26B Definitions

In this Part:

Banana Freckle means Banana Freckle *Phyllosticta cavendishii*.

host plant means a declared host plant for Banana Freckle.

quarantine place means a quarantine place declared under section 18(1) of the Act for the control of Banana Freckle.

26C Prohibition of export from the Territory

A person must not export from the Territory a host plant or plant-related material of the host plant unless the person does so in accordance with a written permit given by the Chief Inspector.

Note for regulation 26C

Failure to comply with this regulation is an offence under section 17(6) of the Act.

26D Treatment of host plants

- (1) The owner of a host plant at a quarantine place must, unless otherwise authorised by the Chief Inspector:
 - (a) cut down the host plant; and
 - (b) immediately after cutting down the host plant, treat the rhizomes with a commercially registered herbicide in accordance with the manufacturer's instructions.
- (2) The owner must comply with subregulation (1):
 - (a) if the place is declared to be a quarantine place before 1 April 2015:
 - (i) for a plant growing before 1 May 2015 – before 1 May 2015; or
 - (ii) for a plant that starts growing on or after 1 May 2015 – 1 month after the plant starts growing; or
 - (b) if the place is declared to be a quarantine place on or after 1 April 2015:
 - (i) for a plant growing before the 1 month date – before the 1 month date; or
 - (ii) for a plant that starts growing on or after the 1 month date – 1 month after the plant starts growing.
- (3) The owner must not dig up, move, destroy or otherwise disturb the rhizomes treated under subregulation (1) until at least 1 month after the date on which the rhizomes were treated.
- (4) The owner must advise the Chief Inspector that the owner has complied with subregulation (1) as soon as practicable after doing so.

(5) In this regulation:

1 month date, in relation to the declaration of a quarantine place, means the date 1 month after the date of the declaration.
