(1) Park freehold title is an estate in fee simple granted over land that is a park or reserve.

- (2) The following applies in relation to the estate in fee simple:

- (f) the estate may, with the agreement of the Territory, be surrendered (in whole or in part) to the Territory –
  - (i) so that the whole or part of the land can be used by the Territory otherwise than as a park or reserve; or
  - (ii) to facilitate the grant of the whole or part of the land to the traditional Aboriginal owners of the land so it can be used by those traditional Aboriginal owners for a specified purpose;
- (g) the estate can only be compulsorily acquired under the *Lands Acquisition Act* for a public purpose that –
  - (i) will confer a right or interest on the Territory; or
  - (ii) is an infrastructure facility;
- (h) if the estate is compulsorily acquired under the *Lands Acquisition Act*, the compensation payable for the acquisition is to be determined as if the estate is an estate in fee simple free of the restrictions and conditions specified in paragraphs (a) to (g) (inclusive).

(3) The Chief Minister may, by notice in the *Gazette*, establish a body corporate (to be known as a Park Land Trust), subject to the conditions (if any) specified in the notice, for the purpose of holding park freehold title in trust for the benefit of Aboriginals entitled by Aboriginal tradition to the use or occupation of the land over which the park freehold title is granted, whether or not the traditional entitlement is qualified as to place, time, circumstance, purpose or permission.

- (4) A Park Land Trust –
  - (a) is a body corporate with perpetual succession;
  - (b) must have a common seal; and
  - (c) is capable, in its corporate name, of suing and being sued.

- (a) a reference to the Minister were a reference to the Chief Minister;
- (b) a reference to an estate in fee simple were a reference to park freehold title; and
- (c) a reference to a person who has a right to be granted an estate in fee simple were a reference to a Park Land Trust to which park freehold title is to be granted,

but this subsection does not require compliance with any other provision of the *Crown Lands Act* before park freehold title is granted.

**10. Conditions to which exercise of Chief Minister's authority is subject**

(1) The Chief Minister is only authorised to do the things specified in section 8 if the following conditions are complied with on or before the date prescribed by or under section 16(1):

**11. Exercise of power not impeachable for informality or irregularity**

The exercise by the Chief Minister of a power under section 8 is not to be impeached because of an informality or irregularity in the compliance with any of the conditions specified in section 10(1) except on the ground that the exercise of the power was not in good faith.

**12. Creation of reservations from occupation**

(1) The parks and reserves specified in Schedules 1, 2 and 3 are taken to be reserved from occupation under section 178 of the *Mining Act* as if the

*Parks and Reserves (Framework for the Future) Act 2003*

requirements of that Act relating to reserving those parks and reserves from occupation had been complied with and that Act applies in relation to those reservations accordingly.

(2) Subsection (1) does not apply to any land within a park or reserve specified in Schedule 1, 2, or 3 that –

  - (b) an area of land referred to in subsection (2)(b) ceases to be occupied by a mining interest,

the area of land is taken to be reserved from occupation under section 178 of the *Mining Act* as if the requirements of that Act relating to reserving that land from occupation had been complied with and that Act applies in relation to those reservations accordingly.

(4) As soon as practicable after the conditions specified in section 10(1) have been complied with, the Chief Minister must, by notice in the *Gazette*, revoke the reservations from occupation created by this section, which revocation takes effect as if the requirements of the *Mining Act* relating to revoking such reservations had been complied with.

*Parks and Reserves (Framework for the Future) Act 2003*

park, reserve or area of Aboriginal land (as the case may be) will not comply with the conditions specified in section 10(1); and

- (b) the Chief Minister is satisfied that the omission of the park, reserve or area of Aboriginal land will not defeat the purpose of this Act.

(3) The power under subsection (1) may only be exercised on one occasion in respect of a schedule but, on that occasion, one or more parks, reserves or areas of Aboriginal land may be omitted from the schedule.

(4) The power under subsection (1) may only be exercised on or before 31 July 2004.

**15. Development provisions for park freehold land**

(1) The Planning Scheme under the *Planning Act* is taken to include development provisions applying to park freehold land and, subject to this section, the *Planning Act* (except Part 6) applies accordingly.

(2) The Planning Minister is the consent authority for park freehold land.

(3) The development provisions under subsection (1) allow the use and development of park freehold land for any of the following purposes without the consent of the consent authority:

- (a) a park or reserve;
- (b) commercial activities that are consistent with the use as a park or reserve;

*Parks and Reserves (Framework for the Future) Act 2003*

(c) an Aboriginal community living area.

(4) The development provisions under subsection (1) allow any other use or development of park freehold land only with the consent of the consent authority.

(5) Part 5, Division 2 of the *Planning Act* does not apply in relation to a development application in respect of park freehold land unless the Planning Minister determines that, in the circumstances of the particular application, it is appropriate for that Division to apply.

(6) Despite any development provisions in force under the *Planning Act* immediately before the commencement of this section, the use of park freehold land for a purpose specified in subsection (3) is taken to be an existing use of park freehold land under Part 4 of the *Planning Act*.

(7) An amendment of Schedule 2 under section 13 or 14 does not create, or have the effect of creating, a subdivision within the meaning of the *Planning Act*.

(8) The development provisions under subsection (1) prevail over any other development or other provision under the Planning Scheme or a provision of the *Planning Act*, whether the provision was in force before or after the commencement of this section.

**16. Sunset provision**

(1) The date prescribed for section 10(1) is –

(b) if a later date is prescribed by the Chief Minister by notice in the *Gazette* – the later date.

(b) cannot prescribe a date under subsection (1)(b) that is later than 31 December 2004.

(3) The Chief Minister may be satisfied of a matter referred to in subsection (2)(a) despite having received advice from a Land Council under section 13(2)(a).

*Parks and Reserves (Framework for the Future) Act 2003*

(4) If the conditions specified in section 10(1) are not complied with on or before the date prescribed by or under subsection (1), on the day after that date, the Chief Minister must publish in the *Gazette* a notice stating that –
