1 Citation

These Regulations may be cited as the *Utilities Commission Regulations*.

2 Authorisation to make code about ring fencing

(1) The Utilities Commission is authorised to make a code relating to ring fencing in a regulated industry.

(2) In subregulation (1):

ring fencing means the separate operation of related or associated businesses of a licensed entity in a regulated industry.

2A Authorisation to make code about retail supply in electricity supply industry

(1) The Utilities Commission is authorised to make a code relating to retail supply in the electricity supply industry.

(2) Without limiting subregulation (1), the code may deal with one or more of the following:

- (a) transfer of customers between retailers;
- (b) credit support arrangements;
- (c) billing;
- (d) metrology;
- (e) service order arrangements;
- (f) retailer of last resort arrangements;
- (g) dispute resolution.

3 **Authorisation to make rules and determinations**

- (1) The Utilities Commission is authorised to make rules relating to the provision of ancillary services in the electricity supply industry.
- (2) The Utilities Commission is authorised to make determinations relating to the prices for providing ancillary services in the electricity supply industry.
- (3) In this regulation:

ancillary services include:

- (a) reserve capacity;
- (b) frequency support;
- (c) load following services; and
- (d) services necessary for the efficient and reliable operation of a power system.
