## Territory Wildlife Regulations

### 3. NEW REGULATION

The Territory Wildlife Regulations are amended by inserting after regulation 13 the following:

#### "13A. ARTICLES MANUFACTURED FROM PARTS OF PROTECTED ANIMALS

"(1) Subject to subregulation (2), a person's acquisition, possession and disposal of a manufactured article containing a part or parts of a protected animal is authorized for the purposes of section 31 of the Act if the manufacture was authorized either by a permit under this Act or by the law of a State or other Territory of the Commonwealth.

"(2) Subregulation (1) applies in relation to an article only if the article or its packaging bears an identification mark or label approved by the Minister and placed on it with the authority of the Commission, or recognized by the Minister as indicating that the article was manufactured in accordance with the law of a State or other Territory of the Commonwealth."

### 4. NEW SCHEDULE 4

The Territory Wildlife Regulations are amended by omitting Schedule 4 and substituting the following:
