8C Matters to be taken into account for proposed subdivision of non-vacant land

(1) This regulation applies to a development application for a proposed subdivision of land on which a building is situated.

(2) For section 51(q) of the Act, the consent authority must take into account whether parts of the building are suitable for separate ownership or occupation, having regard to the following:

(a) the structural integrity of the building;

(b) the fire safety qualities of the walls and other proposed boundaries within the building;

-
- (c) if the building is situated in a part of the Territory to which Part 6 of the *Building Act* applies under section 6 of that Act – the requirements in relation to structural integrity and fire safety prescribed under that Act at the date the development application was made.
