- (3) This Act does not apply to a construction contract to the extent to which it contains provisions under which a party is bound to carry out construction work, or to supply goods or services that are related to construction work, as a prescribed employee of the party for whom the work is to be carried out or to whom the goods or services are to be supplied.
- (4) This Act, or a provision of this Act, does not apply to a construction contract, or a class of construction contracts, prescribed by the Regulations as a contract or class of contracts to which this Act, or that provision, does not apply.

Part 3 Adjudication of disputes

Division 1 Object of adjudication

26 Object

The object of an adjudication of a payment dispute is to determine the dispute fairly and as rapidly, informally and inexpensively as possible.

Division 2 Starting adjudication

27 Who can apply for adjudication

If a payment dispute arises under a construction contract, any party to the contract may apply to have the dispute adjudicated under this Part unless:

- (a) the matter has already been the subject of a valid determination; or
- (b) the dispute is the subject of an order, judgment or other finding by an arbitrator or other person or a court or other body dealing with a matter arising under the contract.

28 Applying for adjudication

- (1) To apply to have a payment dispute adjudicated, a party to the contract must, within 65 working days after the dispute arises or, if applicable, within the period provided for by section 39(2)(b):

- (a) prepare a written application for adjudication; and
- (b) serve it on each other party to the contract; and
- (c) serve it on:
 - (i) if the parties to the contract have appointed a registered adjudicator and that adjudicator consents – the adjudicator; or
 - (ii) if the parties to the contract have appointed a prescribed appointer – the appointer; or
 - (iii) otherwise – a prescribed appointer chosen by the party; and
- (d) provide any deposit or security for the costs of the adjudication that the adjudicator or prescribed appointer requires under section 46(7) or (8).

- (2) The application must:

- (a) be prepared in accordance with, and contain the information prescribed by, the Regulations; and
- (b) state the details of or have attached to it:
 - (i) the construction contract involved or relevant extracts of it; and

- (ii) any payment claim that has given rise to the payment dispute; and
- (c) state or have attached to it all the information, documents and submissions on which the party making it relies in the adjudication.
- (3) The first day of the time period mentioned in subsection (1) is the day after the payment dispute arises, as set out in section 8.

28A Withdrawing an application for adjudication

- (1) If a party has applied for adjudication of a dispute under section 28(1), the party may withdraw the application before an adjudicator has been appointed by giving written notice to:
 - (a) the prescribed appointer served with the application under section 28(1)(c)(ii) or (iii); and
 - (b) each other party to the contract.
- (2) If an adjudicator has been appointed, the party may withdraw the application by giving written notice to:
 - (a) the adjudicator; and
 - (b) each other party to the contract.
- (3) However, the adjudicator must refuse the withdrawal if:
 - (a) a party to the contract objects to the withdrawal; and
 - (b) in the opinion of the adjudicator, the party objecting to the withdrawal has a legitimate interest in obtaining a determination of the application.

29 Responding to application for adjudication

- (1) Within 15 working days after the date on which a party to a construction contract is served with an application for adjudication, the party must prepare a written response to the application and serve it on:
 - (a) the applicant and on any other party that has been served with the application; and
 - (b) the appointed adjudicator or, if there is no appointed adjudicator, on the prescribed appointer on which the application was served under section 28(1)(c).

- (2) The response must:
- (a) be prepared in accordance with, and contain the information prescribed by, the Regulations; and
 - (b) state the details of, or have attached to it, any rejection or dispute of the payment claim that has given rise to the dispute; and
 - (c) state or have attached to it all the information, documents and submissions on which the party making it relies in the adjudication.
- (3) However, in the response, the party responding to the application for adjudication is not required to provide information or documents that have already been provided by the applicant in the application.

30 Appointment of adjudicator in absence of agreed appointment

- (1) If an application for adjudication is served on a prescribed appointer, the appointer must, within 5 working days after being served:
- (a) appoint a registered adjudicator to adjudicate the payment dispute concerned; and
 - (b) send the application and any response received by it to the adjudicator; and
 - (c) give written notice to the parties and Registrar accordingly.
- (1A) Within 2 working days of being served with an application for adjudication and before appointing a registered adjudicator in accordance with subsection (1)(a), the prescribed appointer may consult with the parties about the qualifications that are required for the person who will be appointed as adjudicator.

Note for subsection (1A)

The period mentioned in subsection (1) applies regardless of whether the prescribed appointer consults with the parties under this subsection.

- (2) If a prescribed appointer does not make an appointment under subsection (1), the Registrar may appoint a registered adjudicator to adjudicate the payment dispute concerned.

- (3) If the Registrar makes an appointment under subsection (2), the Registrar must:
 - (a) give written notice to the prescribed appointer accordingly and require the appointer to serve the application and any response received by it on the adjudicator appointed by the Registrar; and
 - (b) give written notice to the parties accordingly.
- (4) If satisfied that the appointed adjudicator is unable, for any reason, to perform an adjudication, the prescribed appointer or the Registrar (whichever appointed the adjudicator) may appoint a substitute adjudicator at any time before a determination is made.

31 Disqualification of adjudicator on grounds of conflict of interest

- (1) An appointed adjudicator is disqualified from adjudicating the dispute if the adjudicator has a material personal interest in:
 - (a) the payment dispute concerned; or
 - (b) the construction contract under which the dispute has arisen; or
 - (c) any party to the contract.
- (2) If an appointed adjudicator is disqualified, the adjudicator must give written notice to the parties and Registrar of the disqualification and the reasons for it.
- (3) A party to a payment dispute may apply to the Registrar for, and the Registrar may make, a declaration that the appointed adjudicator is disqualified under subsection (1) from adjudicating the dispute.
- (4) The application must be made before the person is notified of a decision or determination made under section 33(1).
- (5) If the Registrar makes the declaration sought, the Registrar must give written notice to the adjudicator and the parties of the declaration.
- (6) If a notice (a **disqualification notice**) is given by or to an appointed adjudicator under subsection (2) or (5), the adjudicator's appointment ends 5 working days after the date of the disqualification notice unless, before the end of that period, each party gives the adjudicator written authority to continue as the appointed adjudicator.

- (6A) If the appointment of an appointed adjudicator ends under subsection (6):
- (a) the applicant may make a further application for adjudication under section 28; and
 - (b) in calculating the period within which the application may be made, the period from the date on which the previous application was served under section 28(1)(c) to the date on which the appointment ends is not counted.
- (6B) However if, as calculated under subsection (6A)(b), the applicant does not have at least 10 working days to make the further application, the further application may be made within 10 working days after the date on which the appointment ends.
- (7) If the Registrar refuses to make the declaration sought, the Registrar must give written notice to the adjudicator and the parties of the refusal.

Division 3 Adjudication process

33 Adjudicator's functions

- (1) An appointed adjudicator must, within the prescribed time or any extension of it under section 34(3)(a):
- (a) dismiss the application without making a determination of its merits if:
 - (i) the contract concerned is not a construction contract; or
 - (ii) the application has not been prepared and served in accordance with section 28; or
 - (iia) the dispute that is the subject of the application is also the subject of another application that has not been dismissed or determined; or
 - (iii) an arbitrator or other person or a court or other body dealing with a matter arising under a construction contract makes an order, judgment or other finding about the dispute that is the subject of the application; or
 - (iv) satisfied it is not possible to fairly make a determination:
 - (A) because of the complexity of the matter; or
 - (B) because the prescribed time or any extension of it is not sufficient for another reason; or

- (b) otherwise – determine on the balance of probabilities whether any party to the payment dispute is liable to make a payment or to return any security and, if so, determine:
 - (i) the amount to be paid, or security to be returned, and any interest payable on it under section 35; and
 - (ii) the date on or before which the amount must be paid or the security must be returned.
- (1A) Despite subsection (1)(a), the appointed adjudicator may proceed to determine an application that contains technical deficiencies if those deficiencies do not affect the merits of the application, and the Act has been substantially complied with.
- (1B) If the construction contract provides for liquidated damages, an amount determined under subsection (1)(b) to be payable may include an amount assessed as liquidated damages.
- (2) If the application is not dismissed or determined under subsection (1) within the prescribed time, or any extension of it under subsection (2B) or section 34(3)(a), the application is taken to be dismissed when the time ends.
- (2A) Despite subsection (2), an application is not taken to be dismissed when the time ends if proceedings have been commenced in the Supreme Court in relation to the matter the subject of the application.
- (2B) The appointed adjudicator may, without the consent of the parties, extend the prescribed time by an additional 5 working days if the adjudicator is satisfied an extension of time is necessary to ensure procedural fairness in the making of a determination.

Note for subsection (2B)

This subsection does not affect the ability of an appointed adjudicator to extend time under section 34(3)(a).

- (3) In this section:

prescribed time means:

- (a) if the appointed adjudicator is served with a response under section 29(1) – 10 working days after the date of the service of the response; or
- (b) otherwise – 10 working days after the last date on which a response is required to be served under section 29(1).

34 Adjudication procedure

- (1) For making a determination, an appointed adjudicator:
 - (a) must act informally and if possible make the determination on the basis of:
 - (i) the application and its attachments; and
 - (ii) if a response has been prepared and served in accordance with section 29, the response and its attachments; and
 - (b) is not bound by the rules of evidence and may inform himself or herself in any way the adjudicator considers appropriate.
- (2) In order to obtain sufficient information to make a determination, an appointed adjudicator may:
 - (a) request a party to make a, or a further, written submission or to provide information or documents, and may set a deadline for doing so; or
 - (b) request the parties to attend a conference with the adjudicator; or
 - (c) unless all the parties object:
 - (i) inspect any work or thing to which the payment dispute relates, provided the occupier of any place concerned consents to the entry and inspection; or
 - (ii) arrange for anything to which the payment dispute relates to be tested, provided the owner of the thing consents to the testing; or
 - (iii) engage an expert to investigate and report on any matter relevant to the payment dispute.
- (3) An appointed adjudicator may do any of the following:
 - (a) with the Registrar's consent, extend the time for making a determination under section 33(1);
 - (b) if it will not adversely affect the ability of the adjudicator to adjudicate the payment disputes – adjudicate simultaneously 2 or more payment disputes between the same parties;

- (c) if it will not adversely affect the ability of the adjudicator to adjudicate the payment disputes – adjudicate the payment dispute simultaneously with another payment dispute between different parties.
- (4) If an appointed adjudicator adjudicates simultaneously 2 or more payment disputes, the adjudicator may, in adjudicating one, take into account information or documents the adjudicator receives in relation to the other and vice versa.
- (5) An adjudicator's power to make a determination is not affected by the failure of either or both of the parties to make a submission or provide information or documents within time or to comply with the adjudicator's request to attend a conference with the adjudicator.
- (6) To the extent that the practice and procedure in relation to adjudications is not regulated by this Part or the Regulations, an appointed adjudicator may determine the adjudicator's own procedure.

35 Interest until determination

- (1) If an appointed adjudicator determines that a party to a payment dispute is liable to make a payment, the adjudicator may also determine that interest must be paid on:
 - (a) if the payment is overdue under the construction contract – the payment in accordance with the contract; or
 - (b) otherwise – the whole or a part of the payment from the date the payment dispute arose at a rate not greater than the rate prescribed by the Regulations until and including the date of the determination.
- (2) Subsection (1) does not authorise the awarding of interest on interest.

36 Costs of parties to payment disputes

- (1) The parties to a payment dispute bear their own costs in relation to an adjudication of the dispute (including the costs the parties are liable to pay under section 46).
- (2) However, if an appointed adjudicator is satisfied a party to a payment dispute incurred costs of the adjudication because of frivolous or vexatious conduct on the part of, or unfounded submissions by, another party, the adjudicator may decide that the other party must pay some or all of those costs.

- (3) If an appointed adjudicator makes a decision under subsection (2), the adjudicator must:
 - (a) decide the amount of the costs and the date on which the amount is payable; and
 - (b) give written notice of the decisions and the reasons for them to the parties.
- (4) Divisions 4 and 5 apply (with the necessary changes) to a decision made under subsection (2) as if it were a determination of an appointed adjudicator.

37 Evidentiary value of certificates of completion and amounts payable

- (1) This section applies if:
 - (a) the construction contract to which a payment dispute relates provides for a person to certify:
 - (i) obligations under the contract have been performed; or
 - (ii) the amount of a payment that must be made by a party; and
 - (b) the certificate is provided by a party to an adjudication in the course of adjudication.
- (2) For the adjudication:
 - (a) if the certificate relates to the final amount payable under the contract and has the effect of finalising the contract – the certificate is taken to be conclusive evidence of its contents; or
 - (b) otherwise – the certificate has the evidentiary weight the appointed adjudicator considers appropriate.

38 Content of determination

- (1) An appointed adjudicator's decision made under section 33(1)(b) must:
 - (a) be in writing; and
 - (b) be prepared in accordance with, and contain the information prescribed by, the Regulations; and

- (c) state:
 - (i) the amount to be paid and the date on or before which it must be paid; or
 - (ii) the security to be returned and the date on or before which it must be returned; and
 - (d) give reasons for the determination; and
 - (e) identify any information in it that, because of its confidential nature, is not suitable for publication by the Registrar under section 54.
- (2) The adjudicator must give a copy of the decision to the parties to the adjudication and the Registrar.

39 Dismissed applications

- (1) If, under section 33(1)(a), an appointed adjudicator dismisses an application for adjudication, the adjudicator must give written notice of the decision and the reasons for it to the parties and to the Registrar.
- (2) If, under section 33(2), an application for an adjudication of a payment dispute is taken to be dismissed:
 - (a) this Part does not prevent a further application being made under this Part for an adjudication of the dispute; and
 - (b) any further application must be made within 20 working days after the previous application is taken to be dismissed.
- (3) Further, if, under section 33(2), an application for an adjudication of a payment dispute is taken to be dismissed, the adjudicator must give written notice of the deemed dismissal and reasons for it to the Registrar.

Note for section 39

Section 42 of the Northern Territory Civil and Administrative Tribunal Act 2014 does not apply to a deemed dismissal under section 33(2).

Division 4 Effect of determinations

40 Determinations have effect despite other proceedings

An appointed adjudicator's determination is binding on the parties to the construction contract under which the payment dispute concerned arose even if other proceedings relating to the payment dispute have been started before an arbitrator or other person or a

court or other body.

41 Payment of amount determined and interest

- (1) A party that is liable to pay an amount under a determination must do so on or before the date stated in the determination.
- (2) Unless the determination provides otherwise, interest at the rate prescribed by the Regulations must be paid on the part of the amount that is unpaid after the date stated in the determination.
- (3) The interest forms part of the determination.
- (4) If, under section 45(1), a judgment is entered in the terms of a determination, interest under subsection (2) ceases to accrue.

42 Progress payment under determination to be on account

- (1) This section applies if:
 - (a) an appointed adjudicator:
 - (i) determines a payment dispute concerning a claim by a contractor for payment for part performance of its obligations under the contract but not for a final payment by the principal; and
 - (ii) determines that the principal must pay the contractor an amount for the claim; and
 - (b) the principal, in accordance with the determination, pays the amount.
- (2) Payment of the amount is taken to be an advance towards the total amount payable under the contract by the principal to the contractor.

43 Determination final

- (1) If on the adjudication of a payment dispute the appointed adjudicator makes a determination:
 - (a) the adjudicator cannot subsequently amend or cancel the determination except with the consent of the parties; and
 - (b) a party to the dispute cannot later apply for an adjudication of the dispute.

- (2) Despite subsection (1)(a), the adjudicator may, on the application of a party or, after notifying the parties, on the adjudicator's own initiative, correct any of the following in the determination:
- (a) an accidental slip or omission;
 - (b) a material arithmetic error;
 - (c) a material mistake in the description of any person, thing or matter.

Division 5 Enforcing determinations

44 Contractor may suspend obligations for principal's non-compliance

- (1) If a determination requires the principal to pay the contractor an amount and the principal does not pay in accordance with the determination, the contractor may give the principal written notice of the contractor's intention to suspend the performance of its obligations under the contract.
- (2) The notice must:
- (a) be prepared in accordance with, and contain the information prescribed by, the Regulations; and
 - (b) state the date on which the contractor intends to suspend the performance of its obligations; and
 - (c) be given to the principal at least 3 working days before that date.
- (3) If on the date stated in the notice the principal has not paid the contractor the amount in accordance with the determination, the contractor may suspend the performance of its obligations until no longer than 3 working days after the date on which the amount is paid.
- (4) Subsection (3) does not prevent the contractor from at any time resuming the performance of its obligations.
- (5) A contractor that suspends the performance of its obligations in accordance with this section:
- (a) is not liable for any loss or damage suffered by the principal or by any person claiming through the principal; and
 - (b) retains its rights under the contract, including any right to terminate the contract.

45 Determination may be enforced as order of court

- (1) A party entitled to be paid an amount under a determination may enforce the determination by filing in a court of competent jurisdiction:
 - (a) a copy of the determination that the Registrar has certified to be a true copy; and
 - (b) an affidavit as to the amount not paid under the determination.
- (2) On filing a copy of the determination under subsection (1), the determination is taken to be an order of the court, and may be enforced accordingly.
- (3) This section applies regardless of whether the determination is made before or after the commencement of this subsection.

Division 6 General

46 Costs of adjudications

- (1) This section applies if:
 - (a) an adjudicator is appointed to adjudicate a payment dispute; and
 - (b) one of the following applies:

 - (ii) the adjudicator dismisses the application for adjudication under section 33(1)(a);
 - (iii) the adjudicator makes a determination of the dispute under section 33(1)(b).
- (1A) The adjudicator is entitled:
 - (a) to be paid for the adjudicator's work:
 - (i) at a rate agreed between the adjudicator and the parties that is not more than the maximum rate prescribed by the Regulations; or
 - (ii) if a rate is not agreed – at the rate published under section 55 for the adjudicator; and

- (b) to be reimbursed any expenses reasonably incurred in connection with the work.
- (2) An appointed adjudicator who is disqualified under section 31 has the entitlements in subsection (1A) for any adjudication work done before the disqualification is notified to the parties.
- (3) Despite subsection (1A), an appointed adjudicator may refuse to give notice of the adjudicator's decision or determination under section 33(1) or 36(2) or subsection (9) until the adjudicator has been paid and reimbursed in accordance with subsection (1A).
- (4) The parties involved in a payment dispute are jointly and severally liable to pay the costs of an adjudication of the dispute.
- (5) As between themselves, the parties involved in a dispute are liable to pay the costs of an adjudication of the dispute in equal shares.
- (6) Subsections (4) and (5) do not prevent a decision being made under section 36(2).
- (7) An appointed adjudicator may at any time require one or more parties to provide a reasonable deposit, or reasonable security, for the costs or anticipated costs of the adjudication.
- (8) A prescribed appointer, before appointing an adjudicator, may require the applicant for adjudication to provide a deposit, or reasonable security, for the costs or anticipated costs of the adjudication.
- (9) If a party involved in a dispute has paid more than the party's share of the costs of an adjudication of the dispute, having regard to subsection (5), the appointed adjudicator may decide that another party must pay to the first party the amount of the costs that would result in all the parties paying an equal amount of the costs.
- (10) If an appointed adjudicator makes a decision under subsection (9):
 - (a) the adjudicator must include in the decision the date on which the amount is payable; and
 - (b) Divisions 4 and 5 apply (with the necessary changes) to the decision as if it were a determination of an appointed adjudicator.
- (11) An appointed adjudicator may recover the costs of an adjudication from a person liable to pay the costs in a court of competent jurisdiction as if the costs were a debt due to the adjudicator.

(12) In this section:

costs of an adjudication means:

- (a) the entitlements of the appointed adjudicator under subsection (1A); and
- (b) the costs of any testing done, or of any expert engaged, under section 34(2)(c)(ii) or (iii).

47 Effect of this Part on civil proceedings

- (1) This Part does not prevent a party to a construction contract from starting proceedings before an arbitrator or other person or a court or other body in relation to a dispute or other matter arising under the contract.
- (2) If other proceedings are started in relation to a payment dispute that is being adjudicated under this Part, the adjudication must proceed despite the proceedings unless all of the parties, in writing, require the appointed adjudicator to discontinue the adjudication.
- (3) Evidence of anything said or done in an adjudication is not admissible before an arbitrator or other person or a court or other body, except for an application made under section 31(3) or a review of a decision made under section 33(1)(a).
- (4) An arbitrator or other person or a court or other body dealing with a matter arising under a construction contract:
 - (a) must, in making any award, judgment or order, allow for any amount that has been or must be paid to a party under a determination of a payment dispute arising under the contract; and
 - (b) may make an order for the restitution of the amount paid and any other appropriate order relating to the determination.
