insert

140A Provisions relating to approval under regulation 139 or 140

- (1) An approval may be made subject to conditions specified in it, including a condition the approval does not apply to a place specified in it for all or part of the relevant approved period.

Note for subregulation (1)

This subregulation does not limit section 42 of the Interpretation Act.

- (2) To remove doubt, a provision of By-laws is not a duplication of, and does not overlap with, this regulation, regulation 139 or 140 or an approval only because the provision generally prohibits a person throwing or igniting relevant fireworks in a public place even if, on a particular day specified in the By-laws, a person is allowed to ignite relevant fireworks other than at a specified place.

- (3) In this regulation:

approval means either of the following:

- (a) an approval under regulation 139 in relation to an approved period under that regulation;
- (b) an approval under regulation 140 in relation to an approved period under that regulation.

at, in relation to a specified place, includes in and on the specified place.

By-laws means By-laws of a local government constituted under the *Local Government Act* whether made before or after the commencement of this regulation.

permit holder means the holder of a permit granted under regulation 141 or 143.

relevant approved period, in relation to an approval, means an approved period relating to the approval.

relevant fireworks means:

- (a) shopgoods fireworks; or
- (b) things (however described) that include shopgoods fireworks.

specified place means a place specified in an approval as mentioned in subregulation (1).
