(2) If other proceedings are started in relation to a payment dispute that is being adjudicated under this Part, the adjudication must proceed despite the proceedings unless all of the parties, in writing, require the appointed adjudicator to discontinue the adjudication.

(3) Evidence of anything said or done in an adjudication is not admissible before an arbitrator or other person or a court or other body, except for an application made under section 31(3) or a review under section 48.

(4) An arbitrator or other person or a court or other body dealing with a matter arising under a construction contract –
