[Assented to 1999]
[Second reading 1999]

The Legislative Assembly of the Northern Territory enacts as follows:

PART 1 – PRELIMINARY

2. Commencement

This Act comes into operation on the day or days fixed by the Administrator by notice in the *Gazette*.

3. Act binds the Crown

This Act binds the Crown not only in right of the Territory but also, so far as the legislative power of the Legislative Assembly permits, the Crown in all its other capacities.

4. Application

(1) Subject to subsection (4), this Act applies to all ships in coastal waters.

(2) "Coastal waters" may be generally described as the area extending from the low water mark on the coast of the Territory to an imaginary line 3 n miles seawards of that mark.

(3) Subsection (2) is intended only to provide general assistance to a reader of this Act and is not to be taken as replacing or modifying in any way the definition of "coastal waters" in section 6.

(4) This Act does not apply to –

- (a) a ship under the control of the Australian Defence Force; or
- (b) a warship, naval auxiliary or other ship owned or operated by a foreign country and used, for the time being, only on government, non-commercial service of the country.

5. Overall purpose

(1) The overall purpose of this Act is to protect the Territory's marine and coastal environment by minimising intentional and negligent discharges of ship-sourced pollutants into coastal waters.

- (a) providing an approach to protecting the Territory's marine and coastal environment from ship-sourced pollutants complementary to the approach of the Commonwealth and the States of the Commonwealth;
- (b) making provision about the discharge of sewage from ships;
