AMENDMENT TO MINES SAFETY CONTROL REGULATIONS

NEW REGULATION

The Mines Safety Control Regulations are amended by adding after regulation 42 the following:

"42A. COPIES OF MEDICAL REPORTS

"(1) Where a person has been medically examined in relation to his employment in or on a mine, whether before, during or after being so employed, and whether in accordance with a requirement of the Act or these Regulations, that person may apply to the person who carried out the medical examination, or to whom a report was furnished following the medical examination, for a medical report or a copy of the report as furnished, as the case may be.

* Notified in the Northern Territory Government Gazette on 29 April, 1986.

Mines Safety Control Amendment

"(2) A person who receives an application in accordance with subregulation (1) from a person shall, within 14 days after receipt of the application, provide that person with a medical report or a copy of the report as furnished, as the case may be."
