3 Prescribed fees and amounts

The prescribed fee or amount under those sections of the Act specified in Column 1 of the Schedule for or in respect of a matter described opposite in Column 2 is the amount shown opposite in Column 3.

4 Rent increase to cover GST

- (1) If an annual rent prescribed by these Regulations for a permit or licence mentioned in section 26, 39 or 53 of the Act is payable in respect of a period any of which is after 30 June 2000, the amount of the rent payable in respect of the period after 30 June 2000 is increased by the amount of the GST component.
- (2) Despite that rent in respect of a period after 30 June 2000 may have been paid, the additional amount of the GST component may be separately charged and is payable by the permittee or licensee within 1 month after the date the charge is made.
- (3) The GST component of rent in respect of a period after 30 June 2000 is to be calculated in accordance with the formula:

$$\text{GST component} = (\text{AR}/10) \times (\text{GST period}/366)$$

where:

AR is the relevant annual rent prescribed; and

GST period is the number of days that are in the period after 30 June 2000.

- (4) In this regulation **GST** has the same meaning as in the *A New Tax System (Goods and Services Tax) Act 1999* of the Commonwealth.
