- (a) for that purpose;

(3) The application for review shall be made within 28 days after the day on which notice of the decision was served on the applicant, but the Local Court may, if it is satisfied that it is just and reasonable in the circumstances to do so, extend the time in which the application may be made.

- (4) The Local Court may, on the review -

(10) No appeal shall lie against a decision of a Local Court made upon a review.

## Fisheries

(3) A member of the committee, other than the Chairman, holds office during the pleasure of the Minister.

(4) The committee -

(b) shall determine its own rules and procedures.

### 53. ABORIGINALS

(1) Unless and to the extent to which it is expressed to do so but without derogating from any other law in force in the Territory, nothing in a provision of this Act or an instrument of a judicial or administrative character made under it shall limit the right of Aborigines who have traditionally used the resources of an area of land or water in a traditional manner from continuing to use those resources in that area in that manner.

(2) Nothing in subsection (1) shall authorize a person to enter any area used for aquaculture, to interfere with or remove fish or aquatic life from fishing gear that is the property of another person, or to engage in a commercial activity.

### 54. RESEARCH AND DEVELOPMENT OF FISHERIES

(3) The Minister, in considering an application under subsection (2), may call for a report from the Director and for this purpose the Director may require the applicant to furnish such information as the Director thinks fit.

(4) A lease does not of itself confer upon the lessee the right to exclude a person from passing over the surface of any water, but the conditions of the aquaculture licence may require or authorize the lessee to mark out a lease or part of a lease that indicates that passage through that area is restricted or prohibited.

(5) The Minister shall not -

(a) refuse or fail to renew a lease; or

(b) forfeit or otherwise terminate a lease,

unless he has given to the lessee reasonable notice of his intention to do so.

(6) In subsection (5), "reasonable notice" is 2 years or such less notice as, in the opinion of the Minister, is fair to the lessee, having regard to what the lessee has on the leased area or elsewhere.

(7) Notwithstanding subsection (5), the Minister may forfeit or otherwise terminate a lease forthwith if the aquaculture licence held by the lessee is cancelled or surrendered.

(8) The Minister may, after receiving a report from the Director, offer a lease by auction or tender, or advertise that a lease is available.

(2) The Minister may, by notice in the Gazette, specify conversion factors which shall, for all purposes and in any proceedings for an offence against this Act, be used to determine the greenweight of fish or aquatic life.

(5) A delegation under this section by a Joint Authority -

- (b) does not prevent the exercise of the power by the Joint Authority; and
- (c) continues in force notwithstanding a change in the membership of the Joint Authority.

(6) Where, under this Act, the exercise of a power or performance of a function by a Joint Authority is dependent upon the opinion, belief or state of mind of the members of that Joint Authority in relation to a matter and that power or function has been delegated in pursuance of this section, that power may be exercised or that function may be performed by a delegate upon the opinion, belief or state of mind of the delegate in relation to that matter.

(4) A Joint Authority may endorse a licence referred to in section 11 (including such a licence granted by that Joint Authority or another Joint Authority) so as to extend the operation of the licence to matters to which the licensing powers of the Joint Authority under this Act are applicable and, where such an endorsement is made -

(a) the endorsement ceases to have effect if the licence ceases to have effect; and

(b) the Joint Authority may suspend or cancel the endorsement as if it were a licence granted by that Joint Authority.

(5) Subject to section 70(1)(b) and (c), where, at a time a fishery becomes a Joint Authority fishery, a regulation, notification or order under this Act would, but for this section, apply to the fishery, the regulation, notification or order, as the case may be, ceases so to apply.

(6) This section does not empower a Joint Authority to grant, or to take other action in respect of, a licence in respect of a foreign boat or to endorse such a licence.
