*Fines and Penalties (Recovery) Act 2001*

"outstanding fine" means the amount of a fine that has not been paid within the time specified in section 23 or the further time allowed under section 26 by the Fines Recovery Unit;

"outstanding penalty under an infringement notice" –

- (a) means the amount of a penalty that has not been paid within the time specified in the courtesy letter sent in relation to the infringement notice; and
- (b) includes the prescribed costs in relation to the issue of the courtesy letter.

(3) This Part applies despite anything in the *Juvenile Justice Act* except that the provisions of this Part relating to the hearing or determination of an alleged offence on the annulment of a penalty enforcement order are subject to that Act.

(4) This Part may be used to enforce the payment of an outstanding penalty under an infringement notice –

- (a) even if the law under which the infringement notice was issued does not specifically provide for enforcement of the notice; and
- (b) despite that the law under which the infringement notice was issued contemplates that a person who fails to pay the infringement penalty is to be prosecuted for the offence specified in the infringement notice.

***Division 2 – Penalty enforcement orders***

**36. Penalty enforcement order**

A penalty enforcement order is an order made by the Fines Recovery Unit under section 38 to enforce payment of an outstanding penalty under an infringement notice and enforcement costs.

- (d) the penalty under the infringement notice has not been paid;
- (e) the person has not elected to be dealt with by a court in relation to the matter; and
- (f) a complaint in relation to the offence has not been filed but, having regard to the time when the offence is alleged to have been committed, a complaint could still be filed in relation to the offence.

(2) The application for a penalty enforcement order is to certify that the conditions specified in subsection (1) are satisfied and the certificate is prima facie evidence of the matters stated.

(3) An application is to be made in respect of only one infringement notice and is to specify the facts that constitute the alleged offence or offences specified in the notice.

### **38. Fines Recovery Unit to make penalty enforcement order**

(1) If application is made under section 37 and the Fines Recovery Unit is satisfied as to the matters specified in that section, the Unit may make a penalty enforcement order in relation to the person alleged or taken to have committed the offence the subject of the infringement notice.

(2) If more than one application for a penalty enforcement order relates to the same person, the Fines Recovery Unit may make a single penalty enforcement order or more than one order in relation to all or some of the applications.

(3) A penalty enforcement order may be made in the absence of and without notice to the person the subject of the order.

### **39. Effect of making penalty enforcement order**

If the Fines Recovery Unit makes a penalty enforcement order in relation to an outstanding penalty under an infringement notice or outstanding penalties under more than one infringement notice —

- (a) the person the subject of the order is not, as a result, to be taken to have been convicted of an offence to which the infringement notice relates; and
- (b) the making of the order does not affect or prejudice any civil claim, action or proceeding arising out of the same circumstances.

**40. Amount payable under penalty enforcement order**

A penalty enforcement order is to set out the amount required to be paid, being the amount of the penalty that remains to be paid, together with specified enforcement costs.

**41. Enforcement costs under penalty enforcement order**

(1) The following amounts are enforcement costs in relation to a penalty enforcement order:

- (a) amounts prescribed under this section in relation to the making of a penalty enforcement order and the taking of enforcement action; and

- (b) the amount prescribed for any enforcement action taken by the Registrar of Motor Vehicles under Division 7 before payment is made under the order;
- (c) the amount prescribed for any enforcement action taken by a bailiff or other official under Division 8 before payment is made under the order.

(3) An amount is not payable for enforcement costs unless it is a prescribed amount or is payable under section 74.

**42. Effect of payment under penalty enforcement order**

(1) The payment of an amount payable under a penalty enforcement order is not an admission of liability for the purpose of, and does not in any way affect or prejudice, any civil claim, action or proceeding arising out of the same circumstances.

(2) If the full amount payable under a penalty enforcement order is paid or recovered, no person is liable for any further proceedings for the alleged offence concerned unless the order is annulled or withdrawn under this Part.

(3) The payment of an amount payable under a penalty enforcement order does not affect the operation of the provisions of Division 3 relating to

annulment of an order or the provisions of Division 6 relating to withdrawal of an order.

***Division 3 – Annulment of penalty enforcement orders***

**43. Application for annulment of order**

(1) An application may be made to the Fines Recovery Unit by or on behalf of a person in relation to whom a penalty enforcement order has been made under Division 2 for the annulment of the penalty enforcement order.

(2) An application for annulment is to be made in writing in the approved form and, unless by leave of the Fines Recovery Unit, must be made within 12 months after the making of the enforcement order.

(3) An application may be made for the annulment of –

- (a) a penalty enforcement order completely;
- (b) a penalty enforcement order only to the extent of some of the infringement notices to which it refers; or
- (c) more than one penalty enforcement order.

(4) A person cannot make more than one application for annulment in relation to the same matter unless by leave of the Fines Recovery Unit.

**44. Determination of application by Fines Recovery Unit**

(1) If an application for annulment of a penalty enforcement order is made and the Fines Recovery Unit is satisfied that –

- (a) the person was not aware that an infringement notice had been issued until the enforcement order was made;
- (b) the person was hindered by accident, illness, misadventure or other cause from taking action in relation to the infringement notice; or
- (c) in the circumstances of the case – there is other just cause why the application should be granted,

the Unit must annul the order.

(2) An application for annulment is to be dealt with by the Fines Recovery Unit in the absence of the parties unless the Unit otherwise directs.

(3) If the Fines Recovery Unit is dealing with an application for annulment of a penalty enforcement order, the Unit may stay enforcement action under the order subject to the terms and conditions that the Unit thinks fit.

*Fines and Penalties (Recovery) Act 2001*

(4) In determining an application for annulment the Fines Recovery Unit may –

- (a) grant the application completely;
- (b) grant the application only to the extent of some of the infringement notices to which the application order relates; or
- (c) refuse the application.

**45. Notice of determination**

(1) The Fines Recovery Unit must give notice of the determination of an application for annulment to the applicant and the enforcement agency concerned.

(2) The notice of determination of an application is to advise the applicant –

- (a) if the application for annulment is refused completely or to the extent of some of the infringement notices to which the application relates –
  - (i) that the applicant may appeal the decision by making application to the Court of Summary Jurisdiction in accordance with section 46; and
  - (ii) that, on the listing of the matter with the Court of Summary Jurisdiction, any suspension under Division 7 of a licence to drive or vehicle registration is lifted pending determination of the matter unless the suspension is also in respect of another enforcement order or the application for annulment was in respect of only some of the infringement notices to which the penalty enforcement order relates; or
- (b) if the application for annulment is granted completely or only to the extent of some of the infringement notices to which the penalty enforcement order relates –
  - (i) that the person has 10 days from the date of the notice in which to pay at the place specified the penalty under any relevant infringement notice;
  - (ii) that, if the penalty is paid within that time, the alleged offence is expiated and no further proceedings can be taken in relation to the offence; and
  - (iii) that, if the penalty is not paid within that time, the matter will be listed with the Court of Summary Jurisdiction for a

hearing in relation to the alleged offence that gave rise to the relevant infringement notice.

**46. Appeal against refusal of application by Fines Recovery Unit**

(1) If the Fines Recovery Unit refuses an application for annulment, wholly or partially, the applicant may apply in the approved form to have the original application (to the extent of the refusal) determined by the Court of Summary Jurisdiction.

(2) The Registrar of the Court of Summary Jurisdiction must list the matter for hearing and notify the applicant and the parties interested as to the date, time and place on or at which the application is to be determined.

(3) When dealing with an application for annulment, the Court of Summary Jurisdiction may stay enforcement action under the penalty enforcement order subject to the terms and conditions that the Court thinks fit.

(4) The Court of Summary Jurisdiction may proceed to determine an application under this section despite any omission or error in or failure of service of a notice to the parties about the time and place of the hearing of the application if—

- (a) the Court is satisfied that the applicant and the parties interested and concerned had knowledge of the date, time and place on or at which the application was to be determined and were not prejudiced by the omission, error or failure of service; or
- (b) the Court is satisfied that the applicant is avoiding service of the notice or cannot after reasonable search and inquiry be found.

(5) The Court of Summary Jurisdiction is to determine the application in accordance with this Division and may make any decision that the Fines Recovery Unit could have made under section 44(4).

(6) In this Division, if the applicant was a juvenile at the time the alleged offence the subject of an infringement notice to which the penalty enforcement order relates was committed, a reference to the Court of Summary Jurisdiction is to be taken to be a reference to the Juvenile Court.

**47. Effect of annulment**

- (1) If a penalty enforcement order is annulled completely—
  - (a) the order ceases to have effect;
  - (b) any enforcement action already taken is to be reversed to the extent practicable unless the same enforcement action is authorised under another penalty enforcement order or a fine enforcement order;

*Fines and Penalties (Recovery) Act 2001*

- (c) enforcement costs are not payable in respect of the issue of the order and, if paid, are to be dealt with in accordance with section 112; and
  - (d) any amount that has been paid under the order is to be dealt with in accordance with section 112.
- (2) If a penalty enforcement order is annulled only to the extent of some of the infringement notices to which it applies –
- (a) the order continues to have effect in respect of the remaining infringement notices to which it applies;
  - (b) any amount that has been paid under the order is to be applied to payment of the remaining infringement notices to which it applies and any enforcement costs in respect of that order; and
  - (c) the surplus, if any, is to be dealt with in accordance with section 112.
- (3) If the Fines Recovery Unit annuls a penalty enforcement order, whether completely or only to the extent of some of the infringement notices to which it applies –

  - (b) if the penalty under any infringement notice in relation to which the order is annulled is not paid in accordance with the notice of determination of the application for annulment – the Unit must refer the matter to the Court of Summary Jurisdiction for a hearing in relation to the alleged offence that gave rise to the relevant infringement notice.

**48. Proceedings for alleged offence if enforcement order annulled**

(1) If a penalty enforcement order is annulled by a court or is annulled by the Fines Recovery Unit and referred to the Court of Summary Jurisdiction under section 47(3), the Court of Summary Jurisdiction must, either immediately or at a later sitting, hear and determine the substantive matter of the alleged offence that gave rise to the relevant infringement notice to which the penalty enforcement order related as if no penalty enforcement order had been made.

(2) The matter is not to be heard and determined if the penalty under the relevant infringement notice is paid on the annulment of the order.

the Fines Recovery Unit must not make a fine enforcement order in relation to the fine pending determination of the rehearing or appeal.

*Fines and Penalties (Recovery) Act 2001*

- (2) If the person on whom a fine was imposed –
  - (a) applies for a rehearing of the matter; or

after a fine enforcement order has been made in respect of the fine, the Fines Recovery Unit must stay any enforcement action in relation to the order pending determination of the rehearing or appeal.

(3) If the rehearing or appeal results in the conviction or finding of guilt in the matter being quashed or overturned, the Fines Recovery Unit must withdraw the enforcement order.

(4) If the rehearing or appeal results in a fine of a different amount being imposed on the person –

- (a) the Fines Recovery Unit must vary the enforcement order to reflect the different amount payable; and
- (b) the stay on enforcement proceedings is removed.

**52. Amount payable under fine enforcement order**

- (b) that the fine defaulter has until the final date specified in the notice to pay the fine or penalty (as the case may be) and enforcement costs specified in the notice;
- (c) that, if the payment is not made by the final date, further enforcement action will be taken against the fine defaulter to enforce payment of the fine or penalty in accordance with this Part;
- (d) of the enforcement actions that are provided for under this Part;
- (e) that, if the payment is not made by the final date, further enforcement costs will be payable; and
- (f) of the amount of those further costs (except for the costs referred to in subsection (2)) and circumstances in which they will become payable.

(2) The notice of the making of an enforcement order may contain information relating to enforcement costs payable under section 74 if a bailiff is required to take enforcement action, but need not specify any amount in relation to those costs.

(3) The inclusion (or not) in the notice of additional information and directions for the assistance or guidance of the person on whom it is served does not affect the validity of the notice.

**56. Final date for payment**

The final date for payment in a notice of the making of an enforcement order is 28 days after the date of the notice.

**57. Service of notice**

(1) Notice of the making of an enforcement order may be served personally, by post, by facsimile transmission or in any other manner prescribed by the Regulations.

**58. Withdrawal of order**

(1) The Fines Recovery Unit may, on application or on its own initiative, withdraw an enforcement order if satisfied that the order was made in error.

(2) A penalty enforcement order is to be withdrawn if application for its withdrawal is made by the enforcement agency that applied for the order.

(3) An enforcement order may be withdrawn completely or only to the extent of some of the infringement notices or fines (as the case may be) to which it relates.

(4) If an enforcement order is withdrawn completely –

- (a) the order ceases to have effect;
- (b) any enforcement action already taken is to be reversed to the extent practicable, unless the same enforcement action is authorised under another enforcement order;
- (c) enforcement costs are not payable in respect of the issue of the order and, if paid, are to be dealt with under section 112; and
- (d) any amount that has been paid under the order is to be dealt with under section 112.

(5) If an enforcement order is withdrawn only to the extent of some of the infringement notices or fines (as the case may be) to which it applies –

- (a) the order continues to have effect in respect of the remaining infringement notices or fines to which it applies; and
- (b) any amount that has been paid under the order is to be applied as follows:
  - (i) first – to any enforcement costs in respect of the order;
  - (ii) second – to payment of the remaining infringement notices, or fines (as the case may be), to which the order applies;
  - (iii) the surplus, if any, is to be dealt with under section 112.

(6) The withdrawal of an enforcement order does not prevent the making of a further enforcement order in respect of the infringement notice or fine (as the case may be).

***Division 7 – Licence to drive or vehicle registration suspension***

**59. Fines Recovery Unit may request Registrar of Motor Vehicles to take enforcement action**

(1) If a fine defaulter –

- (a) has not paid a fine or penalty by the final date specified in the notice of the making of the enforcement order served on the fine defaulter;

*Fines and Penalties (Recovery) Act 2001*

- (b) has been granted additional time to pay by the Fines Recovery Unit but has not paid the fine or penalty by the extended due date; or
- (c) has been allowed by the Fines Recovery Unit to pay a fine or penalty by instalments but has not paid an instalment at the time specified by the Unit for payment of that instalment,

and the fine defaulter –

- (d) is the holder of a licence to drive; or
- (e) is the registered owner (or one of the registered owners) of a motor vehicle,

the Fines Recovery Unit may request the Registrar of Motor Vehicles to take enforcement action referred to in this Division against the fine defaulter.

(2) The Registrar of Motor Vehicles must comply with the guidelines under section 114 when taking enforcement action requested by the Fines Recovery Unit.

**60. Suspension of licence to drive**

(1) If the Fines Recovery Unit requests the Registrar of Motor Vehicles to take enforcement action, the Registrar must, under the *Motor Vehicles Act* and without further notice, suspend the licence to drive of the fine defaulter until the Unit advises that the enforcement order is satisfied or otherwise requests the Registrar to lift the suspension.

(2) If the licence to drive of a person is already suspended (under this Act or another Act) at the time the Fines Recovery Unit requests the Registrar of Motor Vehicles to take enforcement action in relation to the person and the period of that suspension comes to an end before the expiry of the licence, the Registrar must, under the *Motor Vehicles Act* and without further notice, further suspend the licence.

(3) The Fines Recovery Unit or the Registrar of Motor Vehicles on behalf of the Unit may notify the fine defaulter of the suspension of the licence to drive, but a failure to notify the fine defaulter does not affect that action.

(4) Despite the suspension of a licence to drive in accordance with this section, a court or the Registrar of Motor Vehicles may exercise a function under another Act to suspend or cancel the licence.

**61. Suspension of vehicle registration**

(1) If the Fines Recovery Unit requests the Registrar of Motor Vehicles to take enforcement action against –

- (a) a fine defaulter that is a body corporate; or
- (b) a fine defaulter who does not hold a licence to drive or whose licence to drive is already suspended (under this Act or another Act),

the Registrar of Motor Vehicles may, under the *Motor Vehicles Act* and without further notice, suspend the registration of all or any vehicles of which the fine defaulter is the registered owner or one of the registered owners until the Unit advises that the enforcement order is satisfied or otherwise requests the Registrar to lift the suspension.

(2) If the registration of a vehicle is already suspended (under this Act or another Act) at the time the Fines Recovery Unit requests the Registrar of Motor Vehicles to take enforcement action in relation to the person who is the registered owner or one of the registered owners and the period of that suspension comes to an end before the expiry of the registration, the Registrar must, under the *Motor Vehicles Act* and without further notice, further suspend the registration.

(3) The Fines Recovery Unit or the Registrar of Motor Vehicles on behalf of the Unit may notify the fine defaulter of the suspension of the registration, but a failure to notify the fine defaulter does not affect that action.

(4) The effect of suspension of the registration of a motor vehicle in accordance with this section is that the vehicle is to be taken to be unregistered during the period of the suspension, but the suspension has no effect in relation to compensation contributions within the meaning of the *Motor Vehicles Act*.

(5) The Registrar of Motor Vehicles cannot cancel the registration of a vehicle while the registration of the vehicle is suspended under this section, except with the approval of the Fines Recovery Unit.

(6) In this section –

"registered owner" includes a person nominated as an operator under section 92A of the *Motor Vehicles Act*.

## **62. Registrar of Motor Vehicles to refuse to exercise functions**

(1) If the Registrar of Motor Vehicles is required to take enforcement action under this Division against a fine defaulter –

- (a) who does not hold a licence to drive or whose licence to drive is already suspended (under this Act or another Act); and
- (b) who is not the registered owner or one of the registered owners of a motor vehicle,

*Fines and Penalties (Recovery) Act 2001*

the Registrar of Motor Vehicles must not perform any of the following functions in relation to the fine defaulter:

- (c) issue a licence to drive to the fine defaulter or renew the licence to drive of the fine defaulter;
- (d) register a vehicle in the name of the fine defaulter;
- (e) issue a number plate to the fine defaulter;
- (f) test the fine defaulter for the purpose of the issuing a licence to drive;
- (g) perform any of the Registrar of Motor Vehicles' functions that are prescribed by the Regulations for the purposes of this section.

(2) If the Registrar of Motor Vehicles refuses to perform a function, he or she must notify the fine defaulter as soon as practicable that the refusal is at the request of the Fines Recovery Unit because the person is a fine defaulter.

(3) Subsection (2) does not apply if the Registrar of Motor Vehicles has previously notified the fine defaulter under that subsection in relation to another refusal arising from the same request from the Fines Recovery Unit.

(4) The Fines Recovery Unit may notify the Registrar of Motor Vehicles that this section ceases to apply in relation to a fine defaulter and the Registrar of Motor Vehicles may then perform a function referred to in subsection (1) in relation to the fine defaulter.

(5) This section applies despite any obligation on the Registrar of Motor Vehicles to perform a function that is imposed by or under any other Act.

**63. Suspension of licence or registration may be lifted pending appeal etc.**

- (1) If a fine defaulter –
  - (a) is the subject of a penalty enforcement order and has lodged an application under Division 3 to have an application for annulment of the enforcement order determined by a court; or
  - (b) is the subject of a fine enforcement order and has lodged an appeal against the conviction or sentence in respect of which the fine was imposed,

the Fines Recovery Unit may advise the Registrar of Motor Vehicles that any suspension in accordance with this Division of the fine defaulter's licence to drive, or the registration of a vehicle, is to be lifted (unless the licence or registration is also suspended under this Act for the enforcement of another order) pending determination of the application or appeal.

(2) If the licence or registration expired prior to the lifting of the suspension, the fine defaulter may apply to the Registrar of Motor Vehicles for a renewal of the licence or registration (as the case may be).

(3) If the Fines Recovery Unit advises the Registrar of Motor Vehicles in accordance with this section and the licence or registration is not also suspended under another Act, the Registrar must lift the suspension or renew the licence or registration (as the case may be) despite section 62.

(4) If a suspension is lifted under this section, the licence or registration may again be suspended in respect of another enforcement order.

(5) If the fine defaulter is not successful in the proceedings referred to in subsection (1), the Fines Recovery Unit may request the Registrar of Motor Vehicles to again suspend the licence or registration (as the case may be).

(6) For the purposes of subsection (5), the fine defaulter is to be taken to be unsuccessful if an appeal against the amount of a fine results in a fine of a different amount being imposed.

#### **64. Registrar of Motor Vehicles to cease enforcement action if requested**

(1) The Registrar of Motor Vehicles must cease enforcement action (including removing the suspension of a licence to drive or vehicle registration) when requested to do so by the Fines Recovery Unit.

(2) The Fines Recovery Unit —

(a) must request the Registrar of Motor Vehicles to cease enforcement action under this Division if a fine defaulter has paid all outstanding amounts under an enforcement order or the order has otherwise been satisfied; and

(b) may request the Registrar of Motor Vehicles to cease enforcement action under this Division although a fine defaulter has not paid all outstanding amounts under an enforcement order.

#### **65. Effect of enforcement action on vehicle insurance**

(1) A vehicle insurance policy is not affected by the suspension of the registration of the vehicle or the suspension of the licence to drive of the driver of the vehicle under this Division, and a claim under a vehicle insurance policy cannot be refused merely because of the suspension, despite anything to the contrary in a vehicle insurance policy or any other agreement.

(2) In this section —

"vehicle insurance policy" includes —

*Fines and Penalties (Recovery) Act 2001*

- (a) a policy of insurance in respect of a vehicle generally known as a comprehensive policy; and

**66. Offence to transfer registration during suspension**

(1) A fine defaulter must not, without the approval in writing of the Fines Recovery Unit, sell or otherwise transfer an interest in a vehicle of which the fine defaulter is the registered owner or one of the registered owners while the registration of the vehicle is suspended in accordance with this Division.

Penalty: If the offender is a natural person – 200 penalty units or imprisonment for 12 months.

If the offender is a body corporate – 1 000 penalty units.

(2) Nothing in this Division prevents the Registrar of Motor Vehicles from transferring the registration of a vehicle to a third party despite that the transferor is a fine defaulter and the vehicle registration has been suspended in accordance with this Division.

(3) If the registration of a vehicle is suspended in accordance with this Division and the Registrar of Motor Vehicles transfers the registration of the vehicle to a third party, the suspension ceases to have effect.

(4) The Registrar of Motor Vehicles is not required to transfer the registration of a vehicle to a third party if the Registrar believes that the proposed transferee is not a bona fide purchaser and the transfer is intended to defeat enforcement action taken under this Division.

***Division 8 – Civil enforcement***

**67. When enforcement action taken under this Division**

to be orally examined by the Director or another specified officer as to the fine defaulter's property and other means of satisfying the fine and generally as to the fine defaulter's financial circumstances.

(8) An examination summons —

- (b) is to notify the person to whom it is directed that a warrant will issue if the person does not attend for examination in accordance with the summons.

(9) A person is not bound to produce any document or other thing that is not specified or sufficiently described in the examination summons or that the person would not be bound to produce on a subpoena for production in the Supreme Court.

(10) If a person fails to attend in accordance with a summons under this section, the Fines Recovery Unit may issue a warrant for the apprehension of the person and for the person to be brought before the Director or other specified officer of the Unit for examination in accordance with this section.

(11) A warrant of apprehension —

- (a) is not to be issued unless the Fines Recovery Unit is satisfied that the examination summons was duly served on the person (whether personally or by substituted service);

- (d) fails, without reasonable excuse, to produce any document or thing that the person is required by the summons to produce,

the Director may report the matter to the next practicable sitting of the Local Court constituted by a magistrate and the Court may deal with the matter as if it were a contempt under section 34 of the *Local Court Act*.

(13) If an examination under this section is adjourned, the Fines Recovery Unit must notify the person to be examined of the time and place for the continuance of the adjourned examination.

#### **69. Substituted service**

(1) If the Director is satisfied that it is impracticable to serve an examination summons personally on a person to be examined, the Director may make an order for substituted service.

(2) In deciding whether to make an order for substituted service the Director must have regard to the following matters:

- (b) the reasons why personal service is considered impracticable;
- (c) the nature of substituted service proposed;
- (d) the reasons why the proposed method of substituted service is likely to be successful;
- (e) whether substituted service (and in particular the method of service proposed) is appropriate in the circumstances.

(4) If the Director makes an order for substituted service, service may be effected in the manner ordered and is to be taken to be effective service for the purposes of this Division.

#### **70. Order to seize property of fine defaulter**

(1) A property seizure order is an order made by the Fines Recovery Unit for the seizure of the personal property of a fine defaulter for the purpose of levying the amount payable by the fine defaulter against that property.

(2) The procedure set out in Part 44 of the Local Court Rules (except rules 44.02 and 44.05(5)) applies to a property seizure order as if the order were a warrant of seizure and sale and the Territory is to be taken to be the judgement creditor.

(3) A property seizure order may be made in the absence of and without notice to the fine defaulter.

(4) A property seizure order is to be directed to a bailiff and provided to the bailiff for execution.

- (a) a property seizure order is to be executed before a warrant of execution (even if the warrant was issued before the order);
- (b) property seizure orders are to be executed in the order in which they were received by the bailiff (unless the bailiff is directed by the Fines Recovery Unit to execute them in a different order).

(6) If a property seizure order has not been executed within 12 months after it was made, the bailiff to whom the order was directed must return the order to the Fines Recovery Unit and the Unit must cancel the order, but nothing prevents the issue of a further order in the matter.

(7) A bailiff executing a property seizure order must not take any further action in relation to executing the order if the order is cancelled under section 75.

**71. Power of entry to execute property seizure order**

(1) A bailiff executing a property seizure order may, at any reasonable time of the day or night, enter and remain on any premises for the purposes of executing the order.

(2) Subsection (1) does not authorise the bailiff to enter a part of premises used only for residential purposes by a person who is not the fine defaulter (whether or not the fine defaulter also resides at the premises) without the permission of the occupier or the authority of a search warrant under this section.

(3) The bailiff may apply to a justice for the issue of a search warrant if he or she believes on reasonable grounds that there may be property liable to seizure under the property seizure order in any premises.

(4) A justice to whom an application is made under subsection (3) may, if satisfied that there are reasonable grounds for doing so, issue a search warrant authorising the bailiff who is executing the property seizure order to enter the premises and seize property in the premises in accordance with that or any other property seizure order against the same fine defaulter.

(5) A member of the Police Force —

- (a) may accompany a bailiff executing a property seizure order or search warrant; and
- (b) may take all reasonable steps to assist the bailiff in the exercise of the bailiff's functions under this section.

(4) Without limiting the changes referred to in subsection (3), in the application of Parts 48 and 49 of the Local Court Rules to a garnishee order –

- (a) a reference to a court or Registrar is to be taken to be a reference to the Fines Recovery Unit;

**73. Registration of enforcement order as charge on land**

(1) If the amount required to be paid under an enforcement order or the total amount under more than one enforcement order exceeds the prescribed amount, the Fines Recovery Unit may apply to the Registrar-General for registration of the order or orders as a statutory charge within the meaning of the *Land Title Act* on land owned by the fine defaulter (including owned jointly with another person).

(2) An application under subsection (1) is to define the land to which it relates and is to contain a copy of the enforcement order or orders that form the basis of the statutory charge.

(3) The statutory charge is of no effect until it is registered under the *Land Title Act*.

(4) The statutory charge ceases to have effect in relation to the land on registration of the cancellation of the charge under section 75.

(5) No power of sale is exercisable under a statutory charge under this Division.

**74. Bailiff's costs payable**

- (1) The costs and expenses –

  - (b) approved by the Fines Recovery Unit,

are enforcement costs payable by the fine defaulter under the enforcement order.

(2) The amount of those costs and expenses is to be determined in accordance with the scale applicable to the enforcement of judgment debts under the Local Court Regulations but is to be reduced by any amount prescribed under section 41(2)(c) or 53(2)(c) as payable to the Territory.

(3) For the purposes of this section, the Fines Recovery Unit has the functions of a Registrar of the Local Court in relation to the approval of those costs and expenses.

(4) Enforcement costs recoverable under this section are payable to the bailiff concerned and, if paid to the Territory, may be paid by the Fines Recovery Unit to the bailiff.

(5) The Local Court may review a decision of the Fines Recovery Unit in respect of enforcement costs in the same manner as provided by Rule 4.04 of the Local Court Rules in respect of the decision of a Registrar.
