"(2) Subject to sub-rule (3), where a greyhound is in breach of sub-rule (1), the stewards may, where they are of the opinion that, notwithstanding that breach, special circumstances exist which warrants them permitting the greyhound to start in the race to which the breach relates, permit that greyhound to start in that race.

"(3) Where the stewards permit under sub-rule (2) a greyhound to start in a race, they shall -

- (a) notify particulars of their decision over the public address system of the club at which the race is to be run; and

grant the application; or

(b) reject the application.

"(3) The stewards shall not grant under sub-rule (2)(a)(i) an application made under sub-rule (1) unless the greyhound the subject of the application is produced to the stewards on the day of the meeting or qualifying trial from which it is proposed to be withdrawn, or a veterinary surgeon's certificate that the greyhound is not in a fit condition to race is produced or, where no veterinary surgeon is available, a statutory declaration is made by the person responsible for withdrawing the greyhound stating that the greyhound is not in a fit condition to race.

"(4) Where a statutory declaration is made under sub-rule (3), the stewards may still require the person making the statutory declaration to produce the greyhound the subject of the statutory declaration on the day of the meeting or qualifying trial, as the case may be, from which it is proposed to be withdrawn.

"(5) The owner or trainer of a greyhound withdrawn under this rule shall not permit the greyhound to compete, and the greyhound shall not be eligible to start, in a race or qualifying trial within -

(a) where the greyhound was so withdrawn in pursuance of an application made under sub-rule (1) granted under sub-rule (2)(a)(i) - 10 days after that withdrawal, unless the greyhound is produced to the stewards at the meeting or qualifying trial from which the greyhound was withdrawn, and those stewards decide upon another period of incapacitation; and

(b) where the greyhound was so withdrawn in pursuance of an application made under sub-rule (1) granted under sub-rule (2)(a)(ii) - 8 weeks after that withdrawal, unless the stewards, after holding an inquiry into the grounds for that withdrawal, decide upon another period of incapacitation.

"(6) For the purposes of assessing the commencing date for a period of incapacitation under this rule, the date on which the greyhound was withdrawn from the meeting or qualifying trial shall count as the first day of the period and the termination of the period shall be deemed to be 11.30 o'clock in the evening on the final day of incapacitation."
