6. Payment before expiry date of infringement notices

(1) If the amount of the penalty specified in an infringement notice is paid in accordance with the notice, the offender is taken to have expiated the offence by paying the penalty and no further proceedings are to be taken in respect of the offence.

(2) If the amount of a penalty specified in an infringement notice is paid by cheque, the amount is not taken to have been paid unless the cheque is cleared on presentation.

7. General

These Regulations –

- (a) do not prevent more than one infringement notice being served in relation to the same offence but it is sufficient for the application of regulation 6 to a person on whom more than one notice has been served for the person to pay the amount of the penalty in accordance with any one of the notices;
 - (b) do not prejudice or affect (except as provided by regulation 6) proceedings being instituted or prosecuted, and do not limit the penalty that may be imposed by a court, in relation to an offence; and
 - (c) are not to be construed as requiring an infringement notice to be served or as affecting the liability of a person to be prosecuted in a court in relation to an offence in respect of which an infringement notice has not been served.
