Regulations under the Superannuation Act 1986

1 Citation

These Regulations may be cited as the *Superannuation Regulations* 1986.

2 Commencement

These Regulations shall come into operation on the commencement of the *Superannuation Act 1986*.

4 Public authorities

For paragraph (b) of the definition *public authority* in section 3(1) of the Act, the authorities and bodies listed in the Schedule are classified as public authorities.

5 Approved allowances

- (1) For the purpose of the definition of *approved allowance* in rule 1 of the Rules, the following are to be regarded as part of a member's contribution salary at his entry date or annual review date:
 - (a) an allowance which is automatically included in contribution salary if payable to a member at that date which is:
 - (i) paid in recognition of a particular skill, qualification or level of proficiency; or
 - (ii) payable as compensation for a loss of salary or wages incurred by him while he is undergoing a course of training for the purpose of promotion to another office; or
 - (iii) a Northern Territory allowance (at the rate received); or
 - (iv) where the member has not attained the age of 21 years payable by reason of his:
 - (A) being married; or

- (B) being required to perform duties or work of a kind normally performed by a person who has attained the age of 21 years; or
- (v) payable in respect of housing or quarters while he holds a particular office or performs particular duties or work (or an amount equal to the value of the rent free use of premises or quarters made available to him by reason of his holding a particular office or performing particular duties or work);
- (b) subject to subregulation (2), an allowance which is conditionally included in his contribution salary if payable that date, which is:
 - payable for his being in charge of staff, equipment or premises, or for particular administrative responsibilities, or by reason that he is required to perform a special function as part of his duties or work; or
 - (ii) payable as compensation for the physical hardship or discomfort associated with the duties or work he is required to perform; or
 - (iii) payable by reason that he is liable to be called upon at any time during which he is off duty; or
 - (iv) payable in lieu of payments for overtime or other extra duty work; or
 - (v) payable for shift work, being an allowance equal to so much of his salary or wages as is payable under the terms and conditions of his employment, solely by reason of his performing work or duties during specified hours that are, under those terms and conditions of employment, normal hours of duty for the eligible employee; or
 - (vi) payable by reason that he temporarily performs the whole or part of the duties of an office of higher classification than the classification of the office occupied by him; or
 - (vii) an industry allowance payable to him.
- (2) For the purposes of subregulation (1)(b), and of the definition of approved allowance in rule 1 of the Rules, an allowance shall not be regarded as having been or likely to be received in regular payments unless it is paid or is payable for not fewer than 75% of the pay periods in the 12 months immediately before or after the

entry date or the relevant annual review date, as the case may be.

- (3) For the purposes of subregulation (1)(b), and of the definition approved allowance in rule 1 of the Rules, where the amount of the allowance paid or payable to a member:
 - (a) does not vary from pay period to pay period (except because of general increases in salary or arbitration decisions) – his contribution salary, as determined at his entry date or annual review date, shall be taken to include the amount of the allowance paid or payable at that date, expressed as an annual rate or amount; and
 - (b) may vary from pay period to pay period (for example, in the case of a shift allowance) his contribution salary, as determined at his entry date or annual review date, shall be taken to include the amount paid or due to him in the 12 months preceding that date.
- (4) For the purposes of subregulation (3)(b), a payment in lieu of a shift allowance otherwise likely to have been received by a member during a period of leave shall be regarded as a shift allowance.
