3. TAKING OF BARRAMUNDI

Regulation 7A of the Principal Regulations is amended by adding at the end the following:

"(5) For the purposes of this regulation an amateur fisherman is deemed not to have taken a barramundi if the fisherman, immediately after having taken it, returns the barramundi, with as little injury as possible, to the water."

4. NEW REGULATION

The Principal Regulations are amended by inserting after regulation 7A the following:

"7AA. MARY RIVER FISH MANAGEMENT ZONE

"(1) Of the total number of barramundi that may be taken or had in possession by an amateur fisherman under regulation 7A, no more than 2 on any one day (being the period from midnight to midnight) nor more than 4 in total on any 2 or more consecutive days fishing may be taken from waters in the Management Zone, and regulation 7A shall be construed accordingly.

"(2) No amateur fisherman shall -

- (a) take from waters in the Management Zone a barramundi having an overall length of less than 50 cm;
- (b) have in possession in the Management Zone a barramundi or the carcass of a barramundi having an overall length of less than 50 cm; or
- (c) have in possession in the Management Zone a fillet or other piece of fish that was obtained from a barramundi having an overall length of less than 50 cm.

"(3) No amateur fisherman shall, during a closed season commencing on 1 October of each year and expiring with 31 January next following -

- (a) take barramundi from waters in the Restricted Zone, or be in possession of barramundi taken from waters in the Restricted Zone during the closed season; or
- (b) be in possession in the Restricted Zone of any gear which is or may be used to take barramundi.

"(4) Notwithstanding regulation 4(1), an amateur fisherman shall not use a cast-net or have a cast-net in possession in the Management Zone."
