Part 1.2 What this Act is about

4 Principles

(1) The underlying principles of this Act are as follows:

- (a) local government is a distinct and essential sphere of government;
- (b) the system of local government:

- (ii) needs to be comprehensive, democratic, responsive to community needs and accountable both to local communities and the public generally.
- (2) Anyone exercising a power or performing a function under this Act must, as far as practicable, uphold the principles.
 - (3) However, the principles do not affect the operation of any law in force in the Territory.

5 Rights and interests of Aboriginal traditional owners

The rights and interests of Aboriginal traditional owners, as set out in the *Aboriginal Land Rights (Northern Territory) Act 1976* (Cth) and the *Native Title Act 1993* (Cth), are to be recognised and the delivery of local government services must be in harmony with those Acts.

6 Overview

This Act provides for the following:

- (b) the conferral of wide powers on councils to act for the advancement, and in the best interests, of their local communities;
- (c) the enabling of councils to play a broad role in promoting the social, economic, environmental, and cultural well-being of their local communities;
- (d) the imposition of high standards of ethical conduct on council members;

- (3) If a council allocates money under subsection (2)(b), any spending of the allocation that will have a material effect on the council's budget must be reported to the next ordinary meeting of the council.
- (4) An allocation of money under subsection (2) must be included in any subsequent amended budget for the council.
- (5) In this section:

material has the same meaning as in Accounting Standard AASB 1031 of the Australian Accounting Standards.

- (c) report to the Minister and the ICAC on any evidence found in the course of the audit of a contravention of the law or serious financial irregularity; and
 - (d) if the results of the audit provide for a disclaimer of opinion – provide a copy of the report of the results of the audit to the Minister.
- (2) The audit is to be carried out in accordance with the Australian auditing standards and requirements prescribed by regulation.
 - (3) The auditor's report mentioned in subsection (1)(b) must be tabled at the next meeting of the council.

Chapter 11 Rates and charges

Part 11.1 Rateability

217 Categorisation of land

The land in a local government area is divided into 3 basic categories:

- (a) rateable land under section 218; and
- (b) conditionally rateable land under section 219; and
- (c) land that is exempt from rates under section 222.

218 Rateable land

All land within a local government area is **rateable** unless it is:

- (a) conditionally rateable land that is not within the ambit of a notice published under section 219 that is in force; or
- (b) exempt land.

219 Conditionally rateable land

- (1) The following land is **conditionally rateable**:
 - (a) land held under a pastoral lease;
 - (b) land occupied under a mining tenement;
 - (c) other land that is prescribed by regulation as conditionally rateable.
- (2) Conditionally rateable land is only rateable in accordance with a *Gazette* notice made by the Minister at least 2 months before the commencement of the financial year for which the rates are declared.
- (3) The council for the area may make submissions to the Minister in relation to conditionally rateable land.
- (4) Before publishing the notice, the Minister must:
 - (a) if the submission is received by the Minister by 31 December in the year before the beginning of the relevant financial year – consider a submission made under subsection (3); and

- (b) consult with the Minister responsible for the administration of pastoral matters and the Minister responsible for the administration of mining matters.
- (5) As soon as practicable after the *Gazette* notice is published:
- (a) the council must publish the notice on its website; and
 - (b) the Agency must publish the notice on the Agency's website.
- (6) In this section:

pastoral lease means a pastoral lease granted under the *Pastoral Land Act 1992*.

220 Council to rate all rateable land

A council must rate all rateable and conditionally rateable land in the council area.

221 Urban farm land

- (1) The owner or occupier of land within a council area may apply to the council for classification of the land as urban farm land.
- (2) Land is not eligible for classification as urban farm land unless:
 - (a) its area is more than 0.8 of a hectare; and
 - (b) it is used by the occupier for carrying on a prescribed business or industry; and
 - (c) the occupier derives a substantial part of the occupier's livelihood from carrying on that business or industry.

222 Exempt land

- (1) The following land (***exempt land***) is exempt from rates:
 - (a) Crown land that is:
 - (i) vacant and not the subject of a lease; or
 - (ii) occupied by the Territory for a public purpose (other than the provision of public housing);
 - (b) land of the council, other than such land leased for a purpose that does not give rise to an exemption under some other provision of this section;

- (c) a public place consisting of:
 - (i) a park, garden or reserve; or
 - (ii) a playground or sports ground; or
 - (iii) a cemetery; or
 - (iv) a road;
- (d) land belonging to a religious body consisting of:
 - (i) a church or other place of public worship; or
 - (ii) a place of residence for a minister of religion associated with a church or other place of public worship; or
 - (iii) a place of residence for the official head in the Territory of the religious body; or
 - (iv) an institution for religious teaching or training;
- (e) a hospital conducted by the Territory;
- (f) a medical clinic or health centre conducted by the Territory;
- (g) subject to subsections (3) and (4), land used for a non-commercial purpose by a public benevolent institution or a public charity that is registered with the Australian Charities and Not-for-profits Commission established under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth);
- (h) a kindergarten, a Government school, a non-Government school, a university or other tertiary educational institution or an early childhood service owned or operated by the Territory or owned or operated by a non-Government school;
- (i) land recognised by the council as a youth centre;
- (j) a public library or public museum;
- (k) the common property:
 - (i) in a units plan or building development plan registered under the *Real Property (Unit Titles) Act 1975*; or
 - (ii) of a scheme formed under the *Unit Title Schemes Act 2009*;

- (l) land owned by a Land Trust or an Aboriginal community living area association except:
 - (i) land subject to a lease or a licence conferring a right of occupancy; or
 - (ii) land used for a commercial purpose;
 - (m) land exempted from rates by another Act.
- (2) If land is used for 2 or more different purposes, and one or more but not all the purposes are exempt, the land is not exempt from rates unless the non-exempt purpose is merely incidental to the exempt purpose.

Example for subsection (2)

An allotment consists of a public museum containing a cafeteria. The allotment is exempt from rates despite the existence of the cafeteria. However, if the allotment were a restaurant attracting customers in its own right, the allotment would not be exempt from rates.

- (3) Subject to subsection (4), in deciding whether land is used for a commercial or non-commercial purpose, the fact that the user is a public benevolent institution or a public charity is irrelevant and the question is to be decided according to the nature of the use and not the nature of the user.
- (4) However, a non-commercial purpose does not include the land being used for a residential purpose for employees or contractors of the institution or charity.
- (5) In this section:

Government school, see section 5 of the *Education Act 2015*.

non-Government school means a non-Government school registered under the *Education Act 2015*.

223 Special cases

- (1) Land of the Commonwealth is only rateable if the Commonwealth agrees and, in that event, it is rateable on conditions agreed by the Commonwealth.

Example for subsection (1)

The Commonwealth might agree that an occupier of land under a lease from the Commonwealth is to be liable for rates.

- (2) A Land Trust is not liable to rates but:
- (a) an occupier of land owned by the Land Trust (other than the Trust itself) is liable to rates; and
 - (b) if land owned by the Trust is held under a lease from the Trust – the leasehold estate constitutes the rateable land for the purposes of this Act.

Note for subsection (2)

This subsection applies to land of a Land Trust that is not fully exempt from rates under section 222(1)(l).

- (3) An Aboriginal community living area association is not liable to rates but:
- (a) an occupier of land owned by the association (other than the association itself) is liable to rates; and
 - (b) if land owned by the association is held under a lease from the association – the leasehold estate constitutes the rateable land for the purposes of this Act.

Note for subsection (3)

This subsection applies to land of an Aboriginal community living area that is not fully exempt from rates under section 222(1)(l).

- (4) Land owned by a Land Trust or an Aboriginal community living area association:
- (a) is not subject to the provisions of this Chapter under which overdue rates become a charge on the land to which the rates relate; and
 - (b) is not liable to be sold for non-payment of rates.

Note for subsection (4)

However, this subsection does not protect a leasehold estate from such a charge or from being sold for non-payment of rates.

224 Apportionment if land rateable for part only of financial year

- (1) If land becomes rateable during the course of a financial year, or ceases to be rateable during the course of a financial year:
- (a) the land is liable to rates for the financial year; but
 - (b) the amount of the liability is reduced to a proportion of the rates that would have been payable if the land had been rateable for the whole of the financial year.

- (2) The proportion is the proportion between the period for which the land is rateable (expressed in days) and the number of days in the financial year.
- (3) A council must make any refund or remission of rates necessary to give effect to this section.

Part 11.2 Basis for assessment of rates

225 Allotments

- (1) An **allotment** is a parcel of land or part of a parcel of land for which a council proposes to make a separate assessment of rates.
- (2) A parcel of land includes the following:
 - (a) a unit or lot created by registration of a plan under the *Real Property (Unit Titles) Act 1975* or the *Unit Titles Act 1975*;
 - (b) a unit created by the registration of a unit title scheme under the *Unit Title Schemes Act 2009*.
- (3) A council may only divide a parcel of land that is subject to the same ownership into separate allotments if:
 - (a) the allotments are subject to separate occupation; or
 - (b) the allotments fall within different zones; or
 - (c) there is some other good reason for disaggregating the parcel into separate allotments.

Example for subsection (3)

If land consists of a block of flats in the same ownership but separately occupied, the council could either treat the block of flats as a single allotment and determine rates for the whole, or disaggregate it into the separate flats and determine rates for each flat.

- (4) In this section:

parcel of land, see section 4 of the *Valuation of Land Act 1963*.

226 Basis of rates

- (1) Rates may be set as:
 - (a) a fixed amount (a **fixed amount**) for each allotment; or
 - (b) an amount (a **valuation-based amount**) calculated as a proportion of the assessed value of each allotment; or

- (c) a combination of a fixed amount and a valuation-based amount.
- (2) If rates consist of, or include, a valuation-based amount, the amount may be subject to a specified minimum (a **minimum amount**).

Example for subsection (2)

A valuation-based amount might be expressed as a specified proportion of assessed value or \$100 (whichever is the greater amount).

- (3) Different fixed amounts, different valuation-based amounts, and different minimum amounts may be set for:
 - (a) allotments within different parts of the local government area; or
 - (b) different classes of allotments; or
 - (c) a combination of both paragraphs (a) and (b).

Example for subsection (3)(a)

The rates for land within different planning zones might be based on different components.

Example for subsection (3)(b)

If land is divided into small allotments (such as self-storage units or marina berths) because of a subdivision for the purposes of the Unit Titles Act 1975 or Unit Title Schemes Act 2009, and the council considers it inequitable to apply the minimum amount otherwise applicable to land within the area to the small allotments, the council could set a different and lesser minimum for the small allotments.

- (4) However, different amounts must not be set on the basis of who the owner or occupier of the allotment is.
- (5) If an allotment is divided into separate parts or units that are adapted for separate occupation or use, a minimum amount may consist of a set amount to be multiplied by the number of separate parts or units.

Example for subsection (5)

If an allotment consists of a block of flats in separate occupation, the minimum amount could consist of a set amount to be multiplied by the number of flats comprised in the complex.

227 Basis of assessed value

- (1) A council may adopt unimproved capital value, improved capital value, or annual value as the basis of the assessed value of allotments within its area or part of its area.

- (2) The **assessed value** of land is the unimproved capital value, the improved capital value or the annual value of the land (according to whichever basis of valuation has been adopted by the council for the land) as it appears from the valuation roll.
- (3) However:
- (a) the unimproved value of a mining tenement is its assessed value; and
 - (b) the unimproved value is taken to be 20 times the annual rental payable under the tenement.
- (4) In this section:

annual value, of land, see section 8A of the *Valuation of Land Act 1963*.

improved capital value, of land, see section 8 of the *Valuation of Land Act 1963*.

unimproved capital value, of land, see section 9 of the *Valuation of Land Act 1963*.

Part 11.3 Liability for rates

228 Joint and several liability

- (1) The owner and the occupier (if not the owner) of an allotment are jointly and severally liable for rates payable in respect of an allotment.
- (2) However, an occupier of an allotment (if not an owner) does not become liable for rates in respect of the allotment unless:
- (a) the occupier's name is entered in the assessment record, on the occupier's own application, as the principal ratepayer for the allotment; or
 - (b) the council gives the occupier written notice that it proposes to seek recovery of rates from the occupier.
- (3) If notice is given under subsection (2)(b) in the course of a financial year, the occupier is only liable for a proportionate part of the rates for that financial year.

229 Principal ratepayer for an allotment

- (1) The owner of an allotment is the *principal ratepayer* for the allotment.
- (2) However, the occupier of the allotment is the principal ratepayer if the owner is not liable to rates for any reason.

Note for subsection (2)

In the case of an allotment owned by a Land Trust, the Trust itself is not liable to rates so the lessee (if there is a lessee) is treated under this Act as the owner and hence the principal ratepayer for the allotment. If there is no lessee, the occupier may be liable for rates (see section 228(2)) and, if so, would be the principal ratepayer for the allotment.

- (3) Subsections (1) and (2) are subject to the following qualifications:
 - (a) the CEO may, on the application of an occupier who would not be the principal ratepayer in accordance with subsection (2), designate the ratepayer in the assessment record as the principal ratepayer for an allotment;
 - (b) if 2 or more ratepayers would, in accordance with subsection (1) or (2), be the principal ratepayer for an allotment, the CEO may designate one or more of the ratepayers in the assessment record as the principal ratepayer for the allotment.
- (4) A ratepayer designated under subsection (1) or (2) as the principal ratepayer for an allotment is the principal ratepayer to the exclusion of others.
- (5) If rates are paid by, or recovered from, a ratepayer who is not the principal ratepayer for an allotment, the ratepayer may, subject to any relevant agreement, recover the amount from the principal ratepayer or set the amount off against any liability owed to the principal ratepayer.

- (3) A person commits an offence if:
- (a) the person ceases to be the principal ratepayer for a particular allotment within a council area; and
 - (b) the person does not, within 28 days of doing so, give the CEO written notice of that fact.

Maximum penalty: 20 penalty units.

- (4) An offence against subsection (1), (2) or (3) is an offence of strict liability.

232 Correction of record by council

- (1) The council may, on its own initiative, change an entry in the assessment record.
- (2) If the council changes an entry under subsection (1), the council must give a decision notice to the person to whom the entry relates within 14 days of changing the entry.
- (3) Subsection (2) does not apply if the council changes the entry to correct a typographical error.
- (4) A decision under subsection (1) is reviewable.

233 Correction of record by application

- (1) A person may apply to the council, free of charge, for the correction of an entry in the assessment record.

 - (b) must state the applicant's interest in the allotment to which the application relates; and
 - (c) must state the nature of the amendment that should, in the applicant's opinion, be made, including when the effect of the amendment should take place.
- (4) If the application is uncontroversial, the CEO may decide the application on behalf of the council but, if it raises matters of possible controversy, the application is to be decided by the council or a council committee.
- (5) The CEO, council or council committee (the **decision maker**) may, in writing, request further information from the applicant in relation to the application.
- (6) The request under subsection (5) must be made as soon as practicable but no later than 90 days of receiving the application.
- (7) The CEO must give the applicant a decision notice for the application and notify the applicant of the date the decision takes effect:
- (a) as soon as practicable but no later than 90 days after receiving the application; or

 - (b) the decision maker or NTCAT decides to correct the record.
- (2) The correction of the record must not take effect from a retrospective date if the correction results in the ratepayer for the allotment being liable for a higher amount of rates or charges.

236 Entitlement to difference in rates

- (1) This section applies if an entry on the assessment record is corrected and the correction takes effect from a retrospective date.
- (2) The person to whom the entry relates, as a result of the correction:
- (a) if the difference in rates amounts to an entitlement – is entitled to the difference in rates; and
 - (b) may be entitled to interest on the difference.

- (3) The person is entitled to interest on the difference only if the person commenced proceedings to review an original decision of the council (whether the review was by the council or by NTCAT) to change an entry in the assessment record and the proceedings resulted in the revocation or amendment of the decision of the council.
- (4) If a person is entitled to interest on the difference, the interest:
 - (a) accrues on any overpayments; and
 - (b) accrues:
 - (i) if the original decision being reviewed was a decision of the council under section 232 – from the date the council changed the entry; or

- (2) Before declaring special rates under this section, the council must:
- (a) publish a notice on its website and in a newspaper circulating generally in the area inviting written submissions on the proposed special rates within a period (at least 21 days) from the date of the notice; and
 - (b) give the principal ratepayer for each allotment to which the special rates are proposed to be imposed a notice of intention to declare special rates; and

239 Imposition of charges

- (1) If a council carries out work, or provides services, for the benefit of land, or the occupiers of land, within its area, the council may declare a charge on the land.
- (2) The declaration of the charge does not cease to have effect only because the occupier of the land does not accept the work or services.
- (3) A declaration of a charge must:
 - (a) state the amount or basis of the charge; and
 - (b) identify the land to which the charge applies; and
 - (c) state the purpose of the charge.
- (4) The amount of a charge need not be limited to the cost of providing the service, however the amount of the charge must not exceed a reasonable expectation of the cost of service.

A charge to recover the cost of kerbing might consist of an amount per metre of the frontage of an allotment.

Examples for subsection (6)(c) and (d)

- 1 *A council that provides sewerage services to an allotment may impose a charge for this service, and may impose different charges with reference to the number of toilets installed at the allotment. However, if the council provided the service of connecting a toilet to a sewerage network, it could impose a fee for service but not a charge for the work.*

- 2 *A council may impose a charge for rubbish bin collection that provides for an allotment to receive a specified number of rubbish bin collections. However, if the council provided the service of additional rubbish bin collections, it could impose a fee for service but not a charge for the work.*

(7) The provisions for rate concessions do not apply to charges.

- (3) Failure to publish the notice within the time limit fixed by subsection (1) does not invalidate the declaration.

242 Rates notice

- (1) At least 28 days before the payment of the rates (or the first instalment of the rates) falls due, the council must issue an account for the payment of rates (a **rates notice**) for each allotment.
- (2) The rates notice must be given if practicable to the principal ratepayer for an allotment or, if it is not practicable to do so, to any other ratepayer for the allotment.
- (3) The rates notice must:
 - (a) state the due date for payment of the rates and;

245 Accrual of interest on overdue rates

- (1) If rates are not paid by the due date, interest accrues on the amount of the unpaid rates at the relevant interest rate.

Note for subsection (1)

If the ratepayer defaults in payment, all remaining instalments become due and payable. Interest therefore accrues on the total amount of the unpaid rates and not merely the amount of the instalment (see section 244(2)).

- (2) Interest is calculated on a daily basis on the amount in default (exclusive of interest) from the due date until the date of payment.

 - (f) land vested in the council, with the council's agreement, by notice under subsection (2).

- (2) If a council agrees, the Minister may, by *Gazette* notice, vest Crown land in, or place Crown land under the care, control and management of, the council as a road or a road reserve.
- (3) Land ceases to be a road if the road is permanently closed under this Act or another Act.

271 Care, control and management of roads

- (1) Subject to this section, all roads within a council area are under the care, control and management of the council.
- (2) After consulting with a council, the Minister may, by *Gazette* notice, withdraw a road from the care, control and management of the council and place it under the care control and management of the Territory.
- (3) Subject to any contrary agreement between the council and the Minister, if a road is vested in the council, a notice under subsection (2) divests the road from the council and vests it in the Territory.
- (4) If a council has the care, control and management of a road that is vested in someone else, then, subject to any contrary agreement between the council and the owner, the powers of the council to care, control and manage the road are exclusive of those of the owner.
- (5) While a road remains under the care, control and management of a council, the following belongs to the council:
 - (a) all vegetation growing on the road;
 - (b) anything erected on, or affixed to, the road except infrastructure or equipment belonging to the Commonwealth or the Territory or a statutory authority of the Commonwealth or the Territory.

272 Closing of roads

- (1) A council may temporarily or permanently close a road, or part of a road, under its care, control and management.
- (2) However, a road or part of a road is not to be permanently closed under subsection (1) unless:
 - (a) any relevant procedural requirements prescribed by regulation have been satisfied; and

- (b) the following Ministers consent:

273 Establishment of new road

- (1) Before a council establishes a new road in its area, it must give public notice of the proposal to do so.
- (2) The proposal (which must include a plan delineating the proposed new road with reasonable accuracy and detail):
 - (a) must be accessible on the council's website; and
 - (b) must be available for inspection by interested members of the public at the council's public office.
- (3) The notice must include an invitation to any person who may object to the proposal to lodge a written objection to the proposal within a reasonable period (at least 28 days) stated in the notice.
- (4) The council must consider any written objections lodged in accordance with the invitation in subsection (3).
- (5) If, after publishing a notice under this section, the council substantially modifies its proposal, either as a result of objections or for some other reason, the council must publish a fresh notice under this section of the modified proposal.
- (6) This section does not apply to the establishment of a road on a temporary basis.

274 Substantial temporary road closure

- (1) If a council proposes to close a road temporarily but for a substantial period (at least 1 month), the council must, before proceeding with its proposal, consult with the Minister (or the Minister's nominee) and the MLA for the electoral division in which the road is situated.

- (2) The council:
- (a) must carefully consider written submissions made by the Minister (or the Minister's nominee) and the MLA in the course of the consultation; and
 - (b) must not proceed with the closure unless satisfied that the reasons for the closure justify the disruption to traffic resulting from the closure.
- (3) Subsections (1) and (2) do not apply in relation to the following:
- (a) the closure of a road that is a laneway;
 - (b) the closure of a newly created road that has not yet been opened to the public;

- (1) Subject to this Part, a council may make by-laws for the good governance of its area.
- (2) The regulations may:
 - (a) prescribe the subject matter that falls within the ambit of a council's power to make by-laws; or
 - (b) exclude subject matter from the ambit of a council's power to make by-laws.
- (3) A by-law may be of general or limited application.
- (4) A by-law binds the Territory and all its instrumentalities.
- (5) A by-law may impose a penalty, not exceeding 100 penalty units for an individual or 500 penalty units for a body corporate, for contravention of the by-law.
- (6) A by-law may also provide for a daily penalty, not exceeding 5 penalty units for an individual or 25 penalty units for a body corporate, for each day a contravention of the by-law continues.

276 Principles applying to by-laws

- (1) A by-law must conform with the following principles:
 - (a) a by-law must not exceed the power under which it is purportedly made;
 - (b) a by-law must not:
 - (i) operate retrospectively; or
 - (ii) impose a tax;
 - (c) a by-law must not shift the legal or evidential burden of proof to the accused in criminal proceedings unless:
 - (i) the offence is a parking offence or other minor traffic infringement; or

- (ii) the shift of onus concerns only formal matters or matters peripheral to the substance of the offence; or
 - (iii) there is clear authority in the authorising legislation to shift the onus of proof to the accused;
 - (d) a by-law must not infringe personal rights in an unreasonable way or to an unreasonable extent;
 - (e) a by-law must be consistent with basic principles of justice and fairness.
- (2) A by-law should reflect the following principles:

 - (b) a by-law should not restrict competition unless the benefits of the restriction clearly outweigh the detriments;
 - (c) a by-law should be expressed in plain language as far as possible (and in gender neutral language).
- (3) If a by-law infringes one or more principles stated in subsection (2) it is not necessarily invalid on that ground, but a court, in considering whether the by-law represents a reasonable exercise of the power under which the by-law was made, must take the infringement into account.
- (4) A by-law should be consistent with other legislation applying in the council's area.
- (5) A by-law should avoid duplication of, or overlap with, other legislation.
- (6) This section does not affect the validity of a by-law made before the commencement of this Act.

277 By-laws for animal management

Without limiting section 275, the power of a council to make by-laws extends to the making of by-laws providing for:

- (a) the seizure of an apparently diseased, injured, savage, destructive, stray or unregistered animal or an animal at large; and
- (b) the destruction of a diseased, injured, savage, destructive, unclaimed, unregistered or unwanted animal.

- 2 Section 63A(1)(a)(ii) provides that by-laws must be signed by a person authorised by the council to sign them and forwarded to the Minister.
- 3 Section 63A(2) provides that, where by-laws are forwarded to the Minister, the Minister must cause them to be notified in the Gazette and must lay them before the Legislative Assembly within 6 sitting days after the Gazette notification. By-laws are then liable to disallowance by the Legislative Assembly under section 63C.

- (a) whether the name of a person was entered in a register in relation to an animal, matter or thing;
- (b) whether a licence or registration had been issued in relation to an animal or premises.
