Schedule 2 Warnings

regulation 11

1. This warning is to be read to the purchaser by an officer authorised by the Commissioner, or member of the Police Force of the Northern Territory who is witnessing this contract.

"This is to warn you that you are signing away many of your consumer rights and entitlements to warranty repairs to this vehicle and, should you experience a breakdown or require a repair that under the law the dealer is required to repair or see to, you may have to cover these costs yourself. However, you can still expect the vehicle you are purchasing (the subject of this form) to be fit for its intended purpose, which for example requires the vehicle to be safe and remain registrable under Northern Territory law for a reasonable time after you purchase it. If you experience difficulties with this vehicle or it breaks down after purchase, contact the dealer immediately. Keep this form safe and if you have any further queries regarding this, you are advised to contact Consumer Affairs."

2. This warning is to be read to the purchaser by an officer authorised by the Commissioner, or member of the Police Force of the Northern Territory who is witnessing this contract.

"This is to warn you that the vehicle purchased under this contract may not be fit to drive on a public road and may not be safe to use. Therefore it should not be driven by you from the dealer's yard in its present condition. Using this vehicle on a public road in its present unregistrable condition could place you and others at risk."
