Act No. [ ] of 2008

---

An Act to provide for, and regulate, local government

[Assented to [ ] 2008]  
[Second reading [ ] 2008]

## PREAMBLE:

1. Local government is a distinct and essential sphere of government.
2. The system of local government:
  - (a) needs to be flexible and adaptable to the diverse interests and needs of the many communities within the Territory; and
  - (b) needs to be comprehensive, democratic, responsive to community needs and accountable both to local communities and the public generally.
3. The rights and interests of Indigenous traditional owners, as enshrined in the *Aboriginal Land Rights (Northern Territory) Act 1976* (Cth) and the *Native Title Act 1993* (Cth), must also be recognised and the delivery of local government services must be in harmony with those laws.
4. This Act therefore seeks to provide a legislative framework:
  - (a) to establish a democratic and effective system of local government that recognises the diversity of communities in the Territory; and
  - (b) to confer on councils wide powers to act for the advancement, and in the best interests, of their local communities; and
  - (c) to enable councils to play a broad role in promoting the social,

economic, environmental, and cultural well-being of their local communities; and

- (d) to impose high standards of ethical conduct on council members; and
- (e) to require of councils high standards of governance, service delivery, asset management and financial accountability; and
- (f) to require councils to promote and assist constructive participation by their local communities in achieving effective local government for their areas.

- (3) A municipal council may (but is not required to) participate in consultation related to a regional management plan.

*Note*

*Hence a reference in this Part to an **interested council** for a region is a reference to any council whose area lies within the region except a municipal council that expresses a desire not to be involved in consultation related to the regional management plan.*

- (4) A regional management plan only binds a municipal council to an extent agreed by the council.
- (5) LGANT may participate in consultation related to a regional management plan.

#### 17      Content of regional management plan

    - (iii) ways of improving service delivery by cooperation

between councils, or between councils and government agencies or other organisations; and

- (b) must define, for shire councils within the region, the core local government services, and where they are to be delivered, in the region.
- (2) A regional management plan may provide for the joint management of facilities within the region for the benefit of residents within the region.

*Examples*

- 1 *A regional management plan could provide for the joint management of a cemetery or a waste management facility for the mutual benefit of 2 or more areas – and perhaps for the formation of a council subsidiary to manage and operate the cemetery or waste management facility on behalf of the councils.*
- 2 *A regional management plan could provide for consultation and cooperation between a council or councils and the appropriate Land Council in accordance with a memorandum of understanding between them.*

## **18      Term, revision and amendment of regional management plans**

- and prepares a draft management plan for the region;
- (b) the Agency prepares a draft management plan reflecting the results of the consultation and, at least 4 months before the date fixed in the draft for commencement of the regional management plan, the draft is published on the Agency's website;
  - (c) a notice is published on the website and in a newspaper circulating generally throughout the Territory inviting written representations, within a period (at least 1 month) specified in the notice, from interested persons;
  - (d) after considering all representations made within the relevant period, the Agency prepares, in consultation with the interested councils and LGANT (if it wants to be involved), a final version of the management plan and publishes it on the Agency's website.
- (3) The draft regional management plan and the notice inviting written representations must also be published on the website of any councils whose area is within the relevant region.

- (5) However:
  - (a) if a by-election is to be held to replace an elected principal

member, the casual vacancy will be filled by the successor elected at the by-election; and

- (b) if a person is co-opted to fill a casual vacancy in the office of an elected principal member:
  - (i) the co-opted member is not (unless appointed by the council to be its principal member) to be the council's principal member; and

*Note*

*This section should be read in conjunction with section 39(5). This provides that if a casual vacancy occurs in the office of any member more than 12 months before the end of the council's term, a by-election is to be held to fill the vacancy; if 12 months or less, the vacancy may be filled by co-option.*

- (2) If land is used for 2 or more different purposes, and 1 or more but not all the purposes are exempt, the land is not exempt from rates unless the non-exempt purpose is merely incidental to the exempt purpose.

*Example*

*An allotment consists of a public museum containing a cafeteria. The existence of the cafeteria would not negative the exemption. However, if it were a restaurant attracting customers in its own right, it would do so.*

- (3) In deciding whether land is used for a commercial or non-commercial purpose, the fact that the user is a public benevolent institution or a public charity is irrelevant: the question is to be decided according to the nature of the use and not the nature of the user.

## **145 Special cases**

- (1) Land of the Commonwealth is only rateable if the Commonwealth agrees and, in that event, it is rateable on conditions agreed by the Commonwealth.

*Example*

*The Commonwealth might agree that an occupier of land under a lease from the Commonwealth is to be liable for rates.*

- (2) A Land Trust is not liable to rates but:
- (a) an occupier of land owned by the Land Trust (other than the Trust itself) is liable to rates; and
  - (b) if land owned by the Trust is held under a lease from the Trust, the leasehold estate constitutes the rateable land for the purposes of this Act.
- (3) An Aboriginal community living area association is not liable to

rates but:

- (a) an occupier of land owned by the association (other than the association itself) is liable to rates; and
  - (b) if land owned by the association is held under a lease from the association, the leasehold estate constitutes the rateable land for the purposes of this Act.
- (4) Land owned by a Land Trust or an Aboriginal community living area association:
- (a) is not subject to the provisions of this Chapter under which overdue rates become a charge on the land to which they relate; and
  - (b) is not liable to be sold for non-payment of rates.

*Note*

*This subsection does not, however, protect a leasehold estate from such a charge or from being sold for non-payment of rates.*

#### **146 Apportionment where land rateable for part only of a financial year**

- (1) If land becomes rateable during the course of a financial year, or ceases to be rateable during the course of a financial year:
  - (a) the land is liable to rates for the financial year; but
  - (b) the amount of the liability is reduced to a proportion of the rates that would have been payable if the land had been rateable for the whole of the financial year.
- (2) The proportion is the proportion between the period for which the land is rateable (expressed in days) and the number of days in the financial year.
- (3) A council must make any refund or remission of rates necessary to give effect to this section.

## **Part 11.2 Basis for assessment of rates**

### **147 Allotments**

- (1) An **allotment** is a parcel or part of a parcel of land for which a council proposes to make a separate assessment of rates (and includes a unit or lot created by registration of a plan under the *Real Property (Unit Titles) Act* or the *Unit Titles Act*).

- (2) A council may only divide a parcel of land that is subject to the same ownership into separate allotments if:
- (a) the allotments are subject to separate occupation; or
  - (b) the allotments fall within different zones; or
  - (c) there is some other good reason for disaggregating the parcel into separate allotments.

*Example*

*If land consists of a block of flats in the same ownership but separately occupied, the council could either treat the block of flats as a single allotment and determine rates for the whole, or disaggregate it into the separate flats and determine rates for each flat.*

## **148 Basis of rates**

- (1) Rates may consist of:
- (a) a fixed amount (a **fixed charge**) for each allotment; or
  - (b) an amount (a **valuation-based charge**) calculated as a proportion of the assessed value of each allotment; or
  - (c) a combination of:
    - (i) fixed charges (for different purposes); or
    - (ii) a fixed charge (or fixed charges) and a valuation-based charge.
- (2) If rates consist of, or include, a valuation-based charge, the charge may be subject to a specified minimum (a minimum charge).

*Example*

*A valuation based charge might be expressed as a specified proportion of assessed value or \$100 (whichever is the greater amount).*

- (3) Differential fixed charges, differential valuation-based charges, and differential minimum charges may be fixed for:
- (a) allotments within different parts of the local government area;  
or

*Example*

*The rates for land within different planning zones might be based on differential components.*

- (b) different classes of allotments.

*Example*

*If land is divided under the Unit Titles Act into small allotments (such as self-storage units or marina berths), and the council considers it inequitable to apply the minimum charge otherwise applicable to land within the area to the small allotments, the council could fix a different and lesser minimum for the small allotments.*

- (4) If an allotment is divided into separate parts or units that are adapted for separate occupation or use, a minimum charge may consist of a fixed amount to be multiplied by the number of separate parts or units.

*Example*

*If an allotment consists of a block of flats in separate occupation, the minimum charge could consist of a fixed amount to be multiplied by the number of flats comprised in the complex.*

## **149 Basis of assessed value**

- (1) A council may adopt unimproved capital value, improved capital value, or annual value as the basis of the assessed value of allotments within its area or part of its area.
- (2) The **assessed value** of land is the unimproved capital value, the improved capital value or the annual value of the land (according to whichever basis of valuation has been adopted by the council for the land) as it appears from the valuation roll.

## **Part 11.3 Liability for rates**

### **150 Joint and several liability**

- (1) The owner and the occupier (if not the owner) of an allotment are jointly and severally liable for rates payable in respect of an allotment.

*Note*

*It should be noted that joint and several liability does not increase the liability to rates. Take (for example) the case of an allotment on which the council imposes rates amounting to \$600. Suppose that A and B are both ratepayers and jointly and severally liable for the rates. The council cannot, by seeking recovery from each separately, recover a total of \$1 200. The aggregate liability remains the same (ie \$600.). It follows that an amount received or recovered by the council from A reduces B's liability to the council as well.*

- (2) However, an occupier of an allotment (if not an owner) does not become liable for rates in respect of the allotment unless:
- (a) the occupier's name is entered in the assessment record, on

the occupier's own application, as the principal ratepayer for the allotment; or

- (b) the council gives the occupier written notice that it proposes to seek recovery of rates from the occupier.
- (3) If notice is given under subsection (2)(b) in the course of a financial year, the occupier is only liable for a proportionate part of the rates for that financial year.

## **151 Principal ratepayer for an allotment**

- (1) The owner of an allotment is the principal ratepayer for the allotment but, if the owner is not liable to rates, the occupier is, if liable to rates for the allotment, the principal ratepayer for the allotment.

### *Note*

*In the case of an allotment owned by a Land Trust, the Trust itself is not liable to rates so the lessee (if there is a lessee) is treated under this Act as the owner and hence the principal ratepayer for the allotment. If there is no lessee, the occupier may be liable for rates (See section 150(2)) and, if so, would be the principal ratepayer for the allotment.*

- (2) However, the principle stated in subsection (1) is subject to the following qualifications:
  - (a) the CEO may, on the application of an occupier who would not be the principal ratepayer in accordance with subsection (1), designate the ratepayer in the assessment record as the principal ratepayer for an allotment;
  - (b) if 2 or more ratepayers would, in accordance with subsection (1), be the principal ratepayer for an allotment, the CEO may designate 1 or more of them in the assessment record as the principal ratepayer for the allotment.
- (3) A ratepayer designated under subsection (2) as the principal ratepayer for an allotment is the principal ratepayer to the exclusion of others.

### *Note*

*The designation is subject to reconsideration and review (See section 154).*

- (4) If rates are paid by, or recovered from, a ratepayer who is not the principal ratepayer for an allotment, the ratepayer may, subject to any relevant agreement, recover the amount from the principal ratepayer or set the amount off against any liability owed to the principal ratepayer.

## **Part 11.4 Assessment record**

### **152 Assessment record**

- (1) The council must maintain an assessment record.
- (2) The assessment record must contain:
  - (a) a brief description of each allotment within the area and a statement of its assessed value; and
  - (b) if a charge is imposed on non-rateable land in the area – a brief description of the land; and
  - (c) the name and address of the owner of the land; and
  - (d) if the owner is not the principal ratepayer for the land – the name and address of the principal ratepayer; and
  - (e) if the land is subject to a differential rate on the basis of its use – the land use; and
  - (f) other information the council directs to be included in the record.
- (3) The assessment record may be kept by computer.
- (4) A copy of the assessment record must be available for inspection, free of charge, by any member of the public at the council's public office.
- (5) The CEO must, at the request of a person to whom an entry in the assessment record relates, suppress the person's name or address (or both) from the publicly accessible copy of the record.

### **153 Notifications to be given by ratepayers**

- (1) A person who becomes the principal ratepayer for a particular allotment within a council area must, within 28 days of doing so, give the CEO written notice of that fact and of the person's postal address.

Fault element: This is an offence of strict liability.

Maximum penalty: 20 penalty units.

- (2) If the principal ratepayer's postal address changes, the principal ratepayer must, within 28 days of the change, give the CEO written notice of the new address.

Fault element: This is an offence of strict liability.

Maximum penalty: 20 penalty units.

- (3) A person who ceases to be the principal ratepayer for a particular allotment within a council area must, within 28 days of doing so, give the CEO written notice of that fact.

Fault element: This is an offence of strict liability.

Maximum penalty: 20 penalty units.

- (4) However, notification is not required under subsection (1) or (3) if the person becomes, or ceases to be, the principal ratepayer for an allotment as a result of a transaction that is registered under the *Land Title Act*.

#### **154 Correction of record**

- (1) A person may apply to the council for the correction of an entry in the assessment record.
- (2) The application may be made on any one or more of the following grounds:
- (a) the entry wrongly classifies an allotment that is not rateable as rateable land;
  - (b) the entry should, but does not, classify an allotment as urban farm land;
  - (c) the entry wrongly records the use of an allotment;
  - (d) the entry contains some other relevant misclassification or misdescription of an allotment;
  - (e) the entry wrongly records ownership or occupation of an allotment;
  - (f) the entry wrongly designates the applicant as principal ratepayer for an allotment;
  - (g) the entry contains some other relevant error.
- (3) The application:
- (a) must be in writing; and

- (b) must state the applicant's interest in the allotment to which the application relates; and
- (c) must state the nature of the amendment that should, in the applicant's opinion, be made.
- (4) If the application is uncontroversial, the CEO may decide the application on behalf of the council but, if it raises matters of possible controversy, the application is to be dealt with by the council or a council committee.
- (5) The CEO must notify the applicant, in writing, of the decision on the application as soon as practicable.
- (6) If the council or council committee decides to reject the application in whole or part, the decision is reviewable.

## **Part 11.5      Imposition of rates and charges**

### **Division 1      General and special rates**

#### **155      General rates**

- (1) A council must, on or before 31 July in each year, declare rates (**general rates**) on allotments throughout the area to raise the amount the council intends to raise for general purposes for the financial year.
- (2) The council may, at the same time, raise an amount towards a special purpose.
- (3) The declaration must state:
  - (a) the amount to be raised for general purposes and, if an amount is to be raised for a special purpose, the amount to be raised for the special purpose; and
  - (b) the basis or bases of the rates; and
  - (c) if the rates are to be payable in instalments – the number of instalments and when they will be payable.

#### **156      Special rates**

- (1) A council may at any time declare rates for a particular purpose (**special rates**).
- (2) If special rates are imposed for the benefit of a particular part of the area, they may be limited to allotments within the relevant part of

the area.

- (3) A declaration under this section must:
- (a) state the purpose for which the special rates are imposed; and
  - (b) state the amount to be raised; and
  - (c) state the basis of the special rates; and
  - (d) state whether the special rates are imposed on rateable property generally, or on rateable property within a particular part of the area and, if they are limited to a particular part of the area, identify the relevant part.

## **Division 2 Charges**

### **157 Imposition of charges**

- (1) If a council carries out work, or provides services, for the benefit of land, or the occupiers of land, within its area, the council may declare a charge on the land.
- (2) A declaration of a charge must:
  - (a) state the amount or basis of the charge; and
  - (b) identify the land to which the charge will apply.
- (3) The amount of a charge need not be limited to the cost of providing the service.
- (4) Subject to the following exceptions, the provisions of this Chapter applicable to rates apply with necessary adaptations and modifications to charges imposed under this section.

#### **Exceptions**

- 1 A charge may be imposed on land that is not liable to rates (including land that is exempt from rates).
- 2 A charge may have a reasonable basis that differs from rates.

#### *Example*

*A charge to recover the cost of kerbing might consist of an amount per metre of the frontage of an allotment.*

- 3 The provisions for rate concessions do not apply to charges.

## **Part 11.6 General and particular notice**

### **158 Public notice**

- (1) Within 21 days after declaring rates, the council must publish notice of the rates:
  - (a) on its website; and
  - (b) in a newspaper circulating generally in the council's area.
- (2) The notice must:
  - (a) give details of the rates; and
  - (b) state the date on which payment of the rates will fall due and, if the council has resolved to allow payment by instalment, the date on which each instalment will fall due for payment; and
  - (c) give details of any discount or other concession or benefit the council has resolved to allow for prompt payment of the rates in full.
- (3) Failure to publish the notice within the time limit fixed by subsection (1) does not invalidate the declaration.

### **159 Rates notice**

- (1) At least 28 days before the payment of the rates (or the first instalment of the rates) falls due, the council must issue an account for the payment of rates (a **rates notice**) for each allotment.
- (2) The rates notice must be given if practicable to the principal ratepayer for an allotment or, if it is not practicable to do so, to any other ratepayer for the allotment.
- (3) The rates notice must:
  - (a) state the due date for payment of the rates and, if payment by instalment is allowed, the due date for payment of the first instalment; and
  - (b) must be given at least 28 days before the due date for payment of the rates or the first instalment of the rates.
- (4) Non-compliance with subsection (3)(b) does not invalidate the rates notice.

### **160 Discount for prompt payment**

- (1) A council may resolve to allow a discount, or some other form of

concession or benefit, for prompt payment of rates in full.

- (2) If the council resolves to allow a discount for prompt payment of rates in full, the rate notice must state the percentage discount, the conditions on which it is to be allowed, and both the discounted and the undiscounted amount payable.

#### **161 Payment by instalment**

- (1) If a council allows payment of rates by instalment, it does so on condition that each instalment is paid by the due date.
- (2) It follows that, if a ratepayer defaults in payment of an instalment by the due date, all remaining instalments become immediately due and payable.
- (3) A council may, however, relieve a ratepayer, or ratepayers generally, from the consequences of default to an extent decided by the council.

### **Part 11.7 Interest on unpaid rates**

#### **162 Accrual of interest on overdue rates**

- (1) If rates are not paid by the due date, interest accrues on the amount of the unpaid rates at the relevant interest rate.

*Note*

*If the ratepayer defaults in payment, all remaining instalments become due and payable. Interest therefore accrues on the total amount of the unpaid rates and not merely the amount of the instalment. (See section 161(2)).*

- (2) Interest is calculated on a daily basis on the amount in default (exclusive of interest) from the due date until the date of payment.
- (3) The **relevant interest rate** is a rate interest fixed by the council as the relevant interest rate.
- (4) A council may:
  - (a) fix a rate of interest as the relevant interest rate; or
  - (b) vary a rate of interest previously fixed as the relevant interest rate.

#### **163 Remission of interest**

A council may remit interest wholly or in part.

## **Part 11.8 Rate concessions**

### **164 Rate concessions**

- (1) A **rate concession** is one or more of the following:
  - (a) a waiver in whole or part of rates or a component of rates;
  - (b) a deferment in whole or part of an obligation to pay rates or a component of rates.
- (2) A council may grant a rate concession unconditionally or on conditions determined by the council.
- (3) If a council grants a conditional rate concession under this Part, and the ratepayer fails to comply with a condition, the council may by notice to the ratepayer:
  - (a) withdraw the concession; and
  - (b) require the ratepayer to pay an amount, on or before a date specified in the notice, to neutralise any benefit to the ratepayer of the rate concession.

### **165 Rate concession to alleviate financial hardship**

- (1) A council may grant a rate concession to alleviate financial hardship.
- (2) A rate concession may be granted on application by a person who establishes to the council's satisfaction that the person will suffer financial hardship if the concession is not granted.

### **166 Correction of anomalies in operation of rating system**

- (1) A council may grant a rate concession to a ratepayer or ratepayers of a particular class if satisfied that it is necessary to do so in order to correct anomalies in the operation of the rating system.
- (2) A council may grant a rate concession under this section on the council's own initiative or on application by an affected ratepayer.

### **167 Public benefit concessions**

- (1) A council may grant a rate concession if satisfied that the concession will advance one or more of the following purposes:
  - (a) securing the proper development of its area;
  - (b) preserving buildings or places of historical interest;

- (c) protecting the environment;
  - (d) encouraging cultural activities;
  - (e) promoting community health or welfare;
  - (f) encouraging agriculture;
  - (g) providing recreation or amusement for the public.
- (2) However, the rate concession:
- (a) may only be granted if authorised under a policy formally adopted by resolution of the council; and
  - (b) is subject to limitations and conditions specified in that policy.
- (3) A council may grant a rate concession under this section on its own initiative or on application by a ratepayer.

## **Part 11.9 Recovery of rates**

### **Division 1 Application of this Part**

#### **168 Extended meaning of *rates* in this Part**

In this Part:

***rates*** includes:

- (a) a charge; or
- (b) if the rates (or charge) are overdue:
  - (i) accrued interest; and
  - (ii) costs reasonably incurred by the council in recovering, or attempting to recover, them.

### **Division 2 Recovery by action**

#### **169 Recovery by action**

- (1) Rates may be recovered as a debt due to the council from the principal ratepayer or any other ratepayer by action in a court of competent jurisdiction.
- (2) The proceedings may be commenced at any time within 6 years after the rates were imposed.

### **Division 3      Overriding statutory charge**

#### **170      Overdue rates to be a charge on land**

If rates are not paid by the due date, the rates become a charge on the land to which they relate.

#### **171      Registration of charge**

- (1) After rates have been in arrears for at least 6 months, the council may apply to the appropriate registration authority for registration of the charge over the land to which the charge relates.
- (2) The registration authority must, on payment of the appropriate fee by the council:
  - (a) register the charge as an overriding statutory charge; and
  - (b) notify all persons with a registered interest in or over the land of the registration of the charge.
- (3) Failure to give notice of the registration of the charge under subsection (2)(b) does not invalidate the registration of the charge.
- (4) A registration authority must cancel registration of a charge if the council applies for the cancellation.
- (5) The council must apply for cancellation if the liability to which the charge relates is fully satisfied, and may apply for cancellation for any other reason.

#### **172      Effect of registered charge**

While a charge is registered as an overriding statutory charge under this Division, it has priority over all other registered and unregistered mortgages, charges and encumbrances except a previously registered overriding statutory charge.

### **Division 4      Sale of land**

#### **173      Power to sell land for non-payment of rates**

If rates have been in arrears for at least 3 years, and an overriding statutory charge securing liability for the rates has been registered for at least the last 6 months, the council may sell the land.

#### **174      Pre-conditions of sale**

- (1) Before the council sells land for non-payment of rates, it must give a notice to the principal ratepayer for the land at the address

appearing in the assessment record:

- (a) stating the period for which rates have been in arrears; and
- (b) stating the total amount currently outstanding on the land; and
- (c) warning that if that amount is not paid in full within a stated period (at least 1 month) after the date of the notice, the council will sell the land for non-payment of rates.

(2) A copy of the notice must be given to:

- (a) any other person with a registered interest in the land; and
- (b) if the land is a pastoral or other lease granted by the Territory, or a mining tenement – the Minister administering the legislation under which the lease or mining tenement was granted.

(3) If the whereabouts of a person to whom a notice (or copy) is, after reasonable inquiries, not ascertained by the council, the notice may be given by:

- (a) publishing it in a newspaper circulating generally throughout the Territory; and
- (b) leaving a copy of the notice in a conspicuous place on the land.

## **175 Sale of land**

(1) If the full amount of the outstanding rates is not paid within the time allowed in the warning notice, the council may sell the land.

(2) The sale must be by public auction.

### **Exceptions**

1 If the land is a pastoral or other lease granted by the Territory, or a mining tenement, the sale must be made as approved by the Minister administering the legislation under which the lease or mining tenement was granted.

2 If the land is a leasehold estate granted by a Land Trust, the sale must be made as approved by the relevant Land Council.

(3) A public auction must be advertised:

- (a) on the council's website; and
- (b) on at least 2 separate occasions in a newspaper circulating

generally throughout the Territory.

- (4) If before the date of the sale, the outstanding rates (including costs incurred by the council with a view to sale of the land) are paid, the council must call off the sale.
- (5) If an auction fails, the council may sell the land by private contract for the best price that it can reasonably obtain.
- (6) If a council sells land under this section, the council may execute a conveyance of the land under its common seal.
- (7) On registration of the conveyance, title to the land vests in the purchaser freed and discharged from all mortgages, charges and encumbrances securing the payment of money.

#### **176 Proceeds of sale**

- (1) The council must apply the proceeds of the sale of the land as follows:
  - (a) first in the payment of the costs incurred in selling the land under this Division;
  - (b) secondly, in the payment of all liabilities secured on the land (including the liability to the council) in the order of their priority;
  - (c) thirdly, in payment to the owner of the land.
- (2) If the council fails, after reasonable inquiry, to discover the identity or whereabouts of a person entitled to payment under this section, the council may make the payment to the Public Trustee as unclaimed property.
- (3) A payment made to the Public Trustee under subsection (2) vests in the Public Trustee under, and for the purposes of, section 59A of the *Public Trustee Act*.

### **Part 11.10 Correction of errors**

#### **177 Correction of errors**

- (1) The Minister may, by *Gazette* notice, declare that rates have been validly declared, or declared and levied, by a council despite a particular procedural non-compliance or some other irregularity or error of a minor or technical nature.

- (2) The declaration validates the rates from the date of their purported declaration.

## Chapter 12 Council property

### Part 12.1 Property generally

#### 178 Acquisition of property

- (1) A council may acquire real or personal property (including intellectual property) by agreement.
- (2) The Minister administering the *Lands Acquisition Act* may, by arrangement with a council, compulsorily acquire land for the council under that Act.
- (3) The council must reimburse the relevant Minister for compensation and other costs associated with the acquisition.

#### 179 Assumption of care control and management of land

- (1) A council may, at the request or with the consent of the interested persons, assume the care, control and management of land within its area.
- (2) The following are the *interested persons*
  - (a) the owner;
  - (b) a person (other than the owner) with a registered estate or interest in the land;
  - (c) if a person claims an interest in the land and the interest is protected by a registered caveat – the caveator.
- (3) However:
  - (a) if the land is subject to a trust, the consent of the trustee is required but not the consent of equitable owners; and
  - (b) consent is not required from:
    - (i) a person who cannot be found after reasonable inquiry;  
or
    - (ii) a body that has become defunct.
- (4) When a council assumes the care, control and management of land, it must publish notice of that fact on its website.

**180 Power to develop and improve land**

A council may develop and improve land in its ownership or under its care, control and management.

**181 Power to act as trustee**

- (1) A council may act as a trustee of land or other property.
- (2) However, a council cannot assume an obligation to promote a particular religion (but this subsection does not prevent a council from accepting a gift on conditions requiring the council to maintain a particular part of a cemetery set apart for the members or adherents of a particular religious group or denomination).
- (3) A council may apply to the Supreme Court for an order varying the terms of a trust of which the council is a trustee.
- (4) Notice of an application describing the nature of the variation sought must be given:
  - (a) on the council's website; and
  - (b) by notice published in a newspaper circulating generally in the Territory; and
  - (c) in any other way directed by the Supreme Court.
- (5) If the Supreme Court is satisfied that it is not practicable for the council to give effect to the trust in its present form, the Court may vary the terms of the trust.
- (6) The council must publish notice of the making and effect of the order on its website.

**182 Power to deal with and dispose of property**

- (1) Subject to the Minister's guidelines, a council may deal with or dispose of property of which the council is the owner.
- (2) This section does not authorise a council to act in breach of trust or in breach of conditions on which the property was accepted by the council.

**Part 12.2 Reserves and cemeteries**

**183 Reserves**

- (1) If a council agrees, the Minister may, by *Gazette* notice, place a reserve in the council's area under the care, control and

management of the council.

- (2) The council has, in relation to the reserve, the powers and functions of trustees appointed under section 79 of the *Crown Lands Act*.

#### **184 Public cemeteries**

- (1) A public cemetery situated in a council's area is vested in the council.
- (2) A council has, in regard to such a cemetery, the powers of a Board of Trustees under the *Cemeteries Act*.

##### **Exception**

If a regional management plan provides for management of the cemetery by a joint management committee or a council subsidiary, the powers of a Board of Trustees under the *Cemeteries Act* are vested in the joint management committee or the council subsidiary.

- (3) A council may (subject to relevant provisions of a regional management plan) make by-laws for the management and control of a public cemetery.

### **Part 12.3 Roads**

#### **185 Roads**

- (1) A **road** is:
- (a) land vested in a council at the commencement of this Act as a road or a road reserve; and
  - (b) land vested in a council, as a road or road reserve, after the commencement of this Act, under some other Act; and
  - (c) land reserved, dedicated or resumed, with the council's agreement, as a public street, road or thoroughfare; and
  - (d) land transferred to the council in fee simple, and accepted by the council, as a public road; and
  - (e) land declared by the council, by *Gazette* notice, to be a road with the consent of the owner of the land; and
  - (f) land vested in the council, with the council's agreement, by notice under subsection (2).
- (2) If a council agrees, the Minister may, by *Gazette* notice, vest Crown

land in the council as a road.

- (3) Land ceases to be a road if the road is permanently closed under this or any other Act.

#### **186 Care control and management of roads**

- (1) Subject to this section, all roads within an area are under the care, control and management of the council.
- (2) After consulting with the relevant council, the Minister may, by *Gazette* notice, withdraw a road from the care, control and management of the council and vest it in the Territory.
- (3) If a road is vested in the council, a notice under subsection (2) divests the road from the council and vests it in the Territory.
- (4) While a road remains under the care, control and management of a council, the following belongs to the council:

- (a) an owner or occupier of the land; or

## **Part 19.9              Acquisition of property**

### **257              Acquisition of property**

- (1) If a person acquires property by operation of the relevant legislation, or an administrative act under the relevant legislation, on terms that would not (apart from this subsection) be just, the person from whom the property is acquired is entitled to compensation, sufficient to remedy the injustice, from the person who acquires the property.

- (2) The Supreme Court may, in an action brought by a person entitled to compensation under subsection (1), determine and make an order for the payment of the compensation.
- (3) If the Supreme Court is satisfied that:
  - (a) a body corporate from which property has been acquired by operation of the relevant legislation or an administrative act under the relevant legislation has been dissolved by or under this Act; and
  - (b) the body corporate would, but for its dissolution, have been a claimant for compensation under this section;

the Court may, by order, annul the dissolution of the body corporate and make any further provision that may be necessary or appropriate to secure the continued existence of the body corporate or to facilitate its claim for compensation under this section.

*Note*

*The Court might, by its order, convert the body corporate into an association under the Associations Act. Such an order is possible even though its effect is to reverse the effect of legislative and administrative acts (such as the conversion of the body corporate from an association into a community government council by restructuring order under the former Act.) taken for the purpose of achieving transition to the system of local government provided by this Act.*

- (4) However, the Court cannot restore the body corporate's powers of local government.
- (5) If:
  - (a) a body corporate that continues in existence by order of the Supreme Court under this section succeeds in its claim for compensation; and
  - (b) the Court is satisfied that, if the former system of local government had continued, the body corporate would have been obliged to apply property for which an entitlement to compensation has been established for the benefit of a particular community or locality or for some other particular purposes;

the Court may make orders regulating the disposition or use of the compensation.

*Note*

*The intention is that the ultimate beneficiaries of the compensation for acquisition of the property should be substantially the same as the ultimate beneficiaries of the property itself assuming it had remained in its former ownership and subject to the former administration.*

- (6) This section operates retrospectively in relation to:
- (a) an acquisition made under the relevant legislation before the commencement of this Act; or
  - (b) proceedings related to such an acquisition commenced before the commencement of this Act.
