8 Contents of infringement notice

- (1) The infringement notice must specify the following particulars:
 - (a) the name and address of the alleged offender, if known;
 - (b) the date of the infringement notice;
 - (c) the date, time and place of the infringement offence;
 - (d) a description of the infringement offence and the prescribed amount payable for the offence;

- (2) Also, this Part does not prevent more than one infringement notice for the same infringement offence being given to an alleged offender and, to expiate the offence, it is sufficient for the alleged offender to pay the prescribed amount in accordance with any of the notices.
- (3) In addition, this Part does not require an infringement notice to be given and does not affect the liability of a person to be prosecuted in a court for an infringement offence for which an infringement notice has not been given.
