**AMENDMENT OF WATER REGULATIONS**

**Schedule**

The Schedule to the Water Regulations is amended by omitting forms 11, 12, 13, 14 and 15 and substituting the following:

"FORM 11

Regulation 8(1)

**NORTHERN TERRITORY OF AUSTRALIA**

**Water Regulations**

**APPLICATION FOR GRANT OR RENEWAL OF LICENCE TO TAKE OR  
USE SURFACE WATER**

Pursuant to section 45 of the *Water Act*

Application No: ..... (office use only)

**1. GENERAL**

Previous licence number (if applicable): .....

Name: .....

(Given Names)

(Surname)

Address: .....

Phone No: ..... (Work) Phone No: ..... (Home)

Email Address: ..... Fax No: .....

**2 (a) PROPERTY ON WHICH WATER WILL BE USED**

Lot: .....	Section No: .....
Hundred of: .....	Portion No: .....
Township: .....	Lease No/name: .....
I am the *owner/*occupier/*lessee of the property (*delete as necessary).	
Other: .....	

2 (b) Name of watercourse or water body from which water will be taken or used: .....

*Water Regulations*

2 (c) As an attachment to this application, provide a map showing the location of the proposed point(s) of extraction, the location where the water is to be used, the method and route of conveying the water, and the lands in the immediate vicinity (i.e. lot, portion, section, lease numbers, boundaries etc).

2 (d) PUMP/METER DETAILS

Pump			Meter	
Make	Model	Delivery Capacity (Litre/s)	Make	Model

3 INTENDED USE

(a) AGRICULTURE – to provide irrigation water for primary production, including related research.

	Area Under Irrigation (Hectares)			
	Drip/Tape	Micro Spray	Overhead Spray	Flood/Furrow
Permanent Crop	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
Annual Crop	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....

Please use the table 3(h) to provide details on monthly water usage.

(b) AQUACULTURE – to provide water for commercial production of aquatic animals and related research.

*Water Regulations*

	Pond Volume (Kilolitres)	Pond Area (Hectares)	Annual Kilolitres Taken/Used	Maximum Kilolitres/month Taken/Used
Saline Water				
Fresh Water				

Please use the table at 3(h) to provide details of monthly fresh water usage.

- (c) **PUBLIC WATER SUPPLY** – to provide source water for drinking purposes delivered through community water supply systems.

TOWN	Current population	Population in 5 years	Population in 10 years
.....	.....	.....	.....

Please use the table at 3(h) to provide details of monthly water requirements for current and the 5 and 10 year projected populations.

- (d) **ENVIRONMENT** – to provide water to maintain the health of aquatic ecosystems.

Details: .....

Estimated annual usage: ..... Kilolitres

Please use the table at 3(h) to provide details of monthly water requirements.

- (e) **CULTURAL** – to provide water to meet aesthetic, recreational and cultural needs.

Details: .....

Estimated annual usage: ..... Kilolitres

Please use the table at 3(h) to provide details of monthly water requirements.

- (f) **MANUFACTURING INDUSTRY** – to provide water for secondary industry including related research.

Type of industry: .....

Estimated annual usage: ..... Kilolitres

Please use the table at 3(h) to provide details of monthly water requirements.

*Water Regulations*

(g) OTHER USE – Not covered by 3(a) to 3(f)

Details: .....

Estimated annual usage: ..... Kilotres

Please use the table at 3(h) to provide details of monthly water requirements.

(h) MAXIMUM MONTHLY WATER USAGE

<i>YEAR</i>	<i>Jan</i> <i>kL</i>	<i>Feb</i> <i>kL</i>	<i>Mar</i> <i>kL</i>	<i>April</i> <i>kL</i>	<i>May</i> <i>kL</i>	<i>June</i> <i>kL</i>	<i>July</i> <i>kL</i>	<i>Aug</i> <i>kL</i>	<i>Sept</i> <i>kL</i>	<i>Oct</i> <i>kL</i>	<i>Nov</i> <i>kL</i>	<i>Dec</i> <i>kL</i>

4. ADDITIONAL INFORMATION

(a) Will there be any waste water generated by the proposed use? If yes, state estimated quantity and describe the proposed means of disposal:

.....  
 .....

(b) A licence may be granted for up to ten years. However, should you feel there are special circumstances that justify granting a licence for more than ten years, full details must be attached to this application.

(c) The Controller of Water Resources may require additional information regarding the effect of the proposed extraction on the waterway.

Additional comments/advice/information given in support of application:

.....  
 .....

*Water Regulations*

5. APPLICATION FEE

A fee of \$..... must accompany this application.

NOTE: ADVERTISING OF APPLICATION

The Controller of Water Resources may give notice of this application to those likely to be affected by its approval.

Signing of this application approves the notification and/or advertising by the Controller of Water Resources of this application in one or more of the newspapers circulating generally in the locality of the proposed works. The cost of advertising is to be borne by the applicant.

FORM 13

Regulation 8(4)

NORTHERN TERRITORY OF AUSTRALIA

Water Regulations

LICENCE TO TAKE OR USE SURFACE WATER

Pursuant to section 45 of the *Water Act*

Licence No: .....

Licensee	Expiry Date	Water Control District (if applicable)
[name]	[day/mth/yr]	[name]
[Address]		

Waterway	Purpose	Maximum water entitlement
[Name]		/year
		/year
Property(s) on which water to be used [Location]		TOTAL : /year

The holder of this licence must take or use no more than the quantity of surface water stated as the maximum water entitlement from the listed waterway(s), subject to the provisions of the *Water Act*, the Water Regulations and the following terms and conditions:

Terms and Conditions

1. The water entitlement under the licence must be used for the purpose(s) stated on the licence, and may not be used for any other purpose, without the approval of the Controller of Water Resources.
2. The licence is valid until the expiry date stated on the licence, subject to conditions 3 and 6.

*Water Regulations*

3. The licence may be revoked, suspended or modified at any time by the Controller of Water Resources as provided for in section 93 of the *Water Act*.
4. The licensee can surrender or apply for modification of the licence at any time.
5. Non-use of the water entitlement conferred under the licence may result in full or partial revocation by the Controller of Water Resources.
6. If a water allocation plan has been declared for the stated Water Control District under section 22B of the *Water Act*, the licensed water entitlement can be traded to another person in full or part, permanently or temporarily.
7. Trading of water entitlements must be in accordance with all requirements of the declared water allocation plan.
8. Trading of water entitlements from upstream in the waterway named in this licence to downstream in the same waterway does not require the prior approval of the Controller of Water Resources.
9. Trading of the water entitlements from downstream in the waterway named in this licence to upstream in the same waterway, or to any other waterway, is not permitted without the prior approval of the Controller of Water Resources.
10. Trading details must be provided to the Controller of Water Resources as prescribed on this licence.
11. Entitlements traded must only be used in accordance with and after the new licences are granted by the Controller of Water Resources.
12. The following specific conditions apply:

Controller of Water Resources

Date .....

Note: Every application for a re-issue of a licence must be made not later than one calendar month before the expiry date of the licence.

FORM 15

Regulation 9(2)

NORTHERN TERRITORY OF AUSTRALIA

Water Regulations

LICENCE TO TAKE GROUNDWATER

Pursuant to section 60 of the *Water Act*

Licence No: .....

Licensee	Expiry Date	Water Control District (if applicable)	Groundwater Resource
[name] [Address]	[day/mth/yr]	[name]	[name]

Registered Bore Number	Purpose	Maximum water entitlement
		/year
		/year
Property(s) on which water to be used [Location]		TOTAL : /year

The holder of this licence may take or use the quantity of groundwater stated as the maximum water entitlement, from the listed bore(s), subject to the provisions of the *Water Act*, the Water Regulations and the following terms and conditions:

Terms and Conditions

1. The water entitlement under the licence must be used for the purpose(s) stated on the licence, and may not be used for any other purpose, without the approval of the Controller of Water Resources.
2. The licence is valid until the expiry date stated on the licence, subject to conditions 3 and 6.

*Water Regulations*

3. The licence may be revoked, suspended or modified at any time by the Controller of Water Resources as provided for in section 93 of the *Water Act*.
4. The licensee can surrender or apply for modification of the licence at any time.
5. Non-use of the water entitlement conferred under the licence may result in full or partial revocation by the Controller of Water Resources.
6. If a water allocation plan has been declared for the stated Water Control District under section 22B of the *Water Act*, the licensed water entitlement can be traded to another person in full or part, permanently or temporarily.
7. Trading of water entitlements must be in accordance with all requirements of the declared water allocation plan.
8. Trading of water entitlements within the same groundwater resource and in accordance with the declared water allocation plan does not require the prior approval of the Controller of Water Resources.
9. Trading of water entitlements from one groundwater resource to another groundwater resource, unless specifically permitted under the declared water allocation plan, is not permitted without the prior approval of the Controller of Water Resources.
10. Trading details must be provided to the Controller of Water Resources as prescribed on this licence.
11. Entitlements traded must only be used in accordance with and after the new licences are granted by the Controller of Water Resources.
12. The following specific conditions apply:
