AMENDMENTS OF MINING REGULATIONS

1. METHOD OF MARKING OUT

Regulation 19 of the Mining Regulations is amended -

- (a) by omitting from subregulation (3) all words after and including "by reference to" and substituting the following:

by reference to -

- (a) a readily identifiable geographic feature or, where practicable, to a known survey point; and

"(b) its latitude and longitude.";

- (b) by inserting after subregulation (3) the following:

"(3A) Where an applicant at the same time makes applications in relation to more than one area and the areas are adjacent to each other, a reference in each application to the latitude and longitude of one datum post for one of the areas is sufficient compliance with subregulation (3)(b) in respect of the area the subject of the application.";
