or will suffer, by reason of the acquisition of the land.

1A Rules to extend to native title rights and interests

To the extent possible, these rules, with the necessary modifications, are to be read so as to extend to and in relation to native title rights and interests.

2 Market value, special value, severance, disturbance

Subject to this Schedule, in assessing the compensation payable to a claimant in respect of acquired land the Tribunal may take into account:

- (a) the consideration that would have been paid for the land if it had been sold on the open market on the date of acquisition by a willing but not anxious seller to a willing but not anxious buyer;
- (b) the value of any additional advantage to the claimant incidental to his ownership, or occupation of, the acquired land;
- (c) the amount of any reduction in the value of other land of the claimant caused by its severance from the acquired land by the acquisition; and
- (d) any loss sustained, or cost incurred, by the claimant as a natural and reasonable consequence of:
 - (i) the acquisition of the land; or
 - (ii) the service on the claimant of the notice of proposal,for which provision is not otherwise made under this Act.

3 Market value for use other than existing use

If the amount referred to in rule 2(a) is determined upon the basis of a use for a purpose which is not the purpose for which the land was used on the date of acquisition, no amount shall be allowed under rule 2(d) in respect of any:

- (a) loss that would have been sustained; or
- (b) costs that would have been incurred,

in adapting the land for use for that other purpose.

4 Circumstance peculiar to the claimant

For the purposes of rule 2(d), in determining whether a particular loss sustained, or cost incurred, by a claimant is a natural and reasonable consequence of:

- (a) the acquisition of the land; or
- (b) the service on the claimant of the notice of proposal,

the Tribunal shall take into account any circumstances peculiar to the claimant.

6 Determinable interests

If, at the date of acquisition, the interest of the claimant in the land was:

- (a) due to expire; or
- (b) liable to be determined,

the Tribunal shall take into account any reasonable prospect of renewal or continuation of the interest, and the likely terms and conditions of that renewal.

7 Cost of acquiring other land

(1) If:

- (a) the acquired land:
 - (i) was, immediately before the date of acquisition, used for a purpose for which there is no general demand or market for land; and
 - (ii) but for the acquisition, would have continued to have been used for that purpose; and

- (b) the claimant has acquired, or genuinely intends to acquire, other land suitable for that purpose,

the Tribunal shall take into account, in place of the amount referred to in rule 2(a), an amount ascertained by adding:

- (c) the cost of acquiring the other land; and
- (d) the cost and losses incurred or likely to be incurred by the claimant as a result of, or incidental to, relocation,

in each case calculated at the date when, in all the circumstances, it was or would be reasonably practical for the claimant to incur the cost or losses.

- (2) In assessing the amount of compensation under subrule (1) the Tribunal shall have regard to the amount, if any, by which the claimant has improved, or is likely to improve, his financial position by the relocation.

8 Matters not to be taken into account

The Tribunal shall not take into account:

- (a) any special suitability or adaptability of the acquired land for a purpose for which it could only be used:
 - (i) in pursuance of a power conferred by law; or
 - (ii) by the Commonwealth or the Territory, a statutory corporation to which the *Financial Management Act* applies, or a municipal council or community government council within the meaning of the *Local Government Act*;
- (b) any increase in value of the acquired land resulting from its use or development contrary to law;
- (c) any increase or decrease in the amount referred to in rule 2(a) arising from:
 - (i) the carrying out; or
 - (ii) the proposal to carry out,the proposal; or
- (d) any increase in the value of the land caused by construction, after the notice of proposal was served on the claimant, of any improvements on the land without the approval of the Minister.

9 Intangible disadvantages

(1) If the claimant, during the period commencing on the date on which the notice of proposal was served and ending on the date of acquisition:

- (a) occupied the acquired land as his principal place of residence; and
- (b) held an estate in fee simple, a life estate or a leasehold interest in the acquired land,

the amount of compensation otherwise payable under this Schedule may be increased by the amount which the Tribunal considers will reasonably compensate the claimant for intangible disadvantages resulting from the acquisition.

(2) In assessing the amount payable under subrule (1), the Tribunal shall have regard to:

- (a) the interest of the claimant in the land;
- (b) the length of time during which the claimant resided on the land;
- (c) the inconvenience likely to be caused to the claimant by reason of his removal from the acquired land;
- (d) the period after the acquisition of the land during which the claimant has been, or will be, allowed to remain in possession of the land;
- (e) the period during which the claimant would have been likely to continue to reside on the land; and
- (f) any other matter which is, in the Tribunal's opinion, relevant to the circumstances of the claimant.

10 Mortgage debts

The amount of compensation payable to a mortgagee in respect of a debt secured by a mortgage over acquired land shall not exceed the amount of compensation that would be payable for the acquisition of all interests in the land if there had been no mortgage secured over that land.

11 Loans

- (1) If the amount of compensation assessed in accordance with this Schedule is insufficient to enable a claimant who occupied the acquired land as his principal place of residence continuously between the date of service of the notice of intention and the date of acquisition and:
- (a) who held an interest in fee simple or a native title right or interest in the acquired land;
 - (b) in whom an equity of redemption in respect of that land was vested; or
 - (c) who held a lease of that land granted under an Act:
 - (i) in perpetuity;
 - (ii) for a term of not less than 99 years;
 - (iii) with a right of purchase; or
 - (iv) which contained terms and conditions prohibiting the claimant from erecting or using any building on the land other than a dwelling-house,

to purchase land to be used as a principal place of residence providing accommodation reasonably comparable with the accommodation on the acquired land, the Minister may offer to grant a loan to the claimant of an amount which, when added to the amount of compensation otherwise payable in respect of the acquired land, would be sufficient to enable the claimant to purchase land on which there is accommodation reasonably comparable with the accommodation on the acquired land.

- (2) The Minister shall, when making an offer under subrule (1), specify the maximum amount of the loan he is prepared to grant.
- (3) Repayment of a loan granted in accordance with this rule shall be secured by a mortgage to the Territory of the land purchased to provide the comparable accommodation.
- (4) A mortgage under subrule (3):
- (a) shall provide for the amount secured to be repayable forthwith if:
 - (i) the land the subject of the mortgage is sold;

- (ii) the claimant and his spouse or de facto partner cease to use the land as a principal place of residence; or
 - (iii) if both the claimant and his spouse or de facto partner have died; and
- (b) shall contain such other terms and conditions as the Minister thinks fit to secure the repayment of the loan.

12 Interpretation

- (1) In rules 9 and 11, a reference to a claimant includes a reference to a claimant's spouse and his de facto partner if any.
- (2) In this Schedule, ***de facto partner*** means:
- (a) in relation to a man – a woman who is living with him as his wife on a bona fide domestic basis although not married to him; and
 - (b) in relation to a woman – a man who is living with her as her husband on a bona fide domestic basis although not married to her.
