**PERFORMED:**

The enforcement order referred to above, made in relation to you, has not been satisfied and I believe that enforcement action under Division 8 of the Act will not be effective in satisfying the order.

I now order you to attend at \_\_\_\_\_, within 7 days of being served with this order to be assessed by the Director of Correctional Services as to your suitability to participate in an approved project to work off the outstanding amount. If you are assessed as suitable to participate, you will be provided with details of the work you are to perform and your obligations under this order.

Community work reduces the amount owing by \$100 for each 8 hours of work performed. You may choose to pay part of the amount owing at any stage and your work hours will be reduced accordingly. If you pay the outstanding amount in full, you will not be required to perform any community work.

**If you fail** to attend at the specified place, or fail to comply with your obligations under this order, the order will be revoked and a **warrant may issue for your arrest**. If you cannot pay the full amount outstanding, you will serve a day in custody for every \$100 (or part thereof).
